

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4997-N-03]

### Notice of Regulatory Waiver Requests Granted for the Third Quarter of Calendar Year 2005

**AGENCY:** Office of the General Counsel, HUD.

**ACTION:** Notice.

**SUMMARY:** Section 106 of the Department of Housing and Urban Development Reform Act of 1989 (the HUD Reform Act) requires HUD to publish quarterly **Federal Register** notices of all regulatory waivers that HUD has approved. Each notice covers the quarterly period since the previous **Federal Register** notice. The purpose of this notice is to comply with the requirements of section 106 of the HUD Reform Act. This notice contains a list of regulatory waivers granted by HUD during the period beginning on July 1, 2005, and ending on September 30, 2005.

**FOR FURTHER INFORMATION CONTACT:** For general information about this notice, contact Aaron Santa Anna, Assistant General Counsel for Regulations, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 10276, Washington, DC 20410-0500, telephone (202) 708-3055 (this is not a toll-free number). Persons with hearing-or speech-impairments may access this number through TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

For information concerning a particular waiver that was granted and for which public notice is provided in this document, contact the person whose name and address follow the description of the waiver granted in the accompanying list of waivers that have been granted in the third quarter of calendar year 2005.

**SUPPLEMENTARY INFORMATION:** Section 106 of the HUD Reform Act added a new section 7(q) to the Department of Housing and Urban Development Act (42 U.S.C. 3535(q)), which provides that:

1. Any waiver of a regulation must be in writing and must specify the grounds for approving the waiver;
2. Authority to approve a waiver of a regulation may be delegated by the Secretary only to an individual of Assistant Secretary or equivalent rank, and the person to whom authority to waive is delegated must also have authority to issue the particular regulation to be waived;
3. Not less than quarterly, the Secretary must notify the public of all

waivers of regulations that HUD has approved, by publishing a notice in the **Federal Register**. These notices (each covering the period since the most recent previous notification) shall:

- a. Identify the project, activity, or undertaking involved;
- b. Describe the nature of the provision waived and the designation of the provision;
- c. Indicate the name and title of the person who granted the waiver request;
- d. Describe briefly the grounds for approval of the request; and
- e. State how additional information about a particular waiver may be obtained.

Section 106 of the HUD Reform Act also contains requirements applicable to waivers of HUD handbook provisions that are not relevant to the purpose of this notice.

This notice follows procedures provided in HUD's Statement of Policy on Waiver of Regulations and Directives issued on April 22, 1991 (56 FR 16337) (1991 Policy Statement). This notice covers waivers of regulations granted by HUD from July 1, 2005, through September 30, 2005. For ease of reference, the waivers granted by HUD are listed by HUD program office (for example, the Office of Community Planning and Development, the Office of Fair Housing and Equal Opportunity, the Office of Housing, and the Office of Public and Indian Housing, etc.). Within each program office grouping, the waivers are listed sequentially by the regulatory section of title 24 of the Code of Federal Regulations (CFR) that is being waived. For example, a waiver of a provision in 24 CFR part 58 would be listed before a waiver of a provision in 24 CFR part 570.

Where more than one regulatory provision is involved in the grant of a particular waiver request, the action is listed under the section number of the first regulatory requirement that appears in 24 CFR and that is being waived. For example, a waiver of both § 58.73 and § 58.74 would appear sequentially in the listing under § 58.73.

Waiver of regulations that involve the same initial regulatory citation are in time sequence beginning with the earliest-dated regulatory waiver.

Should HUD receive additional information about regulatory waivers granted during the period covered by this report (the third quarter of calendar year 2005) before the next report is published (the fourth quarter of calendar year 2005), HUD will include any additional waivers granted for the third quarter in the next report.

Accordingly, information about approved waiver requests pertaining to

HUD regulations is provided in the Appendix that follows this notice.

Dated: February 8, 2006.

**Keith E. Gottfried,**  
*General Counsel.*

For further information about the following regulatory waivers, please see the name of the contact person who immediately follows the description of the waiver granted.

- **Regulation:** 24 CFR 91.15(a)(2).  
**Project/Activity:** The County of Milwaukee, Wisconsin, requested waiver of 24 CFR 91.15(a)(2) of the consolidated plan submission regulations.

**Nature of Requirements:** Section 91.15(a)(2) requires a participating jurisdiction to submit its consolidated plan no later than August 16 of the federal fiscal year for which grant funds were appropriated.

**Granted by:** Pamela H. Patenaude, Assistant Secretary for Community Planning and Development.

**Date Granted:** July 28, 2005.

**Reasons Waived:** The County of Milwaukee sought a waiver of 24 CFR 91.15(a)(2) to extend its submission deadline for its FY2004 consolidated action plan until 45 days after it is notified of HUD's approval of its waiver request. The waiver of this provision allows the county to amend its FY2004 consolidated action plan to include its FY2003 and FY2004 American Dream Downpayment Initiative (ADDI) programs, and enables the county to use its FY2003 and FY2004 ADDI program funds to assist first time homebuyers.

*Project/Activity:* The Commonwealth of Puerto Rico, through the Puerto Rico Department of Housing (PRDH), requested waiver of 24 CFR 92.500(d)(1)(C) of the HOME regulations.

*Nature of Requirement:* Section 92.500(d)(1)(C) requires HUD to reduce or recapture any HOME funds in a participating jurisdiction's HOME Investment Trust Fund that are not extended within five years after the last day of the month that HUD notifies the participating jurisdiction of HUD's execution of the HOME Investment Participation Agreement.

*Granted by:* Pamela H. Patenaude, Assistant Secretary for Community Planning and Development.

*Date Granted:* August 1, 2005.

