**INTERNATIONAL TRADE  
COMMISSION**

[Investigation No. 332-475]

**Probable Effect of Proposed  
Definitions for Certain Baby Socks**

**AGENCY:** United States International  
Trade Commission.

**ACTION:** Institution of investigation and  
request for public comments.

**DATES:** *Effective Date:* June 5, 2006.

**SUMMARY:** Following receipt of a request  
from the United States Trade  
Representative (USTR) on May 26, 2006,  
the Commission instituted investigation  
No. 332-475, Probable Effect of  
Proposed Definitions for Certain Baby  
Socks, under section 332(g) of the Tariff  
Act of 1930 (19 U.S.C. 1332(g)).

**FOR FURTHER INFORMATION CONTACT:**  
Project Leader, Mrs. Jackie Jones, Office  
of Industries (202-205-3466;  
[jackie.jones@usitc.gov](mailto:jackie.jones@usitc.gov)). For information  
on legal aspects, contact William  
Gearhart of the Office of the General  
Counsel (202-205-3091;  
[william.gearhart@usitc.gov](mailto:william.gearhart@usitc.gov)). The media  
should contact Margaret O'Laughlin,  
Office of External Relations (202-205-  
1819; [margaret.olaughlin@usitc.gov](mailto:margaret.olaughlin@usitc.gov)).

**Background:** In his letter, the USTR  
requested that the Commission provide  
advice as to the probable effect of each  
of two proposed definitions for babies'  
booties on U.S. imports from China, on  
total U.S. imports, and on domestic  
producers of the affected articles. In an  
attachment to the request letter, the  
USTR provided two proposed  
definitions for babies' booties  
classifiable in heading 6111 of the

Harmonized Tariff Schedule of the  
United States (HTS), as follows:

**Proposed Definition Number One**

For purposes of heading 6111, babies'  
booties are knitted or crocheted foot  
coverings without an applied sole glued,  
sewn or otherwise affixed to the upper.  
These articles have bulky  
embellishments, such as rattles or other  
attachments, which preclude wearing  
inside of footwear.

**Proposed Definition Number Two**

For purposes of heading 6111, babies'  
booties are knitted or crocheted foot  
coverings without an applied sole glued,  
sewn or otherwise affixed to the uppers.  
These articles have embellishments,  
such as rattles, lace, appliques, skid-  
proofing or kick-proofing properties.

As requested, the Commission will  
submit its advice to the USTR at the  
earliest possible date, but not later than  
3 months following receipt of the letter,  
or by August 25, 2006. Also as  
requested, the Commission will issue, as  
soon as possible thereafter, a public  
version of the report with any business  
confidential information deleted.

In the request letter, the USTR  
referred to the *Memorandum of  
Understanding Between the  
Governments of the United States of  
America and the People's Republic of  
China Concerning Trade in Textile and  
Apparel Products* ("MOU"), which  
entered into force on January 1, 2006,  
and established annual quantitative  
restraints on U.S. imports of certain  
textile and apparel products originating  
in China through 2008. In the request  
letter, the USTR stated that one such  
quantitative restraint covers category  
332/432/632 (hosiery of cotton wool,  
and manmade fibers), and includes a  
sublimit on category 332/432/632—part.  
According to the request letter and the  
MOU, the quantitative restraint and  
sublimit on hosiery from China also  
cover the babies' socks and booties of  
heading 6111 (category 239).

**Written Submissions:** No public  
hearing is planned. However, interested  
parties are invited to submit written  
statements concerning the matters to be

be made available in the Office of the  
Secretary to the Commission for  
inspection by interested parties.

The Commission may include some or  
all of the confidential business  
information submitted in the course of  
this investigation in the report it sends  
to the USTR and the President. As  
requested by the USTR, the Commission  
will publish a public version of the  
report. However, in the public version,  
the Commission will not publish  
confidential business information in a  
manner that would reveal the operations  
of the firm supplying the information.
