**AGENCY:** Federal Highway Administration (FHWA), DOT.

**ACTION:** Notice of Limitation on Claims for Judicial Review of Actions by FHWA and Other Federal Agencies.

**SUMMARY:** This notice announces actions taken by the FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(j)(1). *The actions relate to:* the proposed State Route 46 highway project, in the City of Wasco between Kilo Posts 74.03/82.43 (Post Miles 46.00/51.22) in Kern County, State of California; and, the proposed Westside Parkway Project between Heath Road and SR-99 in Bakersfield, Kern County, State of California. Those actions grant approvals for the two proposed projects.

**DATES:** By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(j)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before January 30, 2008. If the Federal law that authorizes

judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given that the FHWA and other Federal agencies have taken final agency actions by issuing approvals for the following highway projects in the State of California. It is proposed to widen State Route 46 from a two-lane conventional highway to a four-lane conventional highway, four-lane expressway, or combination of the two between the Jumper Avenue alignment (along the west side of the Wasco State Prison) and "J" Street (State Route 43-North), from kilometer posts 74.03 to 82.43 (post mile 46.00 to 51.22), in the City of Wasco in Kern County, California. Additionally, the Westside Parkway facility is proposed as an 8.1-mile-long eight-lane freeway from approximately Heath Road to a point near SR-99 at Truxtun Avenue in the

City of Bakersfield and an unincorporated portion of Kern County. The project would cross a number of existing features such as other roadways, canals, and the Kern River. The project also includes the extension of Mohawk Street south from Rosedale Highway, across the Kern River, to Truxtun Avenue. In addition to connecting to Stockdale Highway and Truxtun Avenue, interchanges would be provided at Allen Road, Calloway Drive, Coffee Road, and Mohawk Street. Grade-separations would be constructed at Jewetta Avenue and Renfro Road to carry local roadways over the Westside Parkway.

The individual petition is described below, including the party seeking relief, the regulatory provisions involved, the nature of the relief being requested, and the petitioner's arguments in favor of relief.

#### Capital Metropolitan Transportation Authority

[Docket Number FRA–2006–25040]

Capital Metropolitan Transportation Authority (CMTA), located in Austin, TX, seeks a Conditional Test Waiver of compliance from certain parts of Title 49 of the CFR as part of its ongoing efforts to test and eventually commission new non-FRA compliant diesel multiple units for its start-up commuter rail service linking the City of Leander with downtown Austin, TX.

CMTA is seeking a permanent waiver of compliance from the provisions of 49 CFR Part 219, *Drug and Alcohol*; Part 221, *Rear End Marking Devices*; Part 223, *Safety Glazing Standards*; Part 225, *Accident and Incident Reporting*; Part 229, *Railroad Locomotive Safety Standards*; Part 231, *Railroad Safety Appliance Standards*; Part 238, *Passenger Equipment Safety Standards*; Part 239, *Passenger Train Emergency Preparedness*; and Part 240, *Qualification and Certification of Locomotive Engineers*. In order to begin revenue operation in the fall of 2008, CMTA would like this Conditional Test Waiver in order to meet the system commissioning and testing requirements of the Texas Department of Transportation (TxDOT) System Safety and Security Certification process. Lastly, CMTA posits this Conditional Test Waiver is needed to successfully complete system integration, vehicle acceptance, training, and equipment familiarization. The testing will be conducted consistent with the operating principles of temporal separation set

forth in the original petition for permanent waiver. Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communication concerning these proceedings should identify the appropriate docket number (e.g., Waiver Petition Docket Number FRA–2006–25040) and must be submitted to the Docket Clerk, DOT Docket Management Facility, 1200 New Jersey Avenue, SE., West Building Ground Floor, Room W12–140, Washington, DC 20590.
