

reporting requirements. The grantee is required to provide the reports and documents listed below:

Quarterly Financial Reports. A Quarterly Financial Status Report (SF 269) is required until such time as all funds have been expended or the grant period has expired, whichever is sooner. Quarterly reports are due 30 days after the end of each calendar year quarter. Grantees must use ETA's On-Line Electronic Reporting System; information and instructions will be provided to grantees.

Quarterly Progress Reports. The grantee must submit a quarterly progress report based on a DOL template to its designated Federal Project Officer within 30 days after the end of each quarter. This report should provide a detailed account of activities undertaken during that quarter. The quarterly progress report should be in narrative form and should include:

1. In-depth information on accomplishments, including project success stories, upcoming grant activities, and promising approaches and processes.

2. Progress toward performance outcomes, including updates on product, curricula, and training development.

MIS Reports. Organizations will be required to submit updated MIS data based on a DOL template that reports on enrollment, services provided, placements, outcomes, and follow-up status.

VII. Agency Contacts

For further information regarding this SGA, please contact B. Jai Johnson, Grants Management Specialist, Division of Federal Assistance, at (202) 693-3296 (please note this is not a toll-free number). Applicants should fax all technical questions to (202) 693-2705 and must specifically address the fax to the attention of B. Jai Johnson and should include SGA/DFA PY 06-10, a contact name, fax and phone number, and e-mail address. This announcement is being made available on the ETA Web site at <http://www.doleta.gov/sga/sga.cfm>, at <http://www.grants.gov>, and in the **Federal Register**.

VIII. Additional Resources and Other Information

A. Resources for the Applicant

DOL maintains a number of web-based resources that may be of assistance to applicants:

- Questions and responses submitted to the Grant Officer regarding the SGA will be posted on the Employment and Training website at

<http://www.doleta.gov>. Questions will be received for one month after publication.

- The Web site for the Employment and Training Administration (<http://www.doleta.gov>) is a valuable source for background information on the President's High Growth Job Training Initiative.

- The Workforce 3 One Web site (<http://www.workforce3one.org>) is a valuable resource for information about demand driven projects of the workforce investment system, educators, employers, and economic development representatives.

- America's Service Locator (www.servicelocator.org) provides a directory of the nation's One-Stop Career Centers.

- Career Voyages (www.careervoyages.com), a Web site targeted at youth, parents, counselors, and career changers, provides information about career opportunities in high-growth/high-demand industries.

- Applicants are encouraged to review "Help with Solicitation for Grant Applications" (<http://www.dol.gov/cfbci/sgabrochure.htm>).

- For a basic understanding of the grants process and basic responsibilities of receiving Federal grant support, please see "Guidance for Faith-Based and Community Organizations on Partnering with the Federal Government" (<http://www.whitehouse.gov/government/fbci/guidance/index.html>).

B. Other Information

OMB Information Collection No.: 1205-0458.

Expires: September 30, 2009.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 20 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimated or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, the OMB Desk Officer for ETA, Office of Management and Budget, Room 10235, Washington, DC 20503. Please do not return your completed application to the OMB. Send it to the sponsoring agency as specified in this solicitation.

This information is being collected for the purpose of awarding a grant. The information collected through this "Solicitation for Grant Applications" will be used by the Department of Labor to ensure that grants are awarded to the applicant best suited to perform the functions of the grant. Submission of this information is required in order for the applicant to be considered for award of this grant. Unless otherwise specifically noted in this announcement, information submitted in the respondent's application is not considered to be confidential.

DEPARTMENT OF LABOR

Mine Safety and Health Administration

Technical Study Panel on the Utilization of Belt Air and the Composition and Fire Retardant Properties of Belt Materials in Underground Coal Mining

AGENCY: Mine Safety and Health Administration (MSHA), Labor.

ACTION: Notice of meeting.

SUMMARY: This notice informs interested persons of the third meeting of the Technical Study Panel (Panel) on the Utilization of Belt Air and the Composition and Fire Retardant Properties of Belt Materials in Underground Coal Mining. The public is invited to attend.

DATES: The meeting will be held on May 16-17, 2007. The meetings will start at 9 a.m. each day and conclude by 5 p.m.

