FOR FURTHER INFORMATION CONTACT: Clayton Napier at U.S. Fish and Wildlife Service Austin office, 10711 Burnet Road, Suite 200, Austin, Texas 78758, (512) 490-0057 or by e-mail, Clayton_Napier@fws.gov.

SUPPLEMENTARY INFORMATION: The Applicant has applied to the Service for a section 10(a)(1)(B) incidental take permit for a period of five years in order to authorize incidental take of the Houston toad.

Section 9 of the Act prohibits the "taking" of endangered species such as the Houston toad. However, the Service, under limited circumstances, may issue permits to take endangered wildlife species incidental to, and not the purpose of, otherwise lawful activities.

We provide this notice under section 10(c) of the Act (16 U.S.C. 1531 *et seq.*) and its implementing regulations (50 CFR 17.22), and the National Environmental Policy Act (42 U.S.C. 4371 *et seq.*) and its implementing regulations (40 CFR 1506.6).

Applicant: The Applicant plans to construct a single family residence, guest home, and associated structures on a 14.049-acre property located on Park 1-C, Bastrop County, Texas. This action will eliminate 0.5 acres of Houston toad habitat and result in indirect impacts within the lot. The Applicant proposes to compensate for incidental take of the Houston toad by providing \$2,000.00 to the Houston Toad Conservation Fund at the National Fish and Wildlife Foundation for the specific purpose of land acquisition and management within Houston toad habitat.

Richard McDonald,

Acting Regional Director, Region 2, Albuquerque, New Mexico.

Notice of Availability of Travel Map, Challis Field Office

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management (BLM) announces the availability of a map depicting existing roads, vehicle ways, and trails on public lands managed by the BLM Challis Field Office. The map implements the Challis Resource Management Plan (RMP, 1999) limiting vehicle travel to existing roads, ways, and trails. Additionally, the production of this map is the first step in the process of implementing a Comprehensive Travel Management Plan, also required by the Challis RMP.

SUPPLEMENTARY INFORMATION: The BLM Challis Field Office manages nearly 800,000 acres of public lands, principally in Custer County, Idaho. The Challis Field Office completed its RMP in 1999, which limited vehicle travel to existing roads, ways, and trails, and recommended that the Field Office complete a Comprehensive Travel Management Plan to administer all aspects of motorized and non-motorized travel in the field office through a system of designated routes. The publication of a map showing existing roads, vehicle ways, and trails is the first step in completing the Comprehensive Travel Management Plan.

Any travel off these designated routes would be considered to be travel in a closed area and would be a violation of 43 CFR 8341.1(c).

No decision is required for the publication of the map, but the map will help implement the RMP's Record of Decision. BLM will be seeking further public input regarding the present disposition and future development of the existing roads and trails through the course of developing the Comprehensive Travel Management Plan.

ADDRESSES: Copies of the map are available for the public by contacting the BLM Challis Field Office, 801 Blue
