

generate off-setting revenue for the Exchange or send orders to the Exchange. The Exchange also incurs administrative costs, such as costs incurred in conducting reviews of individuals with prior disciplinary history. Replacing the initial off-floor trader registration fee and the annual off-floor trader fee with a monthly off-floor examination fee allows the Exchange to bill member organizations in monthly increments, which should more closely align the number of off-floor traders that are registered with the Exchange with the fee being charged. Replacing such fees with the proposed monthly off-floor examination fee should therefore allow the Exchange to more accurately charge those applicable off-floor traders and help off-set those costs associated with such examinations, monitoring, and reviews. This proposal is scheduled to become effective on April 1, 2006.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁸ in particular, because it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among members of the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Phlx has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and Rule 19b-4(f)(2)¹⁰ thereunder. Accordingly, the proposed rule change is effective upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily

abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹¹
