

interpretation, section and chapter notes and the texts of the headings and subheadings) that will further the above goals. No proposals for changes to the national-level provisions (which include U.S. 8-digit subheadings, statistical annotations and rates of duty) will be considered by the Commission as a part of this review. Interested parties, associations and government agencies should submit specific language for proposed amendments to the Harmonized System together with appropriate descriptive comments and, to the extent available, trade data.

As part of this review, the Commission particularly invites proposals concerning the following matters:

- The deletion of HS headings or subheadings with low trade volume,
- The identification of new products important in international trade,
- The simplification of the HS, *e.g.*, by the elimination of classification provisions which are difficult to administer.

As mentioned above, no proposals for changes to the Explanatory Notes or national-level provisions (including Additional U.S. Notes, U.S. 8-digit subheadings, statistical annotations and rates of duty) will be considered by the Commission as a part of this review. The changes in the international HS that will result from this review cycle will not necessarily affect tariff rates for products imported into the United States; as with the first three HS review cycles, the USITC plans to eventually develop a set of proposed HTS changes that will align the HTS on the international HS changes, pursuant to sec. 1205 of the 1988 Act.

This Notice is not soliciting proposals for changes to the HS Explanatory Notes. However, requests for changes to the existing Explanatory Notes (not arising from changes in the HS itself) may be sent by a government directly to the Harmonized System Committee (the parent committee to the RSC) at any time; government and private sector parties interested in such action internationally should separately contact the above-mentioned parties at the USITC or the following at the Bureau of Customs and Border Protection: Myles Harmon, Director, Commercial Rulings Division, 202-572-8860 or Gail Hamil, Director, International Nomenclature Staff, 202-572-8813.

**Written Submissions:** Interested persons are invited to submit written proposals. All submissions should be addressed to the Secretary, United States International Trade Commission, 500 E St. SW., Washington, DC 20436,

and should be received no later than the close of business October 14, 2005. All written submissions must conform with the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8). Section 201.8 of the rules requires that a signed original (or a copy designated as an original) and fourteen (14) copies of each document be filed. In the event that confidential treatment of the document is requested, as least four (4) additional copies must be filed in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules do not authorize filing submissions with the Secretary by facsimile or electronic means except as permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, [http://hotdocs.usitc.gov/pubs/handbook\\_on\\_electronic\\_filing.pdf](http://hotdocs.usitc.gov/pubs/handbook_on_electronic_filing.pdf)).

Any submissions that contain confidential business information must conform with the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for CBI, will be made available in the Office of the Secretary to the Commission for inspection by interested parties. CBI received by the Commission in this investigation will not be released to other government agencies or the public in a manner that would reveal the operations of the firm supplying the information.

Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000.
