Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; For-Hire Fishery off the Southern Atlantic States; Control Date

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Advanced notice of proposed rulemaking; request for comments.

SUMMARY: NMFS announces that it is considering, and is seeking public comment on proposed rulemaking to control future access to the South Atlantic for-hire fishery. If a management regime is developed and implemented under the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), the control date would limit the number of participants in the fishery. This announcement is intended, in part, to promote awareness of the potential

eligibility criteria for future access so as to discourage speculative entry into the fishery while the South Atlantic Fishery Management Council (Council) and NMFS consider whether and how access to the for-hire fishery should be controlled.

DATES: Written comments must be received on or before 5 p.m., local time, November 26, 2007.

ADDRESSES: You may submit comments, identified by 0648-AW03, by any one of the following methods:

- **Electronic Submissions:** Submit all electronic public comments via the Federal eRulemaking Portal <http://www.regulations.gov> by clicking on "Search For Dockets" at the top of the screen, then enter the following identifier: 0648-AW03 in the "RIN" field and click the "Submit" button.

- **Fax:** Attn: Kate Michie 727-824-5308.

- **Mail:** Kate Michie, NMFS Southeast Regional Office, Sustainable Fisheries Division, 263 13th Avenue South, St. Petersburg, FL 33701.

Instructions: All comments received are a part of the public record and will generally be posted to <http://www.regulations.gov> without change. All Personal Identifying Information (for example, name, address, etc.) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information.

NMFS will accept anonymous comments. Attachments to electronic comments will be accepted in Microsoft Word, Excel, WordPerfect, or Adobe PDF file formats only.

SUPPLEMENTARY INFORMATION: At the June 2007 Council meeting, the Council recommended a control date of March 8, 2007, applicable to persons who are contemplating entering any for-hire fishery (charter and headboats) in the exclusive economic zone (EEZ) of the South Atlantic region. The Council requested that this control date be published in the **Federal Register** to notify fishermen that if they enter such a fishery after March 8, 2007, they may not be assured of future access if the Council and/or NMFS decide to limit entry or impose other measures to manage these fisheries.

Establishment of the control date responds to the Council's concerns that for-hire fisheries are expanding quite rapidly and the perception that many of
