AGENCY: Environmental Protection Agency (EPA).

ACTION: Notification to the Secretary of Agriculture.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. It simply announces the submission of a draft final rule to the U. S. Department of Agriculture (USDA) and does not otherwise affect any specific entities. This action may, however, be of particular interest to a producer or registrant of a pesticide product, including agricultural, residential, and industrial, but not including antimicrobial pesticides, biochemical pesticides, or microbial pesticides. This action may also affect any person or company who might petition the Agency for new tolerances, hold a pesticide registration with existing tolerances, or any person or company who is interested in obtaining or retaining a tolerance in the absence of a registration, that is, an import tolerance. This latter group may include pesticide manufacturers or formulators, importers of food, grower groups, or any person or company who seeks a tolerance. Since other entities may also

be interested, the Agency has not attempted to describe all the specific entities that may be interested in this action. If you have any questions regarding this action, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

The draft final rule is not available to the public until after it has been signed by EPA. If the Secretary comments in writing regarding the draft final rule within 15 days after receiving it, the Administrator shall include the comments of the Secretary, if requested by the Secretary, and the Administrator's response to those comments in the final rule when published in the **Federal Register**. If the Secretary does not comment in writing within 15 days after receiving the draft final rule, the Administrator may sign the final rule for publication in the **Federal Register** anytime after the 15-day period.

III. Do Any Statutory and Executive Order Reviews Apply to this Notification?
