Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Rehabilitation Training: Rehabilitation Long-Term Training program provides financial assistance for projects that provide basic or advanced training leading to an academic degree in areas of personnel shortages, provide a specified series of courses or program of study leading to award of a certificate in areas of personnel shortages, or provide support for medical residents enrolled in residency training programs in the specialty of physical medicine and rehabilitation.

Priorities: This notice contains one absolute priority and two invitational priorities.

Absolute Priority: This priority is from the notice of final priority for this program, published in the **Federal Register** on January 15, 2003 (68 FR 2166).

For FY 2008, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Partnership With the State VR Agency

This priority supports projects that will increase the knowledge of students of the role and responsibilities of the VR counselor and of the benefits of counseling in State VR agencies. This priority focuses attention on and intends to strengthen the unique role of rehabilitation educators and State VR

agencies in the preparation of qualified VR counselors by increasing or creating ongoing collaboration between institutions of higher education and State VR agencies.

Projects funded under this priority must include within the degree program information about and experience in the State VR system. Projects must include partnering activities for students with the State VR agency including experiential activities, such as formal internships or practicum agreements. In addition, experiential activities for students with community-based rehabilitation service providers are encouraged.

Projects must include an evaluation of the impact of project activities.

Within this absolute priority, we are particularly interested in applications that address the following invitational priorities.

Invitational Priorities: Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Distance Learning

We are especially interested in projects that include a distance learning component to enable outreach to non-traditional students and students from a broad geographic area. We establish this invitational priority in order to help prepare more students for careers in State vocational rehabilitation agencies.

Recruitment and Placement

Because of personnel shortages in State VR agencies, we are especially interested in projects that develop a plan for the recruitment of students, especially those who may be interested in working in State VR agencies, and a plan for placement of graduates in such agencies.

Program Authority: 29 U.S.C. 772.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, and 99. (b) The regulations in 34 CFR parts 385 and 386.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Estimated Available Funds: The Administration has requested \$38,438,000 for the Rehabilitation

Training program for FY 2008, of which we intend to use an estimated \$2,850,000 for this Rehabilitation Counseling competition. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$100,000–\$150,000.

Estimated Average Size of Awards: \$137,500.

Maximum Award: We will reject any application that proposes a budget exceeding \$150,000 for a single budget period of 12 months. The Assistant Secretary for Special Education and Rehabilitative Services may change the maximum amount through a notice published in the **Federal Register**.
