Fourth and Fifth Years of Project:

In deciding whether to continue a project for the fourth and fifth years, the Secretary will consider the requirements of 34 CFR 75.253(a) for continuation awards.

The Secretary will also consider the following:

(b) The timeliness and effectiveness with which all requirements of the award have been or are being met by the project.

(c) Evidence of the degree to which the project's activities have contributed to changed practices and improved quality of interpreters.

(d) Evidence of the degree to which the project's activities have served each State within its designated geographic region.

Priority 3—Programs Offering at Least a Bachelor's Degree in Interpreter Education

Within the existing priority from 34 CFR 396.33, we are establishing a priority to support applications from postsecondary institutions that offer and have awarded at least a bachelor's degree in interpreter education.

2. *Review and Selection Process:* As required by 34 CFR 396.32, an additional factor we consider in selecting an application for an award under 84.160A for the Regional Interpreter Education Centers is the geographical location of the applicant that can best carry out the purposes of this program.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The Government Performance and Results Act of 1993 (GPRA) directs Federal departments and agencies to improve the effectiveness of their programs by engaging in strategic planning, setting outcome-related goals for programs, and measuring program results against those goals. The goal of the Training of Interpreters for Individuals Who Are Deaf or Hard of Hearing and Individuals Who Are Deaf-Blind program is to establish interpreter training programs or to assist ongoing training programs to train a sufficient number of qualified interpreters in order to meet the communications needs of individuals who are deaf or hard of hearing and individuals who are deaf-blind.

As required by the priorities, grantees must develop and implement program quality indicators and measure their performance against these indicators. In addition, the Rehabilitation Services Administration (RSA) will use the following indicators for the Training of Interpreters for Individuals Who Are Deaf or Hard of Hearing and Individuals Who Are Deaf-Blind National Interpreter Education Center project:

(a) The percentage of interpreter educators receiving educational opportunities (based on the model curriculum developed for interpreter educators under Grant Number H160C030001) from the National Center and who successfully completed those opportunities as demonstrated through pre- and post-activity assessments, the development of portfolios, etc.

(b) The extent to which the educational activities and products for delivery through the five proposed Regional Interpreter Education Centers meet the clear, measurable goals that the grantee is required to establish.

(c) A listing of organizations and individuals that received information related to the activities of this project and the Regional Interpreter Education Center projects.

(d) The degree to which the project's activities have contributed to changed practices and improved the quality of interpreters.

RSA will use the following indicators for each of the Training of Interpreters for Individuals Who Are Deaf or Hard of Hearing and Individuals Who Are Deaf-Blind Regional Interpreter Education Center projects:

(a) A listing of all formal relationships with Local Partner Networks across the region.

(b) The percentage of interpreters at all skill levels receiving educational opportunities by the Regional Interpreter Education Center who successfully completed those opportunities as demonstrated through pre- and post-activity assessments, the development of portfolios, the completion of mentoring goals, the attainment of interpreter certification, etc.

(c) The degree to which the project's activities have contributed to changed practices and improved the quality of interpreters.

(d) The degree to which the project's activities have served each State within its designated geographic region.

Each grantee must report annually to RSA on these indicators through their annual performance report.
