j. *Deadline for filing comments and or motions*: August 22, 2005.

All documents (original and eight copies) should be filed with: Ms. Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington DC 20426. Please include the project number (P-2210-116) on any comments or motions filed. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. APC is requesting approval to permit an additional 110 stationary covered slips and 36 floating docks. The proposed slips will serve The Pointe Condominiums and may be rented to the general public if residents of either The Pointe or Mariner's Landing do not wish to rent the slips. Upon approval of this filing, there would be a total of 158 covered slips and 76 floating slips at The Pointe.

The licensee is also requesting the shoreline classification be modified to High Density Commercial which is consistent with the Bedford County zoning and because the adjacent shoreline is already classified as such.
