

to assess antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

Notification Regarding APO

This notice also serves as a reminder to the parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation. This determination and notice are issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.

This determination and notice are issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.

Dated: February 23, 2007.

David M. Spooner,
Assistant Secretary for Import
Administration.

Appendix I

Changes from the Preliminary Determination

General Issues

Comment 1: Whether to Clarify the Scope With Respect to Blended Products

Comment 2: Whether to Exclude Carbochem Products from the Scope
Comment 3: Whether to Correct Freight Ministerial Error
Comment 4: Whether to Change the Department's Zeroing Methodology
Comment 5: Whether to Grant a By-Product Offset for Activated Carbon Products

Comment 6: Treatment of Non-Production Electricity and Labor

Company-Specific Issues

Jacobi Issues

Comment 7: Whether to Apply Total Adverse Facts Available to Jacobi
Comment 8: Treatment of Powdered Activated Carbon Sold to the United States

Comment 9: Whether to Recalculate Jacobi's FOPs to Include By-products in the Denominator
Comment 10: Whether to Apply Adverse Facts Available for DTFH
Comment 11: Whether to Apply Adverse Facts Available to Jacobi's Electricity and Labor

Comment 12: Treatment of Impregnated Material at NXGH for which No Data Were Reported

Comment 13: Whether to Impute Verification Findings of NXGH and DTHB to Jacobi's Other Suppliers
Comment 14: Treatment of Water
Comment 15: Treatment of Packing and Factory Labor
Comment 16: Valuation of Carbonized Material

Comment 17: Valuation of Coal
Comment 18: Valuation of Chemical Inputs

Comment 19: Calculation of Indirect Selling Expense

CCT Issues

Comment 20: Whether to Continue to Apply Adverse Facts Available to Certain CCT Suppliers
Comment 21: PXZ's Pressroom Product
Comment 22: Whether to Impute the Verification Findings of NXGH to CCT
Comment 23: Production Denominator
Comment 24: Calculation of Indirect Selling Expense
Comment 25: U.S. Warehousing Expense

Comment 26: Marine Insurance

Jilin Issues

Comment 27: Whether to Apply Adverse Facts Available to Jilin Bright Future

International Trade Administration (A-427-801)

Ball Bearings and Parts Thereof from France: Initiation of an Antidumping Duty Changed-Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request for a changed-circumstances review from Societe Nouvelle de Fabrication Aeronautique S.A.S.U., SKF France S.A., and SKF Aerospace France S.A.S. and pursuant to section 751(b) of the Tariff Act of 1930, as amended, and 19 CFR § 351.216 and 351.221(c)(3), the Department of Commerce is initiating a changed-circumstances review of the antidumping duty order on ball bearings and parts thereof from France.

EFFECTIVE DATE: March 2, 2007.

FOR FURTHER INFORMATION CONTACT:

Edythe Artman at (202) 482-3931 or Richard Rimlinger at (202) 482-4477, AD/CVD Operations, Office 5, Import

Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce (the Department) published antidumping duty orders on ball bearings, cylindrical roller bearings, and spherical plain bearings and parts thereof from France on May 15, 1989. See *Antidumping Duty Orders: Ball Bearings, Cylindrical Roller Bearings, Spherical Plain Bearings, and Parts Thereof From France*, 54 FR 20902 (May 15, 1989). The order on cylindrical roller bearings and parts thereof from France was revoked, effective January 1, 2000. See *Revocation of Antidumping Duty Orders on Certain Bearings From Hungary, Japan, Romania, Sweden, France, Germany, Italy, and the United Kingdom*, 65 FR 42667 (July 11, 2000). The order on spherical plain bearings and parts thereof from France was also revoked, effective July 11, 2005. See *Antifriction Bearings and Parts Thereof from France and Singapore: Revocation of Antidumping Duty Orders*, 71 FR 54468 (September 15, 2006).

Societe Nouvelle de Fabrication Aeronautique S.A.S.U. (SNFA) and SKF France S.A. have participated in numerous administrative reviews of the order on ball bearings and parts thereof from France. On August 11, 2000, the Department revoked the order, effective May 1, 1999, with respect to sales of bearings by SNFA. See *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof from France, Germany, Italy, Japan, Romania, Singapore, Sweden and the United Kingdom; Final Results of Antidumping Duty Administrative Reviews and Revocation of Orders in Part*, 65 FR 49219 (August 11, 2000).

On January 9, 2007, SNFA and SKF France S.A. and SKF Aerospace France S.A.S. (collectively SKF France) requested that the Department initiate and conduct a changed-circumstances review in order to determine that, for purposes of the order on ball bearings and parts thereof, SNFA is not a successor-in-interest to SKF France following SNFA's acquisition by that company and that it is the successor-in-interest to the pre-acquisition SNFA.

We did not receive any other comments.

Scope of the Order

The products covered by these orders are ball bearings (other than tapered roller bearings) and parts thereof. These

products include all bearings that employ balls as the rolling element. Imports of these products are classified under the following categories: antifriction balls, ball bearings with integral shafts, ball bearings (including radial ball bearings) and parts thereof, and housed or mounted ball bearing units and parts thereof.