*Reasons Waived:* The Commonwealth has addressed numerous performance and compliance deficiencies, reorganized the administration of its HOME program, and implemented a new financial management system that meets federal standards. With the granting of the waiver, PRDH now has the capacity to successfully implement the HOME program to provide affordable housing for low-income families.

The waiver allows the city to amend its FY2004 consolidated action plan to include its FY2003 and FY2004 ADDI programs, and enables the city to use its FY2003 and FY2004 ADDI program funds to assist first time homebuyers.

*Contact:* Martha Murray, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-7000, (202) 708-2684.

*Project/Activity:* The City of Houston, Texas, requested a waiver under 24 CFR 92.214(a)(6) of the HOME program regulations.

*Nature of Requirement:* Section 92.214 of the HOME program regulations states that except for up to one year after project completion, HOME assistance may not be provided to a previously assisted HOME project during the period of affordability.

*Granted by:* Pamela H. Patenaude, Assistant Secretary for Community Planning and Development.

*Date Granted:* August 1, 2005.

*Reasons Waived:* Since HUD issued its monitoring report, the city has taken corrective actions to inspect the single-family housing purchased with HOME downpayment assistance and to correct property standards violations.

*Granted by:* Pamela H. Patenaude, Assistant Secretary for Community Planning and Development.

*Date Granted:* September 20, 2005.

*Reasons Waived:* In lieu of repayment, the Dakota County Consortium requested a waiver to enable it to substitute a comparable property for a HOME-assisted property. In addition to being comparable, the substitute property must have received no federal aid. The granting of the waiver allowed the consortium to transfer the HOME affordability requirements to the substitute property for the remainder of the affordability period.

*Contact:* Shawna Burrell, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-7000, telephone (202) 708-2684.

*Granted by:* Pamela H. Patenaude, Assistant Secretary for Community Planning and Development.

*Date Granted:* September 21, 2005.

*Reasons Waived:* The granting of the waiver permitted consideration by HUD of a joint request from Carmel and Hamilton County to include the City as part of the urban county during FY2006 for the purpose of planning and implementing a joint community development and housing program.

*Contact:* Gloria Coates, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-7000, telephone (202) 708-1577.

*Project/Activity:* Marin County, California requests a waiver of the HOPWA resident rent payment and maximum subsidy regulations at 24 CFR 574.310(d) and 574.320(a)(1).

*Granted by:* Nelson Bregon, General Deputy Assistant Secretary for Community Planning and Development.

*Date Granted:* July 8, 2005.

*Reasons Waived:* The waiver permits Marin County to increase the resident rent payment from 30 percent to 40 percent of the program recipient's monthly-adjusted income for the purposes of lowering the subsidy amount HOPWA clients receive for rental assistance. This action allows Marin County to continue providing rental housing assistance to its current 50 clients with maximum rental assistance subsidy without terminating rental assistance for up to 18 clients.

*Nature of Requirement:* Section 200.40 establishes fees to be applied to Mark-to-Market transactions with FHA insured mortgages. The intent of this provision is to provide an extra incentive to encourage owner cooperation with the process in a timely manner.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* August 2, 2005.

*Reason Waived:* The projects listed above were FHA insured and incentives were necessary to encourage cooperation.

*Contact:* Norman Dailey, Office of Affordable Housing Preservation, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-8000; telephone (202) 708-0614, ext. 8371.

- *Regulation:* 24 CFR 203.371(b)(3), 203.414, 203.402(g)(2).

*Project/Activity:* Assist victims of Hurricane Katrina impacted by above provisions.

*Nature of Requirement:* These sections that address partial claims were waived to assist in dealing with Hurricane Disaster Relief.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* September 22, 2005.

*Reason Waived:* To assist in dealing with Hurricane Disaster Relief.

*Contact:* Ray D. Washington, Office of Single Family Housing Asset Management, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-8000; telephone (202) 708-0614, ext. 2378.

- *Regulation:* 24 CFR 203.37(a).

*Project/Activity:* Presidential declared disaster areas caused by Hurricane Katrina.

*Nature of Requirement:* HUD regulations at 24 CFR 203.37a(b)(2) provides that properties that have a

resale date 90 days or less following the date of acquisition by the seller are not eligible for an FHA insured mortgage.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* September 28, 2005.

*Reason Waived:* It is recognized that safe and adequate housing is a major factor in the restoration and stabilization of communities following a natural disaster. Investors and developers can play a major role in the recovery of housing stock in the hurricane ravaged areas. The urgent need to increase housing stock outweighs the property flipping issues in this case.

*Contact:* Margaret E. Burns, Director, Single Family Program Development, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-8000; telephone (202) 708-0614, ext. 3989.

- *Regulation:* 24 CFR 219.220(b).

*Project/Activity:* Wellesley Townhouses Cooperative, Romulus, Michigan, Project numbers 044-55058, 044-55059, 044-55060, 044-55061; and 044-55062.

*Nature of Requirement:* Section 219.220(b) governs the repayment of operating assistance provided under the Flexible Subsidy Program for Troubled Projects prior to May 1, 1996 states: "Assistance that has been paid to a project owner under this subpart must be repaid at the earlier of the expiration of the term of the mortgage, termination of mortgage insurance, prepayment of the mortgage, or sale of the project." These actions would typically terminate FHA involvement with the property, and the Flexible Subsidy loan would be repaid, in whole, at that time.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* September 28, 2005.

*Reason Waived:* The Assistant Secretary for Housing granted waiver of this request. Wellesley Townhouses

Cooperative has requested prepayment approval of the insured mortgage to refinance with a non-insured lender. Refinancing will provide sufficient funds for the Cooperative's capital improvement and repair program and allow the property to continue as a well-maintained source of affordable housing. The property will mature on December 1, 2011. The owner proposes to extend the property's current affordable use restriction for an additional 30 years, through December 1, 2041. Ninety-five percent of the residents have incomes below the market interest rate income level. If this waiver were not granted, those residents not receiving Section 8 assistance could be adversely affected by an increase in their rent to cover the cost of immediate repayment of the Flexible Subsidy loan in full.

*Contact:* Beverly J. Miller, Director, Office of Asset Management, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-7000, telephone (202) 708-3730, ext. 2598.

- *Regulation:* 24 CFR 234.1(a).

*Project/Activity:* Kokanee Creek Condominiums (formerly known as Airport Road Townhomes), Everett, WA.

*Nature of Requirement:* HUD's regulations at 24 CFR 234.1(a) excludes manufactured homes from being insured as individual units under section 234 of the National Housing Act.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* September 27, 2005.

*Reason Waived:* The homes had received extensive engineering analyses including HUD approval of an alternate construction request to build townhouse type construction. The project was strongly supported by the local housing authority by providing land and other financial resources.

*Contact:* Margaret E. Burns, Director, Single Family Program Development, Department of Housing and Urban

Development, 451 Seventh Street, SW., Washington, DC 20410-8000; telephone (202) 708-0614, ext. 3989.

• *Regulation:* 24 CFR 401.461(b)(1).  
*Project/Activity:* The following project requested a waiver to the simple interest requirement on the second mortgage to

allow compound interest at the applicable Federal Rate. (24 CFR 401.461):

FHA No.	Project	State
034-35185 .....	Cobbs Creek NSA .....	PA

*Nature of Requirement:* Section 401.461 requires that the second mortgages have an interest rate not more than the applicable federal rate. Section 401.461(b)(1) states that interest will accrue but not compound. The intent of simple interest instead of compound interest is to limit the size of the second mortgage accruals to increase the likelihood of long-term financial and physical integrity.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* July 13, 2005.  
*Reason Waived:* This regulatory restriction would be construed as a form of federal subsidy, thereby creating a loss of tax credit equity. This loss will adversely affect the ability to close the Restructuring Plan and could cause the loss or deterioration of these affordable housing projects. Therefore, compound interest is necessary for the owner to obtain Low Income Housing Tax Credits under favorable terms and in order to maximize the savings to the Federal Government.

*Contact:* Dennis Manning, Office of Affordable Housing Preservation, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-8000; telephone (202) 708-0614, ext. 8381.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* September 29, 2005.

- *Regulation:* 24 CFR 891.410(c).

*Project/Activity:* Parker Heights Apartments, Parker, Pennsylvania, FHA Project Number 033-EE019.

*Nature of Requirement:* HUD regulations at 24 CFR 891 require occupancy to be limited to Very Low Income elderly persons (i.e., households composed of one or more persons at least one of whom is 62 years of age at the time of initial occupancy). Regulations also require that an owner is to determine the eligibility in selecting tenants.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* July 29, 2005.

*Reason Waived:* The Assistant Secretary for Housing granted waiver of this request based on the project's difficulty in maintaining full occupancy. This is a 27-unit property located in a very rural area with few conveniences for senior citizens. There are currently 7 vacant units with one notice to vacate. While nearby Housing Authorities have persons on their waiting lists who are age/income eligible, they are not interested in

moving to Parker Heights. Management has continued to aggressively market the property but the property is still experiencing occupancy problems. This waiver will allow the property to rent to persons who are at the low-income limits between 51 and 80 percent of area median income, and to persons who are near-elderly, between the ages of 50 and 62. This will allow the owner flexibility in renting these vacant units and perhaps start a waiting list.

*Contact:* Beverly J. Miller, Director, Office of Asset Management, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-7000, telephone (202) 708-3730, extension 2598.

- *Regulation:* 24 CFR 891.410(c).

*Project/Activity:* Chestnut Manor Apartments, Weirton, West Virginia, FHA Project Number 045-HD032.

*Nature of Requirement:* HUD regulations at 24 CFR 891 require occupancy to be limited to Very Low Income elderly persons (i.e., households composed of one or more persons at least one of whom is 62 years of age at the time of initial occupancy). Regulations also require that an owner is to determine the eligibility in selecting tenants.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* July 29, 2005.

*Reason Waived:* The Assistant Secretary for Housing granted this waiver to alleviate current vacancy problems. This 20-unit property has a Section 811 Capital Advance for the disabled and subsidized 100 percent through a Project Rental Assistance Contract. The property was granted occupancy in 2004 and has still not reached 97 percent occupancy. Due to market problems, the property has experienced a vacancy rate of at least 47 percent since initial occupancy. There are currently 8 vacancies. The management agent continues to work closely with community organizations, as well as advertise through the media to attract very low-income persons with disabilities. This waiver allows the owner to permit admission of lower-income applicants when there are no very-low income applicants to fill vacancies. This waiver will allow the property additional flexibility in attempting to rent vacant units and perhaps start a waiting list.

*Contact:* Beverly J. Miller, Director, Office of Asset Management, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-7000, telephone (202) 708-3730, ext. 2598.

- *Regulation:* 24 CFR 891.410(c).

*Project/Activity:* The Oaks, Gary, West Virginia, FHA Project Number 045-EE014.

*Nature of Requirement:* HUD regulations at 24 CFR 891 require occupancy to be limited to Very Low Income elderly persons (i.e., households composed of one or more persons at least one of whom is 62 years of age at the time of initial occupancy). Regulations also require that an owner is to determine the eligibility in selecting tenants.

*Granted by:* Brian D. Montgomery, Assistant Secretary for Housing—Federal Housing Commissioner.

*Date Granted:* August 30, 2005.

