

manual must include information about the operation and do's and don'ts of built-in child seats.

Part 575 Section 103, "Camper loading." This standard requires that manufacturers of slide-in campers designed to fit into the cargo bed of pickup trucks affix a label to each camper that contains information relating to certification, identification and proper loading, and to provide more detailed loading information in the owner's manual of the truck.

Part 575 Section 105, "Utility vehicles." This regulation requires manufacturers of utility vehicles to alert drivers that the particular handling and maneuvering characteristics of utility vehicles require special driving practices when these vehicles are operated on paved roads. For example, the vehicle owner's manual is required to contain a discussion of vehicle design features that cause this type of vehicle to be more likely to roll over, and to include a discussion of driving practices that can reduce the risk of roll over. A statement is provided in the regulation that manufacturers shall include, in its entirety or equivalent form, in the vehicle owner's manual.
