SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55164; File No. SR FICC-2006-20]

Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Modify the EPN Rules of its Mortgage-Backed Securities Division to Implement New Messaging Capabilities and Establish a Fee Structure

January 24, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on December 28, 2006, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change described in Items I, II, and III below, which items have been prepared primarily by FICC. FICC filed the proposed rule change pursuant to Section 19(b)(3)(A)(ii) and (iii) of the Act² and Rules 19b-4(f)(2) and 19b-4(f)(4) thereunder³ so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to modify the Electronic Pool Notification ("EPN") rules of FICC's Mortgage-Backed Securities Division ("MBSD") to implement new messaging capabilities for participants using the EPN service and to establish a fee structure for the new messaging capabilities.⁴

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections (A), (B),

and (C) below, of the most significant aspects of these statements.⁵

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule filing is to modify the EPN Rules of the MBSD to implement new messaging capabilities for participants using the EPN service and to establish a fee structure for the new messaging capabilities. Currently, MBSD participants who wish to effect a pool substitution through the EPN service must submit two separate messages to the MBSD to effect the substitution—one to cancel the originally allocated pool and one to submit the substituted pool. In the alternative, participants may manually cancel the originally allocated pool and specify the substituted pool to a contra-party through phone or fax messages. Either process is cumbersome and inefficient for members.

To remedy this, the MBSD has created a new EPN message type called the "Cancel/Correct Pool Substitution" ("Cancel/Correct") to support the simultaneous cancellation of previously allocated pools and notification of substituted pools. By introducing the Cancel/Correct message, FICC will provide MBSD participants with an efficient method of transmitting pool substitutions to their allocation counterparties.⁶

FICC will amend the EPN fee schedule to incorporate related charges for the new Cancel/Correct message types. The proposed billing structure takes into account the Securities Industry and Financial Markets Association's cut-off times for delivering substitution and replacement pool information.

The proposed rule change is consistent with the requirements of Section 17A of the Act and the rules and regulations thereunder because it will enable FICC to improve messaging capabilities in the EPN system, leading to an increase in efficiencies for FICC and its members. This will enable FICC to better ensure the accurate reporting, clearance, and settlement of securities transactions.

(B) Self-Regulatory Organization's Statement on Burden on Competition

FICC does not believe that the proposed rule change will have any impact or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited or received. FICC will notify the Commission of any written comments received by FICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(4)⁸ thereunder because the proposed rule change effects a change in an existing service of FICC that (i) does not adversely affect the safeguarding of securities or funds in the custody or control of FICC and (ii) does not significantly affect the respective rights or obligations of FICC or those members using the service. The foregoing rule change has also become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and Rule 19b-4(f)(2)¹⁰ thereunder because the proposed rule establishes or changes a due, fee, or other charge applicable only to participants. At any time within sixty days of the filing of such rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
