

*Primary:* Any Federal Firearms Licensee (FFL) or State Point of Contact (POC) requesting access to conduct NICS Checks telephonically or by the Internet through the NICS E-Check.

#### Brief Abstract

The Brady Handgun Violence Prevention Act of 1993, required the Attorney General to establish a national instant criminal background check system that any Federal Firearms Licensee may contact, by telephone or by other electronic means, such as the NICS E-Check, for information, to be supplied immediately, on whether receipt of a firearm to a prospective purchaser would violate state or federal law. Information pertaining to licensees who may contact the NICS is being collected to manage and control access to the NICS and to the NICS E-Check, to ensure appropriate resources are available to support the NICS, and also to ensure the privacy and security of NICS information.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that enrollment occurs at approximately 500 per month for a total of 6,000 per year.

The average response time for reading the directions for the Federal Firearms Licensee Enrollment/E-Check Enrollment Form is estimated to be two minutes; time to complete the form is estimated to be three minutes; and the time it takes to assemble, mail, or fax the form to the FBI is estimated to be three minutes, for a total of eight minutes.

The average hour burden for this specific form is  $6,000 \times 8 \text{ minutes}/60 = 800$  hours.

The FFL Officer/Employee Acknowledgment of Responsibilities Form takes approximately three minutes to read the responsibilities and two minutes to complete the form, for a total of five minutes. The average hour burden for this specific form is  $6,000 \times 5 \text{ minutes}/60 = 500$  hours.

The accompanying letter mailed with the packet takes an additional two minutes to read which would be  $6,000 \times 2 \text{ minutes}/60 = 200$  hours.

The entire process of reading the letter and completing both forms would take 15 minutes per respondent. The average hour burden for completing both forms and reading the accompanying letter would be  $6,000 \times 15/60 = 1,500$  hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:*

The entire process of reading the letter and completing both forms would

take 15 minutes per respondent. The average hour burden for completing both forms and reading the accompanying letter would be  $6,000 \times 15/60 = 1,500$  hours.

#### **Georgia-Pacific Corporation Consumer Products Division Day Street Facility, Green Bay, WI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on November 21, 2005, applicable to workers of Georgia-Pacific Corporation, Consumer Products Division, Green Bay, Wisconsin. The notice was published in the **Federal Register** on December 15, 2005 (70 FR 74368). The certification was amended on July 11, 2006 to avoid an overlap in worker group coverage. The notice will be published soon in the **Federal Register**.

The Department, on its own motion, reviewed the certification for workers of the subject firm. The workers are engaged in the production of napkins, towels and tissue and are not separately identifiable by product line.

New findings show that the correct name of the subject firm is identified as the Day Street Facility of the Consumer Products Division of Georgia-Pacific Corporation, Green Bay, Wisconsin.

Accordingly, the Department is again amending this certification to correctly identify the name of the subject firm to read Georgia-Pacific Corporation, Consumer Products Division, Day Street Facility, Green Bay, Wisconsin and to correctly return the impact date to October 12, 2004 as originally stated in the certification determination dated November 21, 2005.

The intent of the Department's certification is to include all workers of subject firm located in Green Bay, Wisconsin who were adversely affect by a shift in production to Mexico.

The amended notice applicable to TA-W-58,184 is hereby issued as follows:

All workers of Georgia-Pacific Corporation, Consumer Products Division, Day Street Facility, Green Bay, Wisconsin, who became totally or partially separated from employment on or after October 12, 2004, through November 21, 2007, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974 and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC this 26th day of July 2006.
