### Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the Department's regulations regarding sunset reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department's sunset Internet Web site at the following address: <http://ia.ita.doc.gov/sunset/>.

All submissions in these sunset reviews must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303. Also, we suggest that parties check the Department's sunset website for any updates to the service list before filing any submissions. The Department will make additions to and/or deletions from the service list provided on the sunset website based on notifications from parties and participation in these reviews. Specifically, the Department will delete from the service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review can be very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

### Information Required From Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these sunset reviews must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate. The required contents of the

notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the orders without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that all parties wishing to participate in the sunset review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of sunset reviews.<sup>1</sup> Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Dated: February 23, 2005.

<sup>1</sup> In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

("Hylsa"), two Mexican manufacturers of circular welded non-alloy steel pipe, the Department of Commerce ("the Department") initiated an administrative review of the antidumping duty order on circular welded non-alloy steel pipe from Mexico. See 69 FR 77181. This administrative review covered the period of November 1, 2003, through October 31, 2004. We are now rescinding this review as a result of both respondents' withdrawal of their request for an administrative review.

**DATES:** Effective Date: March 1, 2005.

**FOR FURTHER INFORMATION CONTACT:** John Drury or Abdelali Elouaradia, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Room 7866, Washington, DC 20230; telephone (202) 482-0195 or (202) 482-1374, respectively.

#### Background

The Department published an antidumping duty order on circular welded non-alloy steel pipe from Mexico on November 2, 1992. See Notice of Antidumping Duty Orders: Certain Circular Welded Non-Alloy Steel Pipe from Brazil, the Republic of Korea ("Korea"), Mexico, and Venezuela and Amendment to Final Determination of Sales at Less Than Fair Value: Certain Welded Non-Alloy Steel Pipe from Korea, 57 FR 49453 (November 2, 1992). of November 1, 2003, through October 31, 2004, on November 1, 2004. *See* 69 FR 63359. Respondents NDN and Hylsa both requested that the Department conduct an administrative review of the antidumping duty order on circular welded non-alloy steel pipe from Mexico on November 30, 2004. In response to these requests, the Department published the initiation of the antidumping duty administrative review on circular welded non-alloy steel pipe from Mexico on December 27, 2004. *See* Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, 69 FR 77181 (December 27, 2004). The Department received requests for withdrawal from the administrative review from NDN on January 7, 2005, and from Hylsa on February 8, 2005. The requests for review submitted by NDN and Hylsa, respectively, were the only requests for administrative review of this order for the period November 1, 2003, through October 31, 2004.

#### Rescission of the Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. Since all of the parties who initially requested an administrative review, NDN and Hylsa, have withdrawn their requests in a timely manner, we are rescinding this review. The Department will issue appropriate assessment instructions to U.S. Border and Customs Protection within 15 days of publication of this notice.

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

#### Notice of Preliminary Results of New Shipper Review of the Antidumping Duty Order on Certain Pasta From Italy

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** In response to a request by Atar, S.r.L. ("Atar"), the Department of Commerce ("the Department") is conducting a new shipper review of the antidumping duty order on certain pasta ("pasta") from Italy for the period of review ("POR") July 1, 2003 through June 30, 2004. We preliminarily determine that during the POR, Atar did not sell subject merchandise at less than normal value ("NV"). Much of the information upon which we relied to analyze the *bona fides* of Atar's sales to the United States is business proprietary, therefore our full analysis is set forth in the *Memorandum to Barbara E. Tillman, Acting Deputy Assistant Secretary for Import Administration, Pasta from Italy: New Shipper Review of Atar S.r.L. (Atar)*, dated February 22, 2005 (*Atar Memo*), which is on file in the Central Records Unit ("CRU"), room B-099 of the main Commerce Building. Interested parties are invited to comment on these preliminary results.

If these preliminary results are adopted in the final results of this new shipper review, we will instruct U.S. Customs and Border Protection ("CBP") to liquidate without regard to antidumping duties.

**DATES:** *Effective Date:* March 1, 2005.

**FOR FURTHER INFORMATION CONTACT:** Dennis McClure or Maura Jeffords, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5973 or (202) 482-3146, respectively.