*Reason Waived:* The Assistant Secretary for Housing granted this waiver to alleviate the current occupancy problem at this project. This is a 16-unit property with 15 of its units covered under a Project Rental Assistance Contract. There are currently 13 vacant units. The project has not reach 97 percent occupancy since it was granted occupancy in August 2004. The property owner continues to aggressively advertise and market the property. The Housing Authority of Mingo County has advised they have approximately 1,100 persons on their waiting list with only three of those eligible for the Oaks. This waiver will permit admission of lower-income (persons with incomes between 50 and 80 percent of median income) elderly applicant when there are no very-low income elderly applicants to fill vacancies. Current occupancy levels will not support operations of the project. This waiver will allow additional flexibility in renting up vacant units and perhaps start a waiting list.

*Contact:* Beverly J. Miller, Director, Office of Asset Management, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-7000, telephone (202) 708-3730, ext. 2598.

### III. Regulatory Waivers Granted by the Office of Public and Indian Housing

For further information about the following regulatory waivers, please see the name of the contact person that immediately follows the description of the waiver granted.

- *Regulation:* 24 CFR 902.40.

*Project/Activity:* Hamtramck Housing Authority (MI004) Hamtramck, MI.

*Nature of Requirement:* The objective of the Management Operations Indicator of the Public Housing Assessment System (PHAS) is to measure certain key management operations and

responsibilities of a public housing agency (PHA) or the purpose of assessing the PHA's management operations capabilities. The PHA is required to submit its management operations certification within two months after the PHA's fiscal year end. The PHA requested a waiver of the submission due date.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 17, 2005.

*Reason Waived:* The PHA's management operations certification was submitted timely, but was rejected because someone other than the Executive Director (ED), who was removed from office, submitted it. The PHA justified the reason for the removal of the ED, and the problems encountered during the transition. The PHA was granted a waiver of the submission due date to resubmit its management operations certification.

*Contact:* David R. Ziaya, Program Manager, NASS, Real Estate Assessment Center, Office of Public and Indian Housing, Department of Housing and Urban Development, 550 12th Street, SW., Suite 100, Washington, DC 20410-5000, telephone (202) 475-8574.

• *Regulation:* 24 CFR 902.30.

*Project/Activity:* Housing Authority of the City of Orange (TX037), Orange, TX.

*Nature of Requirement:* The regulation at 24 CFR 902.30 establishes that the audited financial statements be submitted no later than nine months after the PHA's fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133. The PHA requested a 30-day extension of the due date to submit its audited financial data.

*Granted By:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 17, 2005.

*Reason Waived:* The PHA's auditor was able to complete two of the three submission steps on the evening of June 30, 2005, but when the PHA attempted to electronically file the audited submission, it encountered system problems, and could not access the system to electronically file the audited submission. The PHA documented through screen shots the access and system problems encountered. The PHA attempted to submit its audited financial submission on time and the documentation provided gave evidence that the circumstances surrounding the failure to complete the submission were unusual and beyond the PHA's control.

*Contact:* David R. Ziaya, Program Manager, NASS, Real Estate Assessment Center, Office of Public and Indian

Housing, Department of Housing and Urban Development, 550 12th Street, SW., Suite 100, Washington, DC 20410-5000, telephone (202) 475-8574.

• *Regulation:* 24 CFR 902.30.

*Project/Activity:* Housing Authority of New Orleans (LA001), New Orleans, LA.

*Nature of Requirement:* The regulation at 24 CFR 902.30 establishes that the audited financial statements be submitted no later than nine months after the housing authority's (HA) fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133. The PHA requested a waiver of the audited financial submission due date because of complex financial transactions and other mitigating circumstances including eight complex mixed finance transactions, and change in accounting methods.

*Granted By:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 30, 2005.

*Reason Waived:* The circumstances surrounding the submission were unusual and beyond the PHA's control. The PHA staff was unfamiliar and inexperienced with mixed finance transactions and accounting procedures. The PHA was granted thirty days to complete and resubmit the audited financial information.

*Contact:* David R. Ziaya, Program Manager, NASS, Real Estate Assessment Center, Office of Public and Indian Housing, Department of Housing and Urban Development, 550 12th Street, SW., Suite 100, Washington, DC 20410-5000, telephone (202) 475-8574.

• *Regulation:* 24 CFR 902.30.

*Project/Activity:* Dallas Housing Authority (TX009), Dallas, TX.

*Nature of Requirement:* The regulation at 24 CFR 902.30 establishes that the Audited financial statements be submitted no later than nine months after the housing authority's (HA) fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133. Due to an unforeseen issue, the PHA had to reissue its 2003 annual financial audit before issuing its 2004 Comprehensive Annual Financial Report.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* September 28, 2005.

*Reason Waived:* An unforeseen issue that was not identified at the time of the engagement contract, pertaining to the accelerated depreciation related to the demolition of an apartment project, caused the current auditors to require re-issuance of the PHA's 2003 annual financial audit from the prior audit firm.

Due to this unforeseen issue, the PHA had to reissue its 2003 annual financial audit before issuing its 2004 Comprehensive Annual Financial Report. The PHA received an extension of the due date to October 28, 2005, to complete and submit the audited financial information.

*Project/Activity:* Longmont Housing Authority (LHA), Longmont, CO. The LHA requested a waiver of payment standard (PS) requirements to permit it to implement reduced PSs earlier than required to avoid termination of housing assistance payments (HAP) contracts during calendar year 2005 due to insufficient funding.

*Nature of Requirement:* Section 982.505(c)(3) states that if the amount on the PS schedule is decreased during the term of the HAP contract, the lower PS amount generally must be used to calculate the monthly HAP for the family beginning at the effective date of the family's second regular reexamination following the effective date of the decrease.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 28, 2005.