Imports of these products are classified under the following *Harmonized Tariff Schedules of the United States* (HTSUS) subheadings: 3926.90.45, 4016.93.00, 4016.93.10, 4016.93.50, 6909.19.5010, 8431.20.00, 8431.39.0010, 8482.10.10, 8482.10.50, 8482.80.00, 8482.91.00, 8482.99.05, 8482.99.2580, 8482.99.35, 8482.99.6595, 8483.20.40, 8483.20.80, 8483.50.8040, 8483.50.90, 8483.90.20, 8483.90.30, 8483.90.70, 8708.50.50, 8708.60.50, 8708.60.80, 8708.70.6060, 8708.70.8050, 8708.93.30, 8708.93.5000, 8708.93.6000, 8708.93.75, 8708.99.06, 8708.99.31, 8708.99.4960, 8708.99.50, 8708.99.5800, 8708.99.8080, 8803.10.00, 8803.20.00, 8803.30.00, 8803.90.30, and 8803.90.90.

Although the HTSUS item numbers above are provided for convenience and customs purposes, written descriptions of the scope of this order remain dispositive.

For a listing of scope determinations which pertain to the order on ball bearings and parts thereof, see the Scope Determination Memorandum (Scope Memorandum) from the Antifriction Bearings Team to Laurie Parkhill, dated March 2, 2006. The Scope Memorandum is on file in the Central Records Unit (CRU), main Commerce building, Room B-099, in the General Issues record (A-100-001) for the 2004/2005 administrative reviews of the orders on antifriction bearings.

Initiation of Changed-Circumstances Review

Pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR § 351.216 (2005), the Department will conduct a changed-circumstances review upon receipt of information concerning, or a request from an interested party for a review of, an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. SNFA and SKF France claim that they have satisfied the criteria to warrant such a review. See 19 CFR § 351.216(d). We agree that the information submitted by SNFA and SKF France demonstrates changed circumstances sufficient to warrant a review. Therefore, in accordance with the above-referenced regulation, the Department is initiating a changed-circumstances review.

SNFA and SKF France also claim that the information contained in their January 9, 2007, request demonstrates that the post-acquisition SNFA is the successor-in-interest to the pre-acquisition SNFA. The requesting parties ask that the Department thus refrain from issuing a changed-circumstances questionnaire. The Department finds that the request does not clearly establish the entity to which SNFA is the successor-in-interest. Therefore, in accordance with 19 CFR § 351.221(b)(2) and (4) and 19 CFR § 351.221(c)(3)(i), we will issue a questionnaire requesting factual information for the review and will publish a notice of preliminary results of the antidumping duty changed-circumstances review in the **Federal Register**. The notice will set forth the factual and legal conclusions upon which our preliminary results are based. Pursuant to 19 CFR § 351.221(b)(4)(ii), interested parties will have an opportunity to comment on the preliminary results of review. We will issue final results of review no later than the regulatory deadline in accordance with 19 CFR § 351.216(e). During the course of this antidumping duty changed-circumstances review, we will not change the cash-deposit requirements for the subject merchandise. The cash-deposit rate will be altered, if warranted, pursuant only to the final results of this review.

This notice of initiation is in accordance with section 751(b)(1) of the Act, 19 CFR § 351.216(b) and (d), and 19 CFR § 351.221(b)(1).

Dated: February 23, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Certain Corrosion-Resistant Carbon Steel Flat Products from France: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (the Department) is rescinding its administrative review of the antidumping duty order on certain corrosion-resistant carbon steel flat products (CORE) from France for the

period August 1, 2005, through July 31, 2006.

EFFECTIVE DATE: March 2, 2007.

FOR FURTHER INFORMATION CONTACT: Judy Lao or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-7924 and (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 2006, the Department published in the **Federal Register** its notice of opportunity to request an administrative review of the antidumping duty order on CORE from France. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 71 FR 43441 (August 1, 2006). In response, on August 31, 2006, United States Steel Corporation (U.S. Steel), a domestic interested party, requested an administrative review of the antidumping duty order on CORE from France for the period of review (POR) of August 1, 2005, through July 31, 2006, with respect to entries of merchandise exported or shipped by Duferco Coating SA and Sorral SA (collectively, Duferco Sorral). Respondent Duferco Sorral did not request an administrative review. On September 29, 2006, the Department initiated an administrative review of Duferco Sorral. See *Initiation of Antidumping and Countervailing Duty Administrative*, 71 FR 57465 (September 29, 2006). On October 16, 2006, the Department issued its antidumping duty questionnaire to Duferco Sorral. On November 13, 2006, Duferco Sorral and its U.S. affiliate, Duferco Steel, Inc., filed certifications that they did not, directly or indirectly, enter for consumption, or sell, export, or ship for entry for consumption in the United States, subject merchandise during the POR. See Letter to the Secretary from White and Case LLP, dated November 13, 2006.

On December 11, 2006, the Department issued a "No Shipment Inquiry" to U.S. Customs and Border Protection (CBP) to confirm that there were no shipments or entries of CORE from France exported by Duferco Sorral during the POR of the instant administrative review. On December 27, 2006, the Department confirmed, based on its internal review of CBP data and the results of its CBP inquiry, there were no entries of subject merchandise exported or shipped by Duferco Sorral
