

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-52147; File No. SR-BSE-2005-28]

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change to Extend the Linkage Fee Pilot Program

July 28, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 27, 2005, the Boston Stock Exchange, Inc. ("BSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and is approving the proposal on an accelerated basis for a pilot period through July 31, 2006.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the fee schedule ("Fee Schedule") of the Boston Options Exchange, the options trading facility of the BSE ("BOX"), to extend until July 31, 2006, the current pilot program applicable to the option intermarket linkage ("Linkage") fees and to make some technical changes to the Fee Schedule. The text of the proposed fee schedule is available on the Exchange's Web site (<http://www.bostonstock.com>), at the offices of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange's fees for Principal ("P") and Principal Acting as Agent ("P/A") orders³ executed on BOX currently operate under a pilot program scheduled to expire on July 31, 2005.⁴ The Exchange proposes to extend the current pilot program for such Linkage fees through July 31, 2006. Currently, because all Linkage Orders received by BOX are for the account of a market maker on another exchange, the Linkage fees that are applicable to P and P/A Orders are the same as fees applicable to market makers on other exchanges that submit orders to BOX outside of the Linkage. The side of a BOX trade opposite an inbound P or P/A Order would be billed normally as any other BOX trade. Also, consistent with the Linkage Plan, no fees will be charged to a party sending a Satisfaction request ("S" order) to BOX. Rather, a fee will be charged to the BOX Options Participant that was responsible for the trade-through that caused the S order to be sent.

The Exchange believes that extending the Linkage fee pilot program until July 31, 2006 will give the Exchange and the Commission additional time and opportunity to evaluate the appropriateness of the Linkage fees.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁶ in particular, in that the proposed rule change provides for the equitable allocation of reasonable dues,

³ Under Chapter XII of the BOX Rules, a "Linkage Order" means an Immediate or Cancel order routed through the Linkage. There are three types of Linkage Orders:

(i) "P/A Order," which is an order for the principal account of a Market Maker (or equivalent entity on another Participant Exchange that is authorized to represent Public Customer orders), reflecting the terms of a related unexecuted Public Customer order for which the specialist is acting as agent;

(ii) "P Order," which is an order for the principal account of a market maker (or equivalent entity on another Participant Exchange) and is not a P/A Order; and

(iii) "Satisfaction Order," which is an order sent through the Linkage to notify a Participant Exchange of a Trade-Through and to seek satisfaction of the liability arising from that Trade-Through.

fees, and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Solicitation of Comments

IV. Commission's Findings and Order Granting Accelerated Approval of the Proposed Rule Change

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange,⁷ and, in particular, the requirements of Section 6(b) of the Act⁸ and the rules and regulations thereunder. The Commission finds that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁹ which requires that the rules of the Exchange provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Commission believes that the extension of the Linkage fee pilot until July 31, 2006 will give the Exchange and the Commission further opportunity to evaluate whether such fees are appropriate.

The Commission finds good cause, pursuant to Section 19(b)(2) of the Act,¹⁰ for approving the proposed rule change prior to the thirtieth day after publication of notice thereof in the **Federal Register**. The Commission believes that granting accelerated approval of the proposed rule change will preserve the Exchange's existing pilot program for Linkage fees without interruption as the Exchange and the Commission further consider the appropriateness of Linkage fees.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹¹ that the proposed rule change (SR-BSE-2005-28) is hereby approved on an accelerated basis for a pilot period to expire on July 31, 2006.

⁷ In approving this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

Self-Regulatory Organizations; National Association of Securities Dealers, Inc; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to NASD Rule 3370

July 27, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 20, 2005, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by NASD. NASD has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD is proposing to amend Rule 3370 to clarify that members must make certain affirmative determinations when effecting long sales and document compliance with those affirmative determination requirements. Below is the text of the proposed rule change. Proposed new language is in *italics*; proposed deletions are in brackets.

* * * * *

3370. [Purchases]*Prompt Receipt and Delivery of Securities*

(a) Purchases

No member or person associated with a member may accept a customer's purchase order for any security unless it

has first ascertained that the customer placing the order or its agent agrees to receive securities against payment in an amount equal to any execution, even though such an execution may represent the purchase of only a part of a larger order.

(b) Long Sales

No member or person associated with a member shall accept a long sale order from any customer in any equity security unless the order meets the requirements applicable to long sales set forth in Regulation SHO. To the extent a member or person associated with a member does not have physical possession or control of the securities, the member or person associated with a member must document, at the time the order is taken, the communication with the customer as to the present location of the securities in question, whether they are in good deliverable form and the customer's ability to deliver them to the member by settlement date. For purposes of this rule, the term "customer" includes a non-member broker-dealer.
