

b. VA Form 10-0103 is used to determine eligibility/entitlement and reimbursement of individual claims for home improvement and structural alterations.

c. VA Form 10-1394 is used to determine eligibility/entitlement and reimbursement of individual claims for automotive adaptive equipment.

d. VA Form 10-2421 is used for the direct procurement of new prosthetic appliances and/or services. The form standardizes the direct procurement authorization process, eliminating the need for separate purchase orders, expedites patient treatment and improves the delivery of prosthetic services.

e. VA Form 10-2520 is used by the vendors as an invoice and billing document. The form standardizes repair/treatment invoices for prosthetic services rendered and standardizes the verification of these invoices. The veteran certifies that the repairs were necessary and satisfactory. This form is furnished to vendors upon request.

f. VA Form 10-2914 is used as a combination prescription, authorization and invoice. It allows veterans to purchase their eyeglasses directly. If the form is not used, the provisions of providing eyeglasses to eligible veterans may be delayed.
