SUPPLEMENTARY INFORMATION:

Background. On September 7, 2005, the Commission determined that the domestic interested party group response to its notice of institution (70 FR 31537, June 1, 2005) of the subject five-year review was adequate and that the respondent interested party group

response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.²

Staff report. A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on October 6, 2005, and made available to persons on the Administrative Protective Order service list for this review. Comments are due on or before October 12, 2005 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by October 12, 2005. However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic

² Commissioner Pearson dissented and Commissioner Aranoff did not participate.

³ The Commission has found the responses submitted by Diamond Sparkler Manufacturing Co., Inc. and Elkton Sparkler Co., Inc. to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.
