

licenses required by Section 742.7 of the Regulations.

11. 20 Violations of 15 CFR 764.2(e)—Selling Fingerprint Imaging Equipment and Fingerprint Powder without the Required License: On the same 20 occasions described above, Carrington sold fingerprint imaging equipment or fingerprint powder, items classified under ECCNs 3A981 or 1A985 respectively, to Hong Kong with knowledge that a violation of the Regulations was about to occur in connection with the items. At all times relevant hereto, Carrington knew or should have known that a Department of Commerce license was required to export the fingerprint imaging equipment and sold the items knowing that the required license had not or would not be obtained.

12. 12 Violations of 15 CFR 764.2(g)—False Statements of Fact on Export Control Documents: On 12 of the 20 occasions described above, Carrington filed or caused to be filed SEDs, export control documents as defined in Section 772.1 of the Regulations, with the U.S. Government through the Automated Export System (“AES”) stating that no license was required for the export. These statements were false because, as described in charges 130–149, licenses were required for the export of fingerprint imaging equipment to Hong Kong.

Whereas, BIS and Carrington have entered into a Settlement Agreement pursuant to Section 766.18(a) of the Regulations whereby they agreed to settle this matter in accordance with the terms and conditions set forth therein, and

Whereas, I have approved the terms of such Settlement Agreement;

It Is Therefore Ordered:

First, for a period five years from the date of entry of the Order, John H. Carrington, 2316 Wakefield Plantation Drive, Raleigh, North Carolina 27614, and when acting for or on behalf of Carrington, his representatives, agents, assigns, or employees (“Denied Person”) may not participate, directly or indirectly, in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

A. Applying for, obtaining, or using any license, License Exception, or export control document;

B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding,

transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or

C. Benefiting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

Second, that no person may, directly or indirectly, do any of the following:

A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;

B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;

D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or

E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

Third, that, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any person, firm, corporation, or business organization related to Carrington by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of the Order.

Fourth, that this Order does not prohibit any export, reexport, or other transaction subject to the Regulations

where the only items involved that are subject to the Regulations are the foreign-produced direct product of U.S.-origin technology.

Fifth, that the proposed charging letter, the Settlement Agreement, and this Order shall be made available to the public.

Sixth, that this Order shall be served on the Denied Person and shall be published in the **Federal Register**.

This Order, which constitutes the final agency action in this matter, is effective upon publication in the **Federal Register**.

Entered this 22nd day of September 2005.

Wendy L. Wysong,

Deputy Assistant Secretary of Commerce for Export Enforcement.