*Reason Waived:* The waiver was granted because this cost-saving measure would enable the LHA to both manage its Housing Choice Voucher program within allocated budget authority and avoid the termination of HAP contracts due to insufficient funding.

Jurison, Director, Housing Voucher Management and Operations Division, Office of Public Housing and Voucher Programs, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 4210, Washington, DC 20410-5000, telephone (202) 708-0477.

- *Regulation:* Section II subpart F of the January 16, 2001, **Federal Register** notice, Revisions to PHA Project-Based Assistance (PBA) Program; Initial Guidance.

*Project/Activity:* Housing Authority of Winston-Salem (HAWS), Winston-Salem, NC. The HAWS requested an exception to the 25 percent cap on the number of units that can have PBA attached in a building to permit it to attach PBA to 28 units at Happy Hills Gardens.

*Nature of Requirement:* Section II subpart F of the initial guidance requires that not more than 25 percent of the dwelling units in any building may be assisted under a housing assistance payments (HAP) contract for PBA except for dwelling units that are specifically made available for elderly families, disabled families and families receiving supportive services. Until regulations are promulgated regarding the category of families receiving supportive services, Headquarters has been authorizing implementation of this aspect of the law on a case-by-case basis.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 27, 2005.

*Reason Waived:* An exception to the 25 percent cap was granted since, through partnerships developed in conjunction with the development of a HOPE VI Community and Supportive Services plan, a full array of supportive

services will be provided based on the individual family's case management assessment. The following supportive services will be available through these partnerships: employment assistance; entrepreneurship training; childcare, and transportation. The partners include: Winston-Salem Transit Authority; Goodwill Industries; Workforce Development Board; Forsyth County Department of Social Services; Forsyth Technical Community College; Forsyth Technical Community College Small Business Center; and the Winston-Salem Urban League.

*Granted by:* Michael Liu, Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 25, 2005.

- *Regulation:* Section II subpart E of the January 16, 2001, **Federal Register** notice, Revisions to PHA Project-Based Assistance (PBA) Program; Initial Guidance.

*Project/Activity:* Chicago Housing Authority (CHA), Chicago, IL. The CHA requested an exception to the deconcentration requirements to permit it to attach PBA to 50 units in Cleveland Tower. The project is located in census tract 819 that has a poverty rate of 66.1 percent.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 22, 2005.

*Reason Waived:* An exception to the deconcentration requirements was granted since in the prior six months, nine properties in the census tract have sold for prices ranging from \$326,000 to \$919,000 with an average sales price of \$553,722. Across the street from the western boundary of the census tract and two blocks west of Cleveland Tower are two new developments, Domain

Lofts and River Village. The average sales price for a unit in Domain Lofts is \$613,770 and \$650,000 is the average sales price for a unit in River Village. This housing activity is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 22, 2005.

*Reason Waived:* An exception to the deconcentration requirements was granted since the project is located in a HUD-designated Enterprise Zone. The goals of an Enterprise Zone are consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities.

The NYDHCR requested an exception to the deconcentration requirements to permit it to attach PBA to 20 single-family homes that comprise the Lander Street Project. The project is located in census tract 4 that has a poverty rate of 36.7 percent.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 20, 2005.

*Reason Waived:* An exception to the deconcentration requirements was granted since the project is located in the Kingston-Newburgh's HUD-designated Enterprise Community. The purpose of establishing enterprise communities is to open new businesses, and create jobs, housing, and new educational and healthcare opportunities for thousands of Americans. The goals of an enterprise community are consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities.

*Nature of Requirement:* Section II subpart F of the initial guidance requires that unless waived, no more than 25 percent of the dwelling units in any building may be assisted under a housing assistance payments (HAP) contract for PBA except for dwelling units that are specifically made

available for elderly families, disabled families and families receiving supportive services. Until regulations are promulgated regarding the category of families receiving supportive services, Headquarters is authorizing implementation of this aspect of the law on a case-by-case basis.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 17, 2005.

*Reason Waived:* Approval of an exception to the unit cap was granted based on the nature of the services families would receive. The services families will receive focus on obtaining and retaining financial and medical benefits, behavior assessments, transportation, and eviction prevention.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Project/Activity:* Peoria Housing Authority (PHA), Peoria, IL. The PHA requested a waiver of the competitive selection requirements, an exception to the deconcentration requirements and a waiver of waiting list requirements to permit it to attach PBA to six units in the second phase of River West South, a HOPE VI project.

*Nature of Requirement:* Sections 983.51(a), (b) and (c) and 983.7(f)(2)(ii) require that the public housing agency (PHA) adopt a written policy establishing competitive procedures for selection of owner proposals and, if the PHA submits a proposal for units it owns, the HUD field office makes the selection in accordance with the PHA's unit selection policy. Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent. The regulation at 24 CFR 983.203(a)(2) states that if a PHA opts to have a separate PBA waiting list, it may use a single waiting list for all PBA projects or may use a separate PBA waiting list for an area not smaller than a county or municipality.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 15, 2005.

*Reason Waived:* Competitive selection of owner proposals was waived since the project, with the Peoria Housing Authority as developer, was competitively selected by the Department to receive a HOPE VI grant to redevelop the former Warner Homes and the surrounding area. An exception

to the deconcentration requirements was granted since there will be a decrease of 174 assisted units in the census tract. A waiver of the waiting list requirements was approved since Section 8(o)(13)(J) of the U.S. Housing Act of 1937 as amended, allows, subject to a PHA's waiting list policies and selection preferences, the maintenance of separate waiting lists for PBA structures as long as all families on the PHA's waiting list for both tenant-based assistance and PBA can place their names on any of the separate PBA waiting lists. The PBA program proposed rule published in the **Federal Register** on March 18, 2004, addressed the implementation of this aspect of the law by allowing PHAs to use separate waiting lists for PBA units.

