

NUCLEAR REGULATORY COMMISSION

Advisory Committee on Reactor Safeguards; Procedures for Meetings

Background

This notice describes procedures to be followed with respect to meetings conducted by the U.S. Nuclear Regulatory Commission's (NRC's) Advisory Committee on Reactor Safeguards (ACRS) pursuant to the Federal Advisory Committee Act (FACA). These procedures are set forth so that they may be incorporated by reference in future notices for individual meetings.

The ACRS is a statutory group established by Congress to review and report on nuclear safety matters and applications for the licensing of nuclear facilities. The Committee's reports become a part of the public record.

The ACRS meetings are conducted in accordance with FACA; they are normally open to the public and provide opportunities for oral or written statements from members of the public to be considered as part of the Committee's information gathering process. ACRS reviews do not normally encompass matters pertaining to environmental impacts other than those related to radiological safety.

The ACRS meetings are not adjudicatory hearings such as those conducted by the NRC's Atomic Safety and Licensing Board Panel as part of the Commission's licensing process.

General Rules Regarding ACRS Full Committee Meetings

An agenda will be published in the **Federal Register** for each full Committee meeting. There may be a need to make changes to the agenda to facilitate the conduct of the meeting. The Chairman of the Committee is empowered to conduct the meeting in a manner that, in his/her judgment, will facilitate the orderly conduct of business, including making provisions to continue the discussion of matters not completed on the scheduled day on another day of the same meeting. Persons planning to attend the meeting may contact the Designated Federal Officer (DFO) specified in the **Federal Register** Notice prior to the meeting to be advised of any changes to the agenda that may have occurred.

The following requirements shall apply to public participation in ACRS full Committee meetings:

(a) Persons who plan to submit written comments at the meeting should provide 35 copies to the DFO at the beginning of the meeting. Persons who

cannot attend the meeting, but wish to submit written comments regarding the agenda items may do so by sending a readily reproducible copy addressed to the DFO specified in the **Federal Register** Notice, care of the Advisory Committee on Reactor Safeguards, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Comments should be limited to items being considered by the Committee. Comments should be in the possession of the DFO 5 days prior to the meeting to allow time for reproduction and distribution.

(b) Persons desiring to make oral statements at the meeting should make a request to do so to the DFO; if possible, the request should be made 5 days before the meeting, identifying the topic(s) on which oral statements will be made and the amount of time needed for presentation so that orderly arrangements can be made. The Committee will hear oral statements on topics being reviewed at an appropriate time during the meeting as scheduled by the Chairman.

(c) Information regarding topics to be discussed, changes to the agenda, whether the meeting has been canceled or rescheduled, and the time allotted to present oral statements can be obtained by contacting the DFO.

(d) The use of still, motion picture, and television cameras will be permitted at the discretion of the Chairman and subject to the condition that the use of such equipment will not interfere with the conduct of the meeting. The DFO will have to be notified prior to the meeting and will authorize the use of such equipment after consultation with the Chairman. The use of such equipment will be restricted as is necessary to protect proprietary or privileged information that may be in documents, folders, etc., in the meeting room. Electronic recordings will be permitted only during those portions of the meeting that are open to the public.

(e) A transcript will be kept for certain open portions of the meeting and will be available in the NRC Public Document Room (PDR), One White Flint North, Room O-1F21, 11555 Rockville Pike, Rockville, MD 20852-2738. A copy of the certified minutes of the meeting will be available at the same location 3 months following the meeting. Copies may be obtained upon payment of appropriate reproduction charges. ACRS meeting agenda, transcripts, and letter reports are available through the PDR at pdrc@nrc.gov, by calling the PDR at 1-800-394-4209, or from the Publicly Available Records System (PARS) component of NRC's document system

(ADAMS) which is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> or <http://www.nrc.gov/reading-rm/doc-collections/> (ACRS & ACNW Mtg schedules/agendas).

(f) Video teleconferencing service is available for observing open sessions of ACRS meetings. Those wishing to use this service for observing ACRS meetings should contact Mr. Theron Brown, ACRS Audio Visual Specialist, (301-415-8066) between 7:30 a.m. and 3:45 p.m. Eastern Time at least 10 days before the meeting to ensure the availability of this service. Individuals or organizations requesting this service will be responsible for telephone line charges and for providing the equipment and facilities that they use to establish the video teleconferencing link. The availability of video teleconferencing services is not guaranteed.

