FOR FURTHER INFORMATION CONTACT: Dena Crossland or John Drury, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3362 or (202) 482-0195, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 11, 2006, the Department of Commerce (“the Department”) published the preliminary results of this administrative review of certain cut-to-length carbon steel plate (“cut-to-length plate”) from Romania. See *Certain Cut-to-Length Carbon Steel Plate from Romania: Preliminary Results of the Antidumping Duty Administrative Review and Partial Rescission*, 71 FR 53377 (September 11, 2006) (“*Preliminary Results*”). In the *Preliminary Results* we stated that we would make our final determination for the antidumping duty review no later than 120 days after the date of publication of the preliminary results (*i.e.*, January 9, 2007).

Extension of Time Limit for Final Results

The Department is extending the time limit for the final results of the administrative review of the

antidumping duty order on cut-to-length plate from Romania. This review covers the period August 1, 2004, through July 31, 2005.

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), states that if it is not practicable to complete the review within the time specified, the administering authority may extend the 120-day period, following the date of publication of the preliminary results, to issue its final results by an additional 60 days. Due to the complexity of issues raised in this review segment, including the selection of date of sale for respondent’s U.S. sales and the calculation of inland freight to port expenses, the completion of the final results within the 120-day period is not practicable.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by an additional 30 days until no later than February 8, 2007.

Dated: December 28, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary, for Import Administration.

AGENCY: Import Administration, International Trade Administration, Commerce.

DATES: *Effective Date:* January 9, 2007.

FOR FURTHER INFORMATION CONTACT: Erin C. Begnal or Scot Fullerton, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1442 or (202) 482-1386, respectively.

Background

On October 10, 2006, the Department of Commerce (“Department”) published the preliminary results of the administrative and new shipper reviews of the antidumping duty order on freshwater crawfish tail meat from the People’s Republic of China for the period September 1, 2004, through August 31, 2005. See *Freshwater Crawfish Tail Meat From the People’s Republic of China: Preliminary Results and Partial Rescission of the 2004/2005 Administrative and New Shipper Reviews*, 71 FR 59432 (October 10, 2006) (“*Preliminary Results*”). The final results of these reviews are currently due by February 7, 2007.

Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), and section 351.213(h)(1) of the Department’s regulations, the Department shall issue final results in an administrative review of an antidumping duty order within 120 days after the date on which the notice of preliminary results is published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the specified time period, section 751(a)(3)(A) of the Act allows the Department to extend this time period to 180 days.

The Department has determined that completion of the final results of the aligned administrative and new shipper reviews within the 120-day period is impracticable. The Department requires additional time to address the concerns of the interested parties as raised in their November 9, 2006, case briefs, and November 14, 2006, rebuttal briefs. Therefore, the Department is fully extending the time limit for completion of these final results to April 8, 2007, in accordance with section 751(a)(3)(A) of the Act. However, because April 8, 2007, falls on a Sunday, the final results will be due no later than, April 9, 2007, the next business day.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 27, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Hand Trucks and Certain Parts Thereof From the People's Republic of China; Preliminary Results and Partial Rescission of Administrative Review and Preliminary Results of New Shipper Review

AGENCY: Import Administration, International Trade Administration, Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review and a new shipper review of the antidumping duty order on hand trucks and certain parts thereof (hand trucks) from the People's Republic of China (PRC) covering the period December 1, 2004, through November 30, 2005. We have preliminarily determined that sales have been made below normal value (NV). If these preliminary results are adopted in the final results of these reviews, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries.

Interested parties are invited to comment on these preliminary results. We will issue the final results no later than 120 days from the date of publication of this notice.

DATES: *Effective Date:* January 9, 2007.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood or Nichole Zink, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3874 or (202) 482-0049, respectively.

Background

On December 1, 2005, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on hand trucks from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 70 FR 72109 (Dec. 1, 2005).

In accordance with 19 CFR 351.214(c), on December 27, 2005, the Department received a request to

conduct both an administrative review and a new shipper review of the antidumping duty order from Since Hardware (Guangzhou) Co., Ltd. (Since Hardware), a producer/exporter of subject merchandise in the PRC.

