Submission for OMB Review; Comment Requested

Extension:

Rule 15g-6, SEC File No. 270-349 and OMB Control No. 3235-0395.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collection of information discussed below.

Rule 15g-6—Account Statements for Penny Stock Customers

Rule 15g-6 (17 CFR 240.15g-6) under the Securities Exchange Act of 1934 requires brokers and dealers that sell penny stocks to their customers to provide monthly account statements containing information with regard to the penny stocks held in customer accounts. The information is required to be provided to customers of broker-dealers that effect penny stock transactions in order to provide those customers with information that is not now publicly available. Without this information, investors would be less able to protect themselves from fraud and to make informed investment decisions.

The staff estimates that there are approximately 240 broker-dealers that are subject to the rule. The staff estimates that the firms affected by the rule will, at any one time, have approximately 150 new customers with whom they have effected transactions in penny stocks, each of whom would receive a maximum of 12 account statements per year, for a total of 1,800 account statements annually for each firm (150 customers × 12 account statements/customer). The staff estimates that a broker-dealer would expend approximately three minutes in processing the information required for each account statement. Accordingly, the estimated average annual burden would equal 90 hours (1,800 account statements × 3 minutes/60 minutes = 90 hours), and the estimated average total burden would equal 21,600 hours (90 hours × 240).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Securities and

Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312, or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to the Office of Management and Budget within 30 days of this notice.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549

Extension:

Rule 19a-1, SEC File No. 270-240 and OMB Control No. 3235-0216.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collection of information discussed below.

Section 19(a) (15 U.S.C. 80a-19(a)) of the Investment Company Act of 1940 (the "Act") makes it unlawful for any registered investment company to pay any dividend or similar distribution from any source other than the company's net income, unless the payment is accompanied by a written statement to the company's shareholders which adequately discloses the sources of the payment. Section 19(a) authorizes the Commission to prescribe the form of such statement by rule.

Rule 19a-1 (17 CFR 270.19a-1) under the Act, entitled "Written Statement to Accompany Dividend Payments by Management Companies," sets forth specific requirements for the information that must be included in statements made pursuant to section 19(a) by or on behalf of management companies.¹ The rule requires that the statement indicate what portions of distribution payments are made from net income, net profits and paid-in capital. When any part of the payment

¹ Section 4(3) of the Act [15 U.S.C. 80a-4(3)] defines "management company" as "any investment company other than a face amount certificate company or a unit investment trust."

is made from net profits, rule 19a-1 also requires that the statement disclose certain other information relating to the appreciation or depreciation of portfolio securities. If an estimated portion is subsequently determined to be significantly inaccurate, a correction must be made on a statement made pursuant to section 19(a) or in the first report to shareholders following the discovery of the inaccuracy.

The purpose of rule 19a-1 is to afford fund shareholders adequate disclosure of the sources from which distribution payments are made. The rule is intended to prevent shareholders from confusing income dividends with distributions made from capital sources. Absent rule 19a-1, shareholders might receive a false impression of fund gains.

Based on a review of filings made with the Commission, the staff estimates that approximately 3000 portfolios of registered investment companies that are management companies may be subject to rule 19a-1 each year, and that each portfolio on average mails two statements per year to meet the requirements of the rule.² The staff further estimates that the time needed to make the determinations required by the rule and to prepare the statement required under the rule is approximately 1.5 hours per statement. The total annual burden for all portfolios therefore is estimated to be approximately 9,000 burden hours.

The staff estimates that approximately one-third of the total annual burden (3,000 hours) would be incurred by a senior administrative officer with an average hourly wage rate of approximately \$158 per hour, and approximately two-thirds of the annual burden (6,000 hours) would be incurred by senior clerical staff with an average hourly wage rate of \$25 per hour.³ The staff therefore estimates that the aggregate annual cost of complying with the paperwork requirements of the rule is approximately \$624,000 ((3,000 hours × \$158) + (6,000 hours × \$25)).

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. Compliance

with the collection of information required by rule 19a-1 is mandatory for management companies that make written statements to shareholders pursuant to section 19(a) of the Act. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312, or send an e-mail to PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: April 6, 2006.

Secretary.