ACRS Subcommittee Meetings

In accordance with the revised FACA, the agency is no longer required to apply the FACA requirements to meetings conducted by the Subcommittees of the NRC Advisory Committees, if the Subcommittee's recommendations would be independently reviewed by its parent Committee.

The ACRS, however, chose to conduct its Subcommittee meetings in accordance with the procedures noted above for ACRS full Committee meetings, as appropriate, to facilitate public participation, and to provide a forum for stakeholders to express their views on regulatory matters being considered by the ACRS. When Subcommittee meetings are held at locations other than at NRC facilities, reproduction facilities may not be available at a reasonable cost. Accordingly, 50 copies of the materials to be used during the meeting should be provided for distribution at such meetings.

Special Provisions When Proprietary Sessions Are To Be Held

If it is necessary to hold closed sessions for the purpose of discussing matters involving proprietary information, persons with agreements permitting access to such information may attend those portions of the ACRS meetings where this material is being discussed upon confirmation that such agreements are effective and related to the material being discussed.

The DFO should be informed of such an agreement at least 5 working days prior to the meeting so that it can be confirmed, and a determination can be

made regarding the applicability of the agreement to the material that will be discussed during the meeting. The minimum information provided should include information regarding the date of the agreement, the scope of material included in the agreement, the project or projects involved, and the names and titles of the persons signing the agreement. Additional information may be requested to identify the specific agreement involved. A copy of the executed agreement should be provided to the DFO prior to the beginning of the meeting for admittance to the closed session.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Commission, Office of Investor

Extension:

Rule 7d-1; SEC File No. 270-176; OMB
Control No. 3235-0311.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 7(d) of the Investment Company Act of 1940 (15 U.S.C. 80a-7(d)) (the "Act" or "Investment Company Act") requires an investment company ("fund") organized outside the

United States ("foreign fund") to obtain an order from the Commission allowing the fund to register under the Act before making a public offering of its securities through the United States mail or any means of interstate commerce. The Commission may issue an order only if it finds that it is both legally and practically feasible effectively to enforce the provisions of the Act against the foreign fund, and that the registration of the fund is consistent with the public interest and protection of investors.

Rule 7d-1 (17 CFR 270.7d-1) under the Act, which was adopted in 1954, specifies the conditions under which a Canadian management investment company ("Canadian fund") may request an order from the Commission permitting it to register under the Act. Although rule 7d-1 by its terms applies only to Canadian funds, other foreign funds generally have agreed to comply with the requirements of rule 7d-1 as a prerequisite to receiving an order permitting those foreign funds' registration under the Act.

The rule requires a Canadian fund that wishes to register to file an application with the Commission that contains various undertakings and agreements by the fund. Certain of these undertakings and agreements, in turn, impose the following additional information collection requirements:

(1) The fund must file agreements between the fund and its directors, officers, and service providers requiring them to comply with the fund's charter and bylaws, the Act, and certain other obligations relating to the undertakings and agreements in the application;

(2) the fund and each of its directors, officers, and investment advisers that is not a U.S. resident, must file an irrevocable designation of the fund's custodian in the United States as agent for service of process;

(3) the fund's charter and bylaws must provide that (a) the fund will comply with certain provisions of the Act applicable to all funds, (b) the fund will maintain originals or copies of its books and records in the United States, and (c) the fund's contracts with its custodian, investment adviser, and principal underwriter, will contain certain terms, including a requirement that the adviser maintain originals or copies of pertinent records in the United States;

(4) the fund's contracts with service providers will require that the provider perform the contract in accordance with the Act, the Securities Act of 1933 (15 U.S.C. 77a-77z-3), and the Securities Exchange Act of 1934 (15 U.S.C. 78a-78mm), as applicable; and

(5) the fund must file, and periodically revise, a list of persons affiliated with the fund or its adviser or underwriter.

Under section 7(d) of the Act the Commission may issue an order permitting a foreign fund's registration