In accordance with 19 CFR 351.213(b)(1), on December 30, 2005, the petitioners, Gleason Industrial Products, Inc. and Precision Products, Inc., requested that the Department conduct an administrative review for the following producers and/or exporters of the subject merchandise: Qingdao Huatian Hand Truck Co., Ltd. (Huatian); Qingdao Future Tool, Inc. (Future Tool); Qingdao Taifa Group Co. Ltd./Qindao Yinzhu Hang Truck Factory (collectively, "Taifa"); True Potential Co., Ltd. (True Potential); and Shandong Machinery I&E Group Corp. (Shandong Machinery). Also on December 30, 2005, the Department received a request to conduct an administrative review from Aulita Quindao Manufacturing Co., Ltd. (Aulita), a producer/exporter of the subject merchandise, in accordance with 19 CFR 351.213(b)(2).

On January 3, 2006, Clipper Products, Inc., a U.S. importer of the subject merchandise, requested that the Department conduct an administrative review of Forecarry Corp. (Forecarry), an exporter of subject merchandise located in a third country, and its PRC supplier, Formost Plastics & Metalworks (Jiaxing) Co., Ltd. (Formost).

On February 1, 2006, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review of hand trucks from the PRC for the period May 24, 2004, through November 30, 2005. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 5241 (Feb. 1, 2006). On February 3, 2006, the Department also published in the **Federal Register** a notice of the initiation of the new shipper review of Since Hardware. *See Hand Trucks and Certain Parts Thereof from the People's Republic of China: Initiation of New Shipper Review*, 71 FR 5810 (Feb. 3, 2006).

On February 8, 2006, we issued a new shipper questionnaire to Since Hardware. We received Since Hardware's response to Section A of this questionnaire on February 23, 2006.

In February 2006 we issued quantity and value questionnaires to Aulita, Forecarry, Formost, Future Tool, Huatian, Shandong Machinery, True Potential, and Taifa. We received responses to these questionnaires between February 22 and March 3, 2006, from all companies except Aulita and Shandong Machinery.

On February 13, 2006, Since Hardware stated that it did not object to a rescission of its requested administrative review, so long as its sale was examined in the context of the new shipper review. *See* the "Partial Rescission of Administrative Review" section of this notice, below, for further discussion.

On February 15, 2006, we issued letters to all parties in both the administrative review and the new shipper review informing them of the correct period of review (POR). The POR for this segment of the proceeding is December 1, 2004, through November 30, 2005. On February 24, 2006, we published in the **Federal Register** a correction to the POR for the administrative review. **See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 9519 (Feb. 24, 2006).

On February 28, 2006, Aulita withdrew its request for an administrative review within the time limits specified under 19 CFR 351.213(d)(1). *See* the "Partial Rescission of Administrative Review" section of this notice, below, for further discussion.

On March 3, 2006, we issued a letter to Shandong Machinery providing a second opportunity to respond to the Department's request for quantity and value information. Shandong Machinery did not respond to the Department's March 3, 2006, letter. *See* the "Facts Available" section of this notice, below, for further discussion.

On March 17, 2006, the Department determined that it was not practicable to examine individually all of the companies covered by the 2004-2005 administrative review, and thus it limited its examination to the largest producers/exporters that could reasonably be reviewed, pursuant to section 777A(c)(2)(B) of the Tariff Act of 1930, as amended (the Act). Therefore, on this date the Department selected Taifa as the sole respondent required to submit a full questionnaire response in the administrative review. *See* the March 17, 2006, memorandum from Irene Darzenta Tzafolias, Acting Office Director, to Stephen Claeys, Deputy Assistant Secretary, entitled "Antidumping Duty Administrative Review of Hand Trucks and Certain Parts Thereof from the People's Republic of China: Selection of Respondents."

On March 20, 2006, we issued the antidumping duty questionnaire to Taifa. Also on March 20, 2006, we issued a separate-rate questionnaire (*i.e.*, section A of the antidumping duty questionnaire) to Future Tool, Huatian,