*Project/Activity:* Housing Authority of the City of Hartford (HACH), Hartford, CT. The HACH requested an exception to the initial guidance for the Community Renewal Team project that is located in a census tract with a poverty rate greater than 20 percent.

*Nature of Requirement:* Section II subpart E requires that all new project-based assistance agreements or HAP contracts be for units in census tracts with poverty rates of less than 20 percent.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 15, 2005.

*Reason Waived:* Approval of the exception for deconcentration was granted since the PBA units would be located in an area in which major economic development projects are under construction including a shopping center, first time homebuyers assistance for 26 units, and social services programs focusing on employment and job training development. Such activities support the goal of deconcentrating poverty and expanding housing and economic opportunities and the exception was therefore granted.

*Project/Activity:* Massachusetts Department of Housing and Community Development (DHCD), Boston, MA. The DHCD requested an exception to the initial guidance for the HarborCOV 63 Washington Street project that is located in a census tract with a poverty rate greater than 20 percent. The DHCD also requested an exception to the 25 percent cap on the number of units in a building that can have PBA attached to permit it to attach PBA to 24 units at the HarborCOV 63 Washington Street project.

*Nature of Requirement:* Section II subpart E requires that all new project-based assistance agreements or HAP contracts be for units in census tracts with poverty rates of less than 20 percent. Section II subpart F of the initial guidance requires that unless waived, no more than 25 percent of the dwelling units in any building may be assisted under a housing assistance payments (HAP) contract for PBA except for dwelling units that are specifically made available for elderly families, disabled families and families receiving supportive services. Until regulations are promulgated regarding the category of families receiving supportive services, Headquarters is authorizing implementation of this aspect of the law on a case-by-case basis.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 15, 2005.

*Reason Waived:* Approval of the exception for deconcentration was granted since the poverty rate significantly decreased from the 1990 census as a result of public and private investment and redevelopment in the area. New jobs have been created and the construction of a 200-unit luxury rental development will attract higher income residents thereby resulting in a drop in the poverty rate.

An exception to the unit cap was granted based on the nature of the services families would receive. The

services will focus on economic self-sufficiency including economic literacy, education training and employment opportunities.

*Project/Activity:* Winnebago County Housing Authority (WCHA), Rockford, IL. The WCHA requested a waiver of the competitive selection requirements, to permit it to attach PBA to 11 units at the Champion Park Development.

*Nature of Requirement:* Regulations at 24 CFR 983.51(a) (b) and (c) require that the public housing agency (PHA) adopt a written policy establishing competitive procedures for selection of owner proposals and, if the PHA submits a proposal for units it owns, the HUD field office makes the selection in accordance with the PHA's unit selection policy. Regulations at 24 CFR 983.56 require HUD field office review and approval of owner applications for project-based voucher assistance.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 13, 2005.

*Reason Waived:* Competitive selection of owner proposals was waived since the developer, of the project was competitively selected by the Department to receive a HOPE VI grant to redevelop a severely distressed public housing project.

*Project/Activity:* Housing Authority of the City of Stamford (HACS), Stamford, CT. The HACS requested a waiver of the competitive selection requirements, an exception to the 25 percent cap on the number of units that can have PBA attached in a building, and a waiver of

waiting list requirements to permit it to attach PBA to 13 units at Fairfield Commons, 10 units at Taylor Street Apartments and 50 units at Richmond Hill Apartments.

*Nature of Requirement:* Regulations at 24 CFR 983.51(a) (b) and (c), 983.55(a) and (d), 983.56(c), and Section 983.7(f)(2)(ii) require that the public housing agency (PHA) adopt a written policy establishing competitive procedures for selection of owner proposals and, if the PHA submits a proposal for units it owns, the HUD field office makes the selection in accordance with the PHA's unit selection policy. Section II subpart F requires that no more than 25 percent of the dwelling units in any building may be assisted under a housing assistance payments (HAP) contract for PBA except for dwelling units that are specifically made available for elderly families, disabled families and families receiving supportive services. Until regulations are promulgated regarding the category of families receiving supportive services, Headquarters has been authorizing implementation of this aspect of the law on a case-by-case basis. The regulation at 24 CFR 983.203(a)(2) states that if a PHA opts to have a separate PBA waiting list, it may use a single waiting list for all PBA projects or may use a separate PBA waiting list for an area not smaller than a county or municipality.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 8, 2005.

*Reason Waived:* Competitive selection of owner proposals was waived since the co-developer for Taylor Street Apartments and Richmond Hill (Alpert Group of New Jersey) and the co-developer of Fairfield Commons (Mutual Housing Association of Southwestern Connecticut) were competitively selected by the HACS as the HOPE VI partner in an open procurement process. An exception to the 25 percent cap was granted for the 13 units at Fairfield Commons since families receiving supportive services through the HACS' Family Self-Sufficiency program will occupy the units. A waiver of the waiting list requirements was granted since Section 8(o)(13)(J) of the U.S. Housing Act of 1937 as amended, allows, subject to a PHA's waiting list policies and selection preferences, the maintenance of separate waiting lists for PBA structures as long as all families on the PHA's waiting list for PBA can place their names on any of the separate PBA waiting lists. The PBA program proposed rule published in the **Federal Register** on March 18,

2004, addressed the implementation of this aspect of the law by allowing PHAs to use separate waiting lists for PBA units.

*Project/Activity:* Marin County Housing Authority (MCHA), Marin County, CA. The MCHA requested an exception to the deconcentration requirements to permit it to attach PBA to 10 units at Casa Vista Apartments in census tract 1122 with a poverty rate of 20.99 percent.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 8, 2005.

