**AGENCY:** Office of the United States Trade Representative.

**SUMMARY:** The Office of the United States Trade Representative ("USTR") is providing notice that pursuant to a request of the European Communities, the Dispute Settlement Body of the World Trade Organization ("WTO") has established a compliance panel under the *Marrakesh Agreement Establishing the World Trade Organization* ("WTO Agreement") concerning the dispute *United States—Laws, Regulations and Methodology for Calculating Dumping Margins ("zeroing")—Recourse to Article 21.5 of the DSU by the European Communities*. That request may be found at <http://www.wto.org> contained in a document designated as WT/DS294/25. USTR invites written comments from the public concerning the issues raised in this dispute.

**DATES:** Although USTR will accept any comments received during the course of the dispute settlement proceeding, comments should be submitted on or before December 21, 2007.

**ADDRESSES:** Comments should be submitted (i) electronically, to [FR0715@ustr.eop.gov](mailto:FR0715@ustr.eop.gov), Attn: "EC Zeroing (21.5)" in the subject line, or (ii) by fax, to Sandy McKinzy at 202-395-3640, with a confirmation copy sent electronically to the e-mail address above.

**FOR FURTHER INFORMATION CONTACT:**

Elizabeth V. Baltzan, Associate General Counsel, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20508, (202) 395-3582.

**SUPPLEMENTARY INFORMATION:** USTR is providing notice that the DSB has established, at the request of the EC, a dispute settlement compliance panel pursuant to the WTO *Understanding on Rules and Procedures Governing the Settlement of Disputes* (DSU). Such panel will hold any hearing in Geneva, Switzerland. It is possible that the public will be able to observe the hearing of the panel. If so, then USTR would intend to provide notice on USTR's Web site (under "Opportunities to View Dispute Settlement Hearings" on the Web page [http://www.ustr.gov/Trade\\_Agreements/Monitoring\\_Enforcement/Dispute\\_Settlement/WTO/Section\\_Index.html](http://www.ustr.gov/Trade_Agreements/Monitoring_Enforcement/Dispute_Settlement/WTO/Section_Index.html)) of the public hearing and the means by which the public may observe.

**Major Issues Raised by the EC**

In the European Communities' (the "EC") request for the establishment of a panel in connection with the dispute *United States—Laws, Regulations and Methodology for Calculating Dumping Margins* ("zeroing")—*Recourse to Article 21.5 of the DSU by the European Communities*, the EC challenges the following:

- The consistency with Articles 17.14 and 21 of the DSU of the dates of entry into force of the Section 129 determinations issued by the Department of Commerce to comply with the recommendations and rulings of the original proceeding;
- The alleged failure to eliminate "zeroing" in 16 administrative reviews found, in the original proceeding, to be inconsistent with U.S. WTO obligations; the EC alleges that the failure to eliminate "zeroing" in these reviews is a breach of Articles 2, 9.3, and 11 of the Antidumping Agreement and Article VI:2 of the GATT 1994;
- An alleged miscalculation with respect to one determination;
- With respect to all measures identified in the request, the alleged antidumping, collection, or liquidation of antidumping duties "inflated" by "zeroing" beyond April 9, 2007;
- The increase in the "all-others" rate in connection with two determinations;
- With respect to original investigations in which the recalculation of dumping margins led to the conclusion that some exporters were not dumping or had *de minimis* margins, the failure to establish whether

the remaining amount of dumped imports was causing injury to the domestic industry and whether the volume of dumped imports was not negligible; and

- The continued use of zeroing in the reviews related to the measures in question.
