In this regard, NCTD has advanced the design and construction of the SPRINTER rail line towards implementation and in the process, has identified the following additional regulations from which it hereby seeks waivers: 49 CFR part 223 Safety Glazing Standards—Locomotives, Passenger Cars and Caboose, Section 223.9(c), and part 229 Railroad Locomotive Safety Standards, Section 229.125(a).

As a result of the comments received by FRA concerning this waiver petition, FRA has determined that a public hearing is necessary before a final decision is made on this petition. A public hearing was originally scheduled for July 27, 2005. However, due to the unavailability of some of the interested parties, FRA opened the public hearing and announced that a second public hearing would be scheduled in this matter. Accordingly, a public hearing is set to begin at 9:30 a.m. on September 14, 2005, in Rooms 4438 and 4440 at the Department of Transportation Headquarters Nassif Building, 400 7th Street, SW., Washington, DC 20590. Interested parties are invited to present oral statements at this hearing.

The hearing will be informal and conducted in accordance with FRA's Rules of Practice (49 CFR part 211.25) by a representative designated by FRA. FRA's representative will make an opening statement outlining the scope of the hearing, as well as any additional procedures for the conduct of the hearing. The hearing will be a non-adversarial proceeding in which all interested parties will be given the opportunity to express their views regarding this waiver petition without cross-examination. After all initial statements have been completed, those persons wishing to make a brief rebuttal will be given an opportunity to do so in the same order in which initial statements were made. Additional procedures, if necessary for the conduct of the hearing, will be announced at the hearing.

In addition, FRA is extending the comment period in this proceeding until September 23, 2005. FRA reserves the right to announce a further extension of the comment period for the purpose of receiving post-hearing submissions should that appear appropriate in the judgment of the Board based on testimony received at the public hearing.

[Docket Number 2005 22107]

Requested Administrative Waiver of the Coastwise Trade Laws

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Invitation for public comments on a requested administrative waiver of the Coastwise Trade Laws for the vessel VIKING IV.

SUMMARY: As authorized by Pub. L. 105-383 and Pub. L. 107-295, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a brief description of the proposed service, is listed below. The complete application is given in DOT docket 2005-22107 at <http://dms.dot.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with Pub. L. 105-383 and MARAD's regulations at 46 CFR part 388 (68 FR 23084; April 30, 2003), that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

DATES: Submit comments on or before September 15, 2005.

ADDRESSES: Comments should refer to docket number MARAD-2005 22107.
