If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118. 4. *Performance Measures:* We have established three performance indicators for the PIRC program. These performance indicators are: (1) The number of parents who are participating in PIRC activities designed to provide them with the information necessary to understand their State accountability systems and the rights and opportunities for supplemental services and public school choice afforded to their children under section 1116 of the ESEA; (2) the percentage of customers (parents, educators in State and local educational agencies, and other audiences) reporting that PIRC services are of high quality; and (3) the percentage of customers reporting that PIRC services are highly useful to them.

The Department intends to collect data for the first indicator through

annual performance reports and to collect data for the second and third indicators through a customer satisfaction survey.
