[Docket NARA-06-0007]

Changes in NARA Research Room and Museum Hours

AGENCY: National Archives and Records Administration (NARA).

ACTION: Interim final rule; request for comment.

SUMMARY: NARA is revising its regulations with respect to research room and museum hours at its facilities in the Washington, DC, area. The operating costs for these facilities have been increasing every year, particularly for staffing, security services and utilities. In these times of fiscal restraint, NARA has determined reluctantly that it is necessary to curtail service during time frames when only a small percentage of our users are present to ensure that we are able to provide quality services to customers during the times of greatest public use while we are also conducting other mission-critical duties. This regulation will affect individuals who use our archival research rooms in the National Archives Building and National

Archives at College Park facility, and individuals who visit the National Archives Experience and the Rotunda exhibits in the National Archives Building. This rule also makes minor edits to related provisions, which are discussed in the **SUPPLEMENTARY INFORMATION** section, and adds the archival research room at the National Personnel Records Center to our list of research facilities.

DATES: This interim final rule is effective October 2, 2006. Comments on this interim final rule must be received by September 8, 2006 at the address shown below. NARA intends to publish any changes to the rule resulting from this comment period before the October 2, 2006 effective date.

A public meeting on this interim final rule will be held on August 3, 2006 at 1 p.m. See the **ADDRESSES** paragraph for additional information.

ADDRESSES: NARA invites interested persons to submit comments on this interim final rule. Comments may be submitted by any of the following methods:

SUPPLEMENTARY INFORMATION: A discussion of the changes we are making in this rule follows.

Research Room Hours in DC Area Facilities

Our research center and Central Research Room in the National Archives Building and the research rooms at the National Archives at College Park facility are currently open for research Monday through Friday from 8:45 a.m. to 5 p.m.; on Tuesday, Thursday and Friday evenings from 5 p.m. to 9 p.m.; and Saturdays from 8:45 a.m. to 4:45 p.m. This interim final rule would eliminate Saturday hours and change the research room hours to 9 a.m. to 5 p.m. on weekdays, more closely reflecting NARA official business hours in those facilities. The new research room hours are specified in §§ 1253.1(a) and 1253.2(b). We are also amending § 1253.8 since we no longer will have Saturday hours.

During the evening and Saturday hours we must provide staff to supervise the seven research rooms and assist researchers. We also require additional security guard presence and incur additional utility costs because the buildings are open to the public. We determined that carrying out the necessary reduction in hours by eliminating evening and Saturday hours would inconvenience the fewest researchers. Researchers who conduct research in original archival records in the evening or on Saturday currently must make a reference request in-person before 3:30 on weekdays to have the records identified and retrieved from the stack areas for their research use; no records are retrieved during those extended hours. NARA had 96,393 researcher visits in FY 2005 in our DC area research rooms. The following charts show that at both facilities, significantly fewer researchers used the research rooms during evening and Saturday hours in FY 2005:

Research Room Hours in Regional Archives

Our regulations only list the core Monday–Friday hours for NARA's regional archives (Tuesday–Saturday hours for the Southeast Region in Morrow, GA) in 36 CFR 1253.7, which are not changing. Currently, most of our regional archives research rooms also are open one evening per week and/or certain Saturdays of the month primarily for microfilm research. Researchers who conduct research in original archival records in the evening or on Saturday must make a reference request in-person before 3:30 on weekdays to have the records identified and retrieved from the stack areas for their research use; no records are retrieved during those extended hours. The extended hours, which are subject to more frequent modification, are listed on the NARA Web site (<http://www.archives.gov>) and posted in the regional research rooms. In some of the regional archives, we are reducing extended hours beginning October 2, 2006.

We are making one unrelated change to § 1253.7 to add the archival research room at the National Personnel Records Center in St. Louis, MO.

