

Exchange has requested that the Commission waive the 30-day operative delay specified in Rule 19b-4(f)(6), so that all options traded on the indexes can be treated uniformly.¹³

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest.¹⁴ Specifically, the Commission believes that the Phlx's proposal raises no new issues or regulatory concerns that the Commission did not consider in approving a similar proposal of a two-for-one split.¹⁵ Additionally, the Commission notes that the Exchange will continue to employ its surveillance procedures and has proposed an orderly procedure to achieve the Index split, including adequate prior notice to market participants. For these reasons, the Commission designates that the proposal become operative immediately.

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an E-mail to rule-comments@sec.gov. Please include File Number SR-Phlx-2005-50 on the subject line.

Paper comments

- Send paper comments in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-9303.

¹³ The Exchange plans to issue a memorandum to membership announcing an effective date of the split that is prior to expiration of the 30-day operative period. Telephone conversation between Jurij Trypupenko, Director, Phlx, and Florence Harmon, Senior Special Counsel, Commission, on September 26, 2005.

¹⁴ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

¹⁵ See *supra*, note 8.

All submissions should refer to File Number SR-Phlx-2005-50. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 100 F Street, NE., Washington, DC 20549. Copies of this filing also will be available for inspection and copying at the principal office of the Phlx. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions.