*Reason Waived:* An exception to the deconcentration requirements was granted since there are currently two publicly sponsored projects within the census tract (the expansion and improvement of the Pickleweed Park Community Center and streetscape improvements to a critical intersection within the Canal Area Housing Improvement Program area). The combined public and private investment in these two initiatives is approximately \$8 million. Each project has a local hiring mandate where, to the extent that local residents participate in the projects through apprenticeship programs, they will have an opportunity to secure membership in a trade union and be eligible for union wages. Other planned economic development activities in the census tract include, but are not limited to, a Best Buy store, the remodeling of a Toyota car dealership, and a Hilton Gardens Hotel. The planned development of these projects represents a high level of private investment within the census tract and a significant number of construction and permanent jobs.

The HCHA requested a waiver of payment standard (PS) requirements to permit it to implement reduced PSs earlier than required to avoid termination of housing assistance payments (HAP) contracts during calendar year 2005 due to insufficient funding.

*Nature of Requirement:* 24 CFR 982.505(c)(3) states that if the amount on the PS schedule is decreased during the term of the HAP contract, the lower PS amount generally must be used to calculate the monthly HAP for the family beginning at the effective date of the family's second regular reexamination following the effective date of the decrease.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* July 7, 2005.

*Reason Waived:* The waiver was granted because this cost-saving measure would enable the HCHA to both manage its Housing Choice Voucher program within allocated budget authority and avoid the termination of HAP contracts due to insufficient funding.

*Project/Activity:* Adams County Housing Authority (ACHA), Gettysburg, PA. The ACHA requested a waiver ineligible housing types so that it could attach project-based assistance (PBA) eight units at Oxford Manor.

*Nature of Requirement:* Section 983.7(c)(5) states that a public housing agency (PHA) may not attach or pay assistance to units in a Rural Development Administration Section 515 project.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 11, 2005.

*Reason Waived:* The waiver was granted since 24 CFR 983.54(f) of the project-based voucher program proposed rule published in the **Federal Register** on March 18, 2004, lifted that restriction. That section of the proposed rule specifically states that a PHA may attach assistance for a unit subsidized with Section 515 interest reduction payments.

*Project/Activity:* Charlotte Housing Authority (CHA), Charlotte, NC. The CHA requested an exception to the deconcentration requirements so that it could attach PBA to 60 units at 940 Brevard. The project is located in census tract 6 that has a poverty rate of 47.3 percent.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 11, 2005.

*Reason Waived:* An exception to the deconcentration requirements was granted since this project is part of the Belmont Area Revitalization Plan that calls for significant infrastructure and housing investment. Public and private investment in the Belmont neighborhood includes \$15 million committed by the City of Charlotte and \$65 million committed by Wachovia Bank in support of the Piedmont Courts HOPE VI project, which is designed to create a mixed income community. As a result, over the past 18 months, single-family home sales in the Belmont area have increased from \$50,000-\$60,000 to \$110,000-\$132,000. This housing activity is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities.

*Project/Activity:* Charlotte Housing Authority (CHA), Charlotte, NC. The CHA requested an exception to the deconcentration requirements and the cap on the number of units in a building

that can have PBA attached so that it could attach PBA to 30 units at Siegle 60. The project is located in census tract 5 that has a poverty rate of 40.5 percent.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent. Section II subpart F requires that not more than 25 percent of the dwelling units in any building may be assisted under a housing assistance payments (HAP) contract for PBA except for dwelling units that are specifically made available for elderly families, disabled families and families receiving supportive services. Until regulations are promulgated regarding the category of families receiving supportive services, Headquarters has been authorizing implementation of this aspect of the law on a case-by-case basis.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

An exception to the 25 percent cap was granted since the families occupying all of the PBA units in Siegle 60 will receive supportive services through the CHA's Family Self-Sufficiency program. The supportive services will include: daycare; GED preparation; continuing adult education; homeownership counseling; computer training; and money management training.

The OHA requested a waiver of the regulation so that it could renew project-based certificate (PBC) housing assistance payments (HAP) contracts for Dignity Housing West/Harp Plaza and the Oaks Hotel beyond the expiration date of the Annual Contributions Contract since funding increments are only renewed for terms less than a year.

*Nature of Requirement:* The regulation requires that, with HUD field office approval, and at the sole option of the public housing agency (PHA), PHAs may renew expiring HAP contracts for such period or periods as the HUD field office determines appropriate to achieve long-term affordability of the assisted housing, provided that the term does not extend beyond the Annual Contributions Contract expiration date for the funding source. PHAs must identify the funding source for renewals; different funding

sources may be used for the initial term and renewal terms of the HAP contract.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* September 7, 2005.

*Reason Waived:* Approval to waive the regulation was granted in order to allow the OHA to provide rental assistance at these developments up to the maximum 15 years allowed under the PBC HAP contracts without having to request HUD field office approval to do so every year or less.

The MDHCD requested an exception to the deconcentration requirements and an exception to the number of units that can have PBA attached in a building so that it could attach PBA to more than 25 percent of the units at Casa Familias Unidas. The project is located in census tract 801 that has a poverty rate of 29.83 percent.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent. *Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* September 12, 2005.

*Reason Waived:* An exception to the deconcentration requirements was

granted since the project is located in the City of Boston's HUD-designated Empowerment Zone. The purpose of establishing Empowerment Zones is to open new businesses, and create jobs, housing, and new educational and healthcare opportunities for thousands of Americans. These goals are consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. An exception to the 25 percent cap was granted since Casa Esperanza will provide the following on-site services to all residents of the PBA units at the Casa Familias project: Job training workshops/career counseling, family case management and related services, and parenting skills workshops.

