

particular method employed to match these orders, all Eligible Orders would be matched at the opening price immediately following the New York opening.

Further, the Exchange proposes to delete existing language in Phlx Rule 229, Supplementary Material .10(b), relating to the size of market and limit orders and the receipt time required to receive the New York opening price as the treatment of such orders will be covered in Supplementary Materials .06 and .10(a). Finally, the Exchange proposes to delete Supplementary Material .11 of Phlx Rule 229, relating to the refusal of orders, as the Phlx believes that specialists today have sufficient methods available to them to manage the risk associated with orders received before the opening.

2. Statutory Basis

The Exchange believes that its proposal, as amended, is consistent with Section 6(b) and Section 11A(a)(1)(C) of the Act¹³ in general, and furthers the objectives of Section 6(b)(5) and Section 11A(a)(1)(C)(v) of the Act¹⁴ in particular, in that it should promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market, and protect investors and the public interest by increasing the number of investors' orders that are executed at the opening without the participation of a dealer.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

- (B) institute proceedings to determine whether the proposed rule change, as amended, should be disapproved.

SUPPLEMENTARY INFORMATION:

Description of the SBDC Program

A partnership exists between SBA and an SBDC. SBDCs offer training, counseling and other business development assistance to small businesses. Each SBDC provides services under a negotiated Cooperative Agreement with the SBA. SBDCs operate on the basis of a state plan to provide assistance within a state or geographic area. The initial plan must have the written approval of the Governor. Non-Federal funds must match Federal funds. An SBDC must operate according to law, the Cooperative Agreement, SBA's regulations, the annual Program Announcement, and program guidance.

Program Objectives

The SBDC program uses Federal funds to leverage the resources of states, academic institutions and the private sector to:

- (a) Strengthen the small business community;
- (b) Increase economic growth;
- (c) Assist more small businesses; and
- (d) Broaden the delivery system to more small businesses.

SBDC Program Organization

The lead SBDC operates a statewide or regional network of SBDC service centers. An SBDC must have a full-time Director. SBDCs must use at least 80 percent of the Federal funds to provide services to small businesses. SBDCs use volunteers and other low cost resources as much as possible.

SBDC Services

An SBDC must have a full range of business development and technical

assistance services in its area of operations, depending upon local needs, SBA priorities and SBDC program objectives. Services include training and counseling to existing and prospective small business owners in management, marketing, finance, operations, planning, taxes, and any other general or technical area of assistance that supports small business growth.

The SBA district office and the SBDC must agree upon the specific mix of services. They should give particular attention to SBA's priority and special emphasis groups, including veterans, women, exporters, the disabled, and minorities.

SBDC Program Requirements

An SBDC must meet programmatic and financial requirements imposed by statute, regulations or its Cooperative Agreement. The SBDC must:

- (a) Locate service centers so that they are as accessible as possible to small businesses;
- (b) Open all service centers at least 40 hours per week, or during the normal business hours of its state or academic Host Organization, throughout the year;
- (c) Develop working relationships with financial institutions, the investment community, professional associations, private consultants and small business groups; and
- (d) Maintain lists of private consultants at each service center.

Dated: August 10, 2005.

Antonio Doss,

Associate Administrator for Small Business Development Centers.