Museum Hours at the National Archives Building

This interim final rule also modifies the hours the exhibit areas in the National Archives Building, Washington, DC, are open to the public. Currently the *National Archives Experience* (our Washington DC

museum) including the Rotunda for the Charters of Freedom (displaying the Declaration of Independence, Constitution, and Bill of Rights) is open to the public as follows:

- The day after Labor Day through March 31, 10 a.m. to 5:30 p.m. (closed on December 25);
 - April 1 through the Friday before Memorial Day, 10 a.m. to 7 p.m.;
 - Memorial Day weekend through Labor Day, 10 a.m. to 9 p.m.
- We are revising § 1280.62 to make the public hours the day after Labor Day through March 14, 10 a.m. to 5:30 p.m., and March 15 through Labor Day, 10 a.m. to 7 p.m. The building will be closed on Thanksgiving and December 25. In addition, because transit through the building and through the line to view the Charters of Freedom cannot usually be completed in less than a 30 minute visit, we are establishing a policy of “last admission” at least 30 minutes before close. This policy, which is followed by many museums, will allow us to clear the exhibit areas of visitors at the stated closing time and ensure that visitors coming into the building have at least some opportunity to see the Charters of Freedom. Finally, because the renovation of the National Archives Building provides direct street-level access to the building entrance on Constitution Avenue, we are rewording § 1280.60 to remove directions for disabled and persons with strollers to use the Pennsylvania Avenue entrance to the building.

Although we are reducing the hours exhibit areas in the National Archives

Building, Washington, DC, are open during the summer months (Memorial Day through Labor Day), the new summer hours are consistent with those at the National Museum of American History (10 a.m.–6:30 p.m.). We have found that the last two hours of the day in the summer have the lowest average attendance, so this action will affect the fewest visitors on those days. By changing to a two season calendar with the high season beginning March 15, we are increasing the hours the exhibit areas are open during peak demand (school break, Cherry Blossom Festival) in late March. As with the change in research room hours, the changes in hours for the exhibit areas will significantly reduce our security guard expenses.

As we noted in the **SUMMARY** paragraph of this preamble, NARA must carry out multiple mission-critical activities. There are many actions that must be carried out in order to provide access to archival records in NARA research rooms; to assist researchers via on-line descriptions in our Archival Research Catalog or via written reference requests; and to develop public programs and exhibits. When archival records are transferred to NARA's custody from the creating agency or at the end of a Presidential Administration, NARA staff must organize these records, assess and address their condition, carry out declassification review on them as needed, describe them, and otherwise prepare them for safe and efficient use by researchers. The actions that we are

taking in this interim final rule will assist us in conducting all of our mission-critical programs.

The issuance of an "interim-final rule" may be followed under the "good-cause" exemption of 5 U.S.C. 553(b)(3)(B) as "impracticable" or "contrary to the public interest." In this instance, good cause exists because NARA must institute these changes at the beginning of the next fiscal year, which does not leave sufficient time for NARA to issue a final rule following the 45 day comment period under this notice.

This rule is not a significant regulatory action for the purposes of Executive Order 12866 and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, I certify that this rule will not have a significant impact on a substantial number of small entities because it affects individual researchers and museum visitors. This regulation does not have any federalism implications. This rule is not a major rule as defined in 5 U.S.C. Chapter 8, Congressional Review of Agency Rulemaking.

Fisheries of the Exclusive Economic Zone Off Alaska; Northern Rockfish in the Central Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for northern rockfish in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the 2006 total allowable catch (TAC) of northern rockfish in the Central Regulatory Area of the GOA.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), July 21, 2006, through 2400 hrs, A.l.t., December 31, 2006.

FOR FURTHER INFORMATION CONTACT: Josh Keaton, 907–586–7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2006 TAC of northern rockfish in the Central Regulatory Area of the GOA is 3,608 metric tons (mt) as established by the 2006 and 2007 harvest specifications for groundfish of the GOA (71 FR 10870, March 3, 2006).

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the 2006 TAC of northern rockfish in the Central Regulatory Area of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 3,558 mt, and is setting aside the remaining 50 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting
