

Recommendation; Maintenance Wage Rate Survey Summary; and a Survey of Maintenance Wage Rates. PHA, TDHE or DHHL submission of a recommendation is highly encouraged by HUD. In the absence of an agency recommendation, HUD will issue a prevailing wage rate schedule based upon its own actions, which may include a maintenance wage survey conducted by HUD. Participation in any maintenance wage survey conducted by a PHA, TDHE, DHHL, or HUD, is voluntary on the part of maintenance employers. Maintenance wage rate recommendations, survey summaries and survey responses must be retained by PHAs, TDHEs, the DHHL, and HUD to document compliance with the statutory labor standards provisions.

Agencies, contractors and subcontractors engaged on HUD-assisted construction and maintenance projects subject to Federal labor standards must pay no less than the wages determined to be prevailing by the Secretary of Labor (for construction work) or determined to be prevailing by the Secretary of HUD (for maintenance work) to all laborers and mechanics engaged on such work. Occasionally, the applicable wage decision schedule does not contain a prevailing wage rate for all classifications of work needed to complete the project. In such cases, the employer that will utilize the classification(s) missing from the wage decision must propose a wage rate for such classification(s) for the consideration of the Department of Labor (DOL) or HUD, as the case may

be. The employer must submit its request in writing; there is no form specified or required for employer submissions. HUD and local agencies that administer HUD-assisted projects use the form HUD-4230A to record and submit employer additional classification and wage rate requests to DOL, when DOL approval is required.

*Agency form numbers, if applicable:* To be assigned for Maintenance Wage Rate Recommendation, Maintenance Wage Survey Summary, and Survey of Maintenance Wage Rates; HUD-4230A for Report of Additional Classification and Wage Rate.

*Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:*

Item	Number of respondents	Amount of time required (hours)	Total time required/annum (hours)
Maintenance Wage Recommendation .....	3,392	4	13,568
Survey Summary .....	1,696	4	6,784
Survey Form Agency Evaluation .....	20,352	8	162,816
Survey Form Employer Response .....	20,352	4	81,408
Recordkeeping .....	3,392	1	3,392
Additional Classification and Wage Rate .....	700	2	1,400
Recordkeeping .....	700	1	700
Total Annual Burden .....			270,068

*Status of the proposed information collection:* This is a revision of a currently approved collection.

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4917-N-08]

### Mortgage and Loan Insurance Programs Under the National Housing Act—Debt Interest Rates

**AGENCY:** Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

**ACTION:** Notice.

**SUMMARY:** This notice announces changes in the interest rates to be paid on debentures issued with respect to a loan or mortgage insured by the Federal Housing Administration under the provisions of the National Housing Act

(the Act). The interest rate for debentures issued under section 221(g)(4) of the Act during the 6-month period beginning July 1, 2006, is 5¾ percent. The interest rate for debentures issued under any other provision of the Act is the rate in effect on the date that the commitment to insure the loan or mortgage was issued, or the date that the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. The interest rate for debentures issued under these other provisions with respect to a loan or mortgage committed or endorsed during the 6-month period beginning July 1, 2006, is 5¾ percent. However, as a result of an amendment to section 224 of the Act, if an insurance claim relating to a mortgage insured under sections 203 or 234 of the Act and endorsed for insurance after January 23, 2004, is paid in cash, the debenture interest rate for purposes of calculating a claim shall be the monthly average yield, for the month in which the default on the mortgage occurred, on United States Treasury Securities adjusted to a constant maturity of 10 years.

**FOR FURTHER INFORMATION CONTACT:** L. Richard Keyser, Department of Housing

and Urban Development, 451 Seventh Street, SW., Room 2232, Washington, DC 20410-8000; telephone (202) 755-7500 (this is not a toll-free number). Individuals with speech or hearing impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at (800) 877-8339.

**SUPPLEMENTARY INFORMATION:** Section 224 of the National Housing Act (12 U.S.C. 1715o) provides that debentures issued under the Act with respect to an insured loan or mortgage (except for debentures issued pursuant to section 221(g)(4) of the Act) will bear interest at the rate in effect on the date the commitment to insure the loan or mortgage was issued, or the date the loan or mortgage was endorsed (or initially endorsed if there are two or more endorsements) for insurance, whichever rate is higher. This provision is implemented in HUD's regulations at 24 CFR 203.405, 203.479, 207.259(e)(6), and 220.830. These regulatory provisions state that the applicable rates of interest will be published twice each year as a notice in the **Federal Register**.

Section 224 further provides that the interest rate on these debentures will be set from time to time by the Secretary

of HUD, with the approval of the Secretary of the Treasury, in an amount not in excess of the annual interest rate determined by the Secretary of the Treasury pursuant to a statutory formula based on the average yield of all outstanding marketable Treasury obligations of maturities of 15 or more years.

The Secretary of the Treasury (1) has determined, in accordance with the

provisions of section 224, that the statutory maximum interest rate for the period beginning July 1, 2006, is  $5\frac{3}{8}$  percent; and (2) has approved the establishment of the debenture interest rate by the Secretary of HUD at  $5\frac{3}{8}$  percent for the 6-month period beginning July 1, 2006. This interest rate will be the rate borne by debentures issued with respect to any insured loan or mortgage (except for debentures

issued pursuant to section 221(g)(4)) with insurance commitment or endorsement date (as applicable) within the latter 6 months of 2006.

For convenience of reference, HUD is publishing the following chart of debenture interest rates applicable to mortgages committed or endorsed since January 1, 1980:

Section 215 of Division G, Title II of Public Law 108–199, enacted January 23, 2004 (HUD's 2004 Appropriations Act) amended section 224 of the Act, to

change the debenture interest rate for purposes of calculating certain insurance claim payments made in cash. Therefore, effective immediately, for all

claims paid in cash on mortgages insured under section 203 or 234 of the National Housing Act and endorsed for insurance after January 23, 2004, the

debenture interest rate will be the monthly average yield, for the month in which the default on the mortgage occurred, on United States Treasury Securities adjusted to a constant maturity of 10 years, as found in Federal Reserve Statistical Release H-15. The Federal Housing Administration has codified this provision in HUD regulations at 24 CFR 203.405(b) and 24 CFR 203.479(b).

Section 221(g)(4) of the Act provides that debentures issued pursuant to that paragraph (with respect to the assignment of an insured mortgage to the Secretary) will bear interest at the "going Federal rate" in effect at the time the debentures are issued. The term "going Federal rate" is defined to mean the interest rate that the Secretary of the Treasury determines, pursuant to a statutory formula based on the average yield on all outstanding marketable Treasury obligations of 8- to 12-year maturities, for the 6-month periods of January through June and July through December of each year. Section 221(g)(4) is implemented in the HUD regulations at 24 CFR 221.255 and 24 CFR 221.790.

The Secretary of the Treasury has determined that the interest rate to be borne by debentures issued pursuant to section 221(g)(4) during the 6-month period beginning July 1, 2006, is 5¾ percent.

HUD expects to publish its next notice of change in debenture interest rates in January 2007.

The subject matter of this notice falls within the categorical exemption from HUD's environmental clearance procedures set forth in 24 CFR 50.19(c)(6). For that reason, no environmental finding has been prepared for this notice.

Dated: July 25, 2006.