The HACS requested an exception to the deconcentration requirements so that it could attach PBA to units at Richmond Hill Apartments located in census tract 201 that has a poverty rate of 21.5 percent. The HACS requested an exception to the number of units that can have PBA attached in a building so that it could attach PBA to more than 25 percent of the units at Richmond Hill Apartments and Taylor Street Apartments.

*Nature of Requirement:* Section II subpart E of the initial guidance requires that in order to meet the Department's goal of deconcentration and expanding housing and economic opportunities, the projects must be in census tracts with poverty rates of less than 20 percent. *Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* September 14, 2005.

*Reason Waived:* An exception to the deconcentration requirements was granted for Richmond Hill Apartments since the following businesses opened in the census tract offering numerous job opportunities: Target; Burlington Coat Factory; Marriott Courtyard Hotel; and several restaurants and shops. An approved pending residential development includes the 350-unit Park Square West in which 90 percent will be market rate units. These activities are consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. An exception to the 25 percent cap was granted for the Richmond Hill Apartments and Taylor Street Apartments since only families receiving supportive services through the HACS' Family Self-Sufficiency program will occupy the units.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* September 15, 2005.

*Date Granted:* September 21, 2005.

*Reason Waived:* An exception to the deconcentration requirements was granted since at the time of the 2000

Some of the new developments include: North Star Lofts containing 37 units with current resale prices starting at \$380,000; Stone Arch Lofts containing 46 condominium units with current resale prices starting at \$500,000; and Humboldt Lofts containing 36 units with current sales prices ranging from \$275,000 to above \$1,000,000. - *Regulation:* 24 CFR 902.40.

*Project/Activity:* Hamtramck Housing Authority (MI004) Hamtramck, MI,

*Nature of Requirement:* The objective of the Management Operations Indicator of the Public Housing Assessment System (PHAS) is to measure certain key management operations and responsibilities of a public housing agency (PHA) or the purpose of assessing the PHA's management operations capabilities. The PHA is required to submit its management operations certification within two months after the PHA's fiscal year end. The PHA requested a waiver of the submission due date.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 17, 2005.

*Reason Waived:* The PHA's management operations certification was submitted timely, but was rejected because someone other than the Executive Director (ED), who was removed from office, submitted it. The PHA justified the reason for the removal of the ED, and the problems encountered during the transition. The PHA was granted a waiver of the submission due date to resubmit its management operations certification.

- *Regulation:* 24 CFR 902.30.

*Project/Activity:* Housing Authority of the City of Orange (TX037), Orange, TX.

*Nature of Requirement:* The regulation at 24 CFR 902.30 establishes that the audited financial statements be submitted no later than nine months after the PHA's fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133. The PHA requested a 30-day extension of the due date to submit its audited financial data.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 17, 2005.

*Reason Waived:* The PHA's auditor was able to complete two of the three submission steps on the evening of June 30, 2005, but when the PHA attempted to electronically file the audited submission, it encountered system problems, and could not access the system to electronically file the audited submission. The PHA documented through screen shots the access and system problems encountered. The PHA attempted to submit its audited financial submission on time and the documentation provided gave evidence that the circumstances surrounding the failure to complete the submission were unusual and beyond the PHA's control.

*Project/Activity:* Housing Authority of New Orleans (LA001), New Orleans, LA.

*Nature of Requirement:* The regulation at 24 CFR 902.30 establishes that the audited financial statements be submitted no later than nine months after the housing authority's (HA) fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133. The PHA requested a waiver of the audited financial submission due date because of complex financial transactions and other mitigating circumstances including eight complex mixed finance transactions, and change in accounting methods.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 30, 2005.

*Reason Waived:* The circumstances surrounding the submission were unusual and beyond the PHA's control. The PHA staff was unfamiliar and inexperienced with mixed finance transactions and accounting procedures. The PHA was granted thirty days to

complete and resubmit the audited financial information.

*Project/Activity:* Dallas Housing Authority (TX009), Dallas, TX.

*Nature of Requirement:* The regulation at 24 CFR 902.30 establishes that the Audited financial statements be submitted no later than nine months after the housing authority's (HA) fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133. Due to an unforeseen issue, the PHA had to reissue its 2003 annual financial audit before issuing its 2004 Comprehensive Annual Financial Report

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* September 28, 2005.

*Reason Waived:* An unforeseen issue that was not identified at the time of the engagement contract, pertaining to the accelerated depreciation related to the demolition of an apartment project, caused the current auditors to require re-issuance of the PHA's 2003 annual financial audit from the prior audit firm. Due to this unforeseen issue, the PHA had to reissue its 2003 annual financial audit before issuing its 2004 Comprehensive Annual Financial Report. The PHA received an extension of the due date to October 28, 2005, to complete and submit the audited financial information.

- *Regulation:* 24 CFR Section 982.505(c)(3).

*Project Activity:* Wyoming County Housing and Redevelopment Authorities (WCHRA), Nicholson, PA. The WCHRA requested a waiver of payment standard (PS) requirements to permit it to implement reduced PSs earlier than required to avoid termination of housing assistance payments (HAP) contracts during calendar year 2005 due to insufficient funding.

*Nature Of Requirement:* 24 CFR Section 982.505(c)(3) states that if the amount on the PS schedule is decreased

during the term of the HAP contract, the lower PS amount generally must be used to calculate the monthly HAP for the family beginning at the effective date of the family's second regular reexamination following the effective date of the decrease.

*Granted by:* Paula O. Blunt, General Deputy Assistant Secretary for Public and Indian Housing.

*Date Granted:* August 4, 2005.

*Reason Waived:* The waiver was granted because this cost-saving measure would enable the WCHRA to both manage its Housing Choice Voucher program within allocated budget authority and avoid the termination of HAP contracts due to insufficient funding.
