

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

SUPPLEMENTARY INFORMATION:

I. Abstract

The objectives of the National Sea Grant College Program are to increase the understanding, assessments, development, utilization, and conservation of the Nation's ocean, coastal, and Great Lakes resources. It accomplishes these objectives by conducting research, education, and outreach programs.

Grant monies are available for funding activities that help obtain the objectives of the Sea Grant Program. Both single and multi-project grants are awarded,

with the latter representing about 80 percent of the total grant program. In addition to other standard grant application requirements, three additional forms are required with Sea Grant grants. These are the Sea Grant Control Form 90-2, used to identify the organizations and personnel who would be involved in the grant; the Project Record Form 90-1, which collects summary data on projects; and the Sea Grant Budget Form 90-4, which provides information similar to, but more detailed than, forms SF-424A or SF-424C.

The National Sea Grant College Program Act (33 U.S.C. 1126) provides for the designation of a public or private institution of higher education, institute, laboratory, or State or local agency as a Sea Grant college or Sea Grant institute. Applications are required for designation of Sea Grant Colleges and Sea Grant Institutes.