## DEPARTMENT OF THE INTERIOR

### Fish and Wildlife Service

#### Receipt of Three Applications for Incidental Take Permits for Construction of Five Single-Family Homes in Brevard County, FL

**AGENCY:** Fish and Wildlife Service,  
Interior.

**ACTION:** Notice.

**SUMMARY:** Ali Markieh, Guruday Chunilall, and Anthony Thomas (Applicants) each request an incidental take permit (ITP), for a one-year term, pursuant to section 10(a)(1)(B) of the Endangered Species Act of 1973, as amended (Act). The Applicants anticipate taking about 1.27 acres combined of Florida scrub-jay (*Aphelocoma coerulescens*) (scrub-jay) foraging and sheltering habitat incidental to lot preparation for the construction of five single-family homes and supporting infrastructure in Brevard County, Florida (Project). The destruction of 1.27 acres of foraging and sheltering habitat is expected to result in the take of two families of scrub-jays. The Applicants' Habitat Conservation Plans (HCPs) describe the mitigation and minimization measures proposed to address the effects of the Projects to the Florida scrub-jay. These measures are outlined in the **SUPPLEMENTARY INFORMATION** section below.

**DATES:** Written comments on the ITP applications and HCPs should be sent to the Service's Regional Office (see **ADDRESSES**) and should be received on or before August 31, 2006.

**ADDRESSES:** Persons wishing to review the applications and HCPs may obtain a copy by writing the Service's Southeast Regional Office, Atlanta, Georgia. Please reference permit number TE105729-0, for Markieh, number TE105730-0, for Chunilall, and number TE105728-0, for Thomas in such requests. Documents will also be available for public inspection by appointment during normal business hours at the Regional Office, 1875 Century Boulevard, Suite 200, Atlanta, Georgia 30345 (Attn: Endangered Species Permits), or Field Supervisor, U.S. Fish and Wildlife Service, 6620 Southpoint Drive South, Suite 310, Jacksonville, Florida 32216-0912.

**FOR FURTHER INFORMATION CONTACT:** Mr. David Dell, Regional HCP Coordinator, (see **ADDRESSES** above), telephone: 404/679-7313, facsimile: 404/679-7081; or Ms. Erin Gawera, Fish and Wildlife Biologist, Jacksonville Field Office, Jacksonville, Florida (see **ADDRESSES** above), telephone: 904/232-2580, ext. 121.

**SUPPLEMENTARY INFORMATION:** If you wish to comment, you may submit comments by any one of several methods. Please reference permit number TE105729-0, for Markieh, number TE105730-0, for Chunilall, and number TE105728-0, for Thomas in such comments. You may mail comments to the Service's Regional

Office (see **ADDRESSES**). You may also comment via the internet to [david\\_dell@fws.gov](mailto:david_dell@fws.gov). Please also include your name and return address in your internet message. If you do not receive a confirmation from us that we have received your internet message, contact us directly at either telephone number listed below (see **FOR FURTHER INFORMATION CONTACT**). Finally, you may hand deliver comments to either Service office listed below (see **ADDRESSES**). Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the administrative record. We will honor such requests to the extent allowable by law. There may also be other circumstances in which we would withhold from the administrative record a respondent's identity, as allowable by law. If you wish us to withhold your name and address, you must state this prominently at the beginning of your comments. We will not, however, consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

The Florida scrub-jay (scrub-jay) is geographically isolated from other species of scrub-jays found in Mexico and the western United States. The scrub-jay is found exclusively in peninsular Florida and is restricted to xeric uplands (predominately in oak-dominated scrub). Increasing urban and agricultural development has resulted in habitat loss and fragmentation which has adversely affected the distribution and numbers of scrub-jays. The total estimated population is between 7,000 and 11,000 individuals.

Residential construction for Markieh will take place within section 05, Township 29 South, Range 37 East, Palm Bay, Brevard County, Florida on lots 2, 3, and 4, Block 356. Residential construction for Chunilall will take place within Section 05, Township 29 South, Range 37 East, Palm Bay, Brevard County, Florida on Lot 12, Block 302. Residential construction for Thomas will take place within section 16, Township 29 South, Range 37 East, Palm Bay, Brevard County, Florida on Lot 25, Block 758. Each of these lots are within 438 feet of locations where scrub-jays were sighted during surveys for this species from 1999 to 2003.

Scrub-jays using the subject residential lots and adjacent properties are part of a larger complex of scrub-jays
