SUPPLEMENTARY INFORMATION:

Background

The Howard E. Bauman Award is named to honor Dr. Howard E. Bauman, who was widely recognized for his pioneering efforts to develop the Hazard Analysis and Critical Control Point (HACCP) food safety system. HACCP is a preventative system that is designed to reduce the occurrence and numbers of pathogenic microorganisms on foods, particularly meat and poultry products, reduce the incidence of foodborne illness associated with consumption of those products, and provide a framework for modernization of the meat and poultry inspection system.

Since its full implementation in 2000, HACCP has been the foundation of the inspections that are performed daily by FSIS inspection program personnel at approximately 6,300 Federal meat and poultry establishments in the United States. The Howard E. Bauman Award is the highest food safety honor presented by FSIS. The non-monetary award was first presented posthumously in 2002 to Dr. Bauman. His daughter accepted the award on his behalf. In 2004, the award was presented to Dr. Dell Allen of Cargill, Incorporated, for his innovations and contributions to the meat and poultry industry in the area of food safety.

Eligibility Criteria

To be eligible for nomination, the candidate must meet the following criteria:

- *Citizenship.* Any U.S. citizen or citizens may be nominated.
- *Improving Food Safety.* The nominee's contribution must have significantly improved food safety and public health or have advanced the state of science toward that goal. The improvement need not be limited to the arena of meat, poultry, and egg products. The achievement may be of service to all citizens and should be described in terms meaningful to the lay person.
- *Longstanding Commitment, Leadership, and Service.* The nominee

overcame challenges or collaborated with others to achieve the food safety improvement described above.

- *Length.* The narrative portion of the submitted nomination should not exceed two typed, single-spaced pages on standard 8.5x11 size paper using a font size of at least 12, in a style similar to Times New Roman style, and a one-inch margin. - *Nominator.* Any person or organization may nominate a person or persons for the award. Nominations submitted anonymously will not be considered. Nominations for the award will be reviewed by the Nomination Review Committee appointed by the Under Secretary for Food Safety and the Administrator of FSIS. The committee will rank all nominations that meet the basic criteria and forward its recommendations to the Under Secretary and Administrator. They will make the final determination of the recipient of the 2005 Howard E. Bauman Award, who will then be notified in writing. A ceremony will be held to present the 2005 award.