ADDRESSES: The meeting location is the Salt Lake Plaza Hotel at Temple Square, 122 West South Temple, Salt Lake City, UT 84101. (Telephone: 801-521-0130).

FOR FURTHER INFORMATION CONTACT: Patricia W. Silvey, Director, Office of Standards, Regulations, and Variances, Mine Safety and Health Administration, 1100 Wilson Boulevard, Room 2350, Arlington, Virginia 22209; silvey.patricia@dol.gov (internet e-mail), 202-693-9440 (voice), or 202-693-9441 (facsimile).

SUPPLEMENTARY INFORMATION: The Panel was created under section 11 of the Mine Improvement and New Emergency Response (MINER) Act of 2006 (Pub. L. 109-236). The purpose of the Panel is to provide independent scientific and engineering review and recommendations concerning the

utilization of belt air and the composition and fire retardant properties of belt materials in underground coal mining. By December 2007, the Panel must submit a report to the Secretaries of Labor and Health and Human Services, the Senate Committee on Health, Education, Labor and Pensions, and the House Committee on Education and the Workforce. The first meeting of the Panel was held in Washington, DC on January 9–10, 2007. The second meeting of the Panel was held in Coraopolis, PA on March 28–30, 2007.

The agenda for the third meeting will include:

- (1) Belt air ventilation issues.
- (2) Ground control/convergence issues surrounding two-entry development in western underground coal mines.
- (3) MSHA Aracoma Alma Mine t1 accident investigation report.
- (4) Public input.

The panel will allocate time at the end of each day for presentations by members of the public. MSHA expects the amount of time allocated for public participation to be approximately one hour, but it may vary based on the interest expressed by the public. MSHA will also accept written submissions.

MSHA requests that persons planning to participate in the public input session of this meeting notify the Agency at least one week prior to the meeting date. There will be an opportunity for other persons, who have not made prior arrangements with MSHA and wish to speak, to register at the beginning of the meeting each day. Speakers should limit their presentations to five minutes, but may supplement oral remarks with written submissions. MSHA will incorporate written submissions into the official record, which includes a verbatim transcript, and make them available to the public. The Panel Chairman will moderate the public participation session, and panelists may ask the speakers questions.

The public may inspect the official record of the meetings at the MSHA address listed above under the heading **FOR FURTHER INFORMATION CONTACT**. In addition, this information will be posted on the Agency's single source webpage titled "The Technical Study Panel on the Utilization of Belt Air and the Composition and Fire Retardant Properties of Belt Materials in Underground Coal Mining Single Source Page." The Single Source page is located at <http://www.msha.gov/BeltAir/BeltAir.asp>.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: NARA is giving public notice that the agency has submitted to OMB for approval the information collection described in this notice. The public is invited to comment on the proposed information collection pursuant to the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted to OMB at the address below on or before June 1, 2007 to be assured of consideration.

ADDRESSES: Send comments to Desk Officer for NARA, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202–395–5167.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the proposed information collection and supporting statement should be directed to Tamee Fechhelm at telephone number 301–837–1694 or fax number 301–713–7409.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13), NARA invites the general public and other Federal agencies to comment on proposed information collections. NARA published a notice of proposed collection for this information collection on February 14, 2007 (72 FR 7088 and 7089). No comments were received. NARA has submitted the described information collection to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed collection information is necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on

respondents, including the use of information technology; and (e) whether small businesses are affected by this collection. In this notice, NARA is soliciting comments concerning the following information collection:

Title: Microfilm Publication Order Form.

OMB number: 3095–0046.

Agency form number: NATF Form 36.

Type of review: Regular.

Affected public: Business or for-profit, nonprofit organizations and institutions, federal, state and local government agencies, and individuals or households.

Estimated number of respondents: 600.

Estimated time per response: 10 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 100 hours.

Abstract: The information collection is prescribed by 36 CFR 1254.72. The collection is prepared by researchers who cannot visit the appropriate NARA research room or who request copies of records as a result of visiting a research room. NARA offers limited provisions to obtain copies of records by mail and requires requests to be made on prescribed forms for certain bodies of records. The National Archives Trust Fund (NATF) Form 36 (9/05), Microfilm Publication Order Form, is used by customers/researchers for ordering a roll, rolls, or a microfiche of a microfilm publication.

Dated: April 26, 2007.
