Foreign-Trade Zones Board

[Docket 34-2005]

Foreign-Trade Zone 44 - Morris County, New Jersey, Application for Subzone, Tiffany & Co. (Jewelry and Consumer Goods), Parsippany and Whippany, New Jersey

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the New Jersey Commerce, Economic Growth and Tourism Commission, grantee of FTZ 44, requesting special-purpose subzone status for the warehousing and distribution facilities of Tiffany & Co. (Tiffany), located in Parsippany and Whippany, New Jersey. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 19, 2005.

The Tiffany facilities (1157 employees) consist of two sites on 78 acres: *Site 1* (40 acres) is located at 15 Sylvan Way, Parsippany, Morris County; and *Site 2* (38 acres) is located at 141 Parsippany Road, Whippany, Morris County. The facilities are used for the storage, distribution and packaging of jewelry, clocks, sterling silverware, stainless steel flatware, china, crystal, stationary, glassware, fragrances and accessories.

Zone procedures would exempt Tiffany from Customs duty payments on products that are re-exported. Some 40 percent of the products are re-exported. On its domestic sales, the company

would be able to defer duty payments until merchandise is shipped from the plant and entered for consumption. FTZ designation would further allow Tiffany to utilize certain Customs procedures resulting in increased efficiencies for its logistics and distribution operations. In addition, Tiffany is requesting authority to choose the duty rates during Customs entry procedures that apply to jewelry, china, glassware, ornaments, brushes, pens, pencils, pocket lighters and scent sprayers (HTS 6911.10, 6911.90, 6912.00, 6913.10, 6913.90, 6914.10, 7006.00, 7010.90, 7013.21, 7013.29, 7013.31, 7013.39, 7013.91, 7013.99, 7020.00, 7101.10, 7101.22, 7102.39, 7103.10, 7103.91, 7103.99, 7108.13, 7110.19, 7113.11, 7113.19, 7113.20, 7116.20, 7117.90, 7407.29, 9013.80, 9014.10, 9505.10, 9601.90, 9603.29, 9603.30, 9608.10, 9608.39, 9608.40, 9608.60, 9608.99, 9613.20, 9616.10, 9706.00, duty rate ranges from duty-free to 38%) for certain imported plastic and glass packaging materials (HTS 3923.10, 3923.30, 3923.50, 7010.90 and 7020.00, duty rate ranges from 2.5-5.3%). The request indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ staff has been appointed examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at one of the following addresses:

1. Submissions Via Express/Package Delivery Services: Foreign-Trade-Zones Board, U.S. Department of Commerce, Franklin Court Building - Suite 4100W, 1099 14th St. NW, Washington, D.C. 20005; or

2. Submissions Via the U.S. Postal Service: Foreign-Trade-Zones Board, U.S. Department of Commerce, FCB - Suite 4100W, 1401 Constitution Ave. NW, Washington, D.C. 20230.

The closing period for their receipt is September 26, 2005. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to October 11, 2005).

A copy of the application and accompanying exhibits will be available for public inspection at the Office of the Foreign-Trade Zones Board's Executive Secretary at the first address listed above, and at the U.S. Department of Commerce Export Assistance Center, 744 Broad Street, Suite 1505, Newark, NJ 07102.

Brass Sheet and Strip from Germany, Brazil, and France: Extension of Final Results of Expedited Sunset Reviews of the Antidumping and Countervailing Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for its final results in the expedited sunset reviews of the antidumping (AD) and countervailing duty (CVD) orders on brass sheet and strip from Germany (AD), Brazil (CVD), and France (CVD). As a result of this extension, the Department intends to issue final results of these sunset reviews on or about October 28, 2005.

DATES: EFFECTIVE DATE: July 27, 2005.

FOR FURTHER INFORMATION CONTACT:

Audrey Twyman at (202) 482-3534 (Germany), or Tipten Troidl at (202) 482-1767 (Brazil and France), Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Extension of Final Results:

On April 1, 2005, the Department initiated sunset reviews of the antidumping and countervailing duty orders on brass sheet and strip from Germany, Brazil, and France. See *Initiation of Five-Year (Sunset) Reviews*, 70 FR 16800 (April 1, 2005). Based on adequate responses from the domestic interested parties and inadequate responses from respondent interested parties, the Department is conducting expedited sunset reviews to determine whether revocation of the antidumping and countervailing duty orders on brass sheet and strip would lead to the continuation or recurrence of dumping or a countervailable subsidy. The Department's final results of these reviews were scheduled for August 1, 2005; however, the Department needs additional time for its analysis.

In accordance with section 751(c)(5)(B) of the Tariff Act of 1930, as amended ("the Act"), the Department

may extend the period of time for making its final determination in a sunset review by not more than 90 days, if it determines that the review is extraordinarily complicated. As set forth in 751(c)(5)(C)(v) of the Act, the Department may treat a sunset review as extraordinarily complicated if it is a review of a transition order. The sunset reviews subject to this notice are reviews of transition orders. Therefore, the Department has determined, pursuant to section 751(c)(5)(C)(v) of the Act, that the sunset reviews of the antidumping and countervailing duty orders on brass sheet and strip from Germany, Brazil, and France are extraordinarily complicated and require additional time for the Department to complete its analysis. Therefore, the Department will extend the deadlines in these proceedings, and, as a result, intends to issue the final results of the sunset reviews of the antidumping and countervailing duty orders of brass sheet and strip from Germany, Brazil, and France, on or about October 28, 2005, 90 days from the original scheduled date of the final results of these reviews.

This notice is issued and published in accordance with sections 751(c)(5)(B) and (C) of the Act.

Dated: July 20, 2005.

Acting Deputy Assistant Secretary for Import Administration.
