SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54542; File No. SR-ISE-2006-57]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending a Pilot Relating to Directed Orders

September 29, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 21, 2006, the International Securities Exchange, LLC ("Exchange" or "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items

have been prepared by the ISE. The Exchange filed the proposal pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(5) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to extend the pilot period for the system change that identifies to a Directed Market Maker ("DMM") the identity of the firm entering a Directed Order until January 31, 2006.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 5, 2006, the ISE initiated a system change to identify to a DMM the identity of the firm entering a Directed Order. The ISE filed this system change on a pilot basis under Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(5) thereunder⁵ so that it would be effective while the Commission considered a separate proposed rule change filed under Section 19(b)(2) of the Act to amend the ISE's rules to reflect the system change on a permanent basis ("Permanent Rule Change").⁶ The pilot currently expires on September 30, 2006,⁷ but the

Commission has not yet taken action with respect to the Permanent Rule Change. Accordingly, the Exchange proposes to extend the pilot until January 31, 2007, so that the system change will remain in effect while the Commission continues to evaluate the Permanent Rule Change.⁸

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act⁹ that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and practices, and, in general, to protect investors and the public interest. Extension of the pilot program will allow the Exchange to remain competitive with the Boston Options Exchange ("BOX"), which operates a directed order program that discloses the identity of an entering firm to the BOX directed market maker.¹⁰

B. Self-Regulatory Organization's Statement on Burden on Competition

ISE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither received nor solicited written comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change effects a change in an existing order entry or trading system that (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not have the effect of limiting the access to or availability of the system, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹¹ and Rule 19b-4(f)(5) thereunder.¹²

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate

such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest for the protection of investors, or otherwise in furtherance of the purposes of the Act.
