

Notification of Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402 (f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred, and in the subsequent assessment of double antidumping duties.

This notice also is the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

SUPPLEMENTARY INFORMATION:

Background

New Shipper Review

On April 18, 2007, Shanghai Tylon Company Ltd. ("Tylon") requested a new shipper review of the antidumping duty order on brake rotors from the People's Republic of China ("PRC"), which has an April anniversary month, in accordance with 19 CFR 351.214(c). On May 25, 2007, the Department initiated a new shipper review of Tylon covering the period April 1, 2006, through March 31, 2007. *See Brake Rotors From the People's Republic of China: Initiation of Antidumping Duty New Shipper Review*, 72 FR 29299 (May 25, 2007).

On August 23, 2007, Tylon agreed to waive the new shipper review time limits in accordance with 19 CFR 351.214(j)(3), to align the new shipper review with the concurrent 2006-2007 administrative review of the antidumping duty order on brake rotors from the PRC. On August 24, 2007, the Department aligned the new shipper review with the 2006-2007 administrative review of the antidumping duty order on brake rotors from the PRC.¹

Administrative Review

On April 2, 2007, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on brake rotors from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 72 FR 15650 (April 2, 2006). On April 30, 2007, the Department received timely requests for an administrative review of this antidumping duty order in accordance with 19 CFR 351.213 from the following individual companies: LABEC, Winhere, Haimeng, Hongda, Meita, Wally, and Longkou Dixon Brake System Ltd. ("Dixon"). On April 30, 2007, the Department also received timely requests for an administrative review of 23 companies (or producer/exporter combinations),² from

petitioner. As a result of the above-mentioned companies' and petitioner's requests for a review, this administrative review covers 24 companies.

As mentioned above, on August 24, 2007, the Department aligned the new shipper review with the 2006-2007 administrative review of the antidumping duty order on brake rotors from the PRC.³ The preliminary results of these reviews are currently due no later than December 31, 2007.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department determines that completion of the preliminary results of these reviews within the statutory time period is not practicable. The Department requires additional time to analyze issues regarding the respondents, including 12 separate-rate respondents and two mandatory respondents in the administrative review and one respondent in the new shipper review. Notice of Extension of Time Limit for Final Results of Administrative Review: Oil Country Tubular Goods, Other Than Drill Pipe, from Korea

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 7, 2008.

FOR FURTHER INFORMATION CONTACT: Scott Lindsay, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230; telephone: (202) 482-0780.

Background

On September 29, 2006, the Department of Commerce (the Department) published a notice of initiation for this antidumping duty administrative review. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 57465 (September 29, 2006). On September 11, 2007, the Department published the preliminary results of this administrative review of the antidumping duty order on oil country tubular goods (OCTG), other than drill pipe, from Korea. *See Oil Country Tubular Goods, Other Than Drill Pipe, from Korea: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 51793 (September 11, 2007) (*Preliminary Results*). We received case briefs on October 11, 2007 and rebuttal briefs on October 16, 2007.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"),

requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested, and issue the final results within 120 days after the date on which the preliminary results are published. However, if the Department finds it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

We determine that it is not practicable to complete the final results of this review within current statutory limits. Due to the complexity of issues raised in the interested parties' case briefs, specifically regarding the appropriate valuation of constructed value profit, selling expenses, and general and administrative expense ratios, the Department requires additional time to evaluate these issues properly. Therefore, we are extending the deadline for the final results of this review by 60 days, from January 9, 2008 until no later than March 10, 2008, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1), 751(a)(3)(A), and 777(i)(1) of the Act.

Dated: December 21, 2007.

Deputy Assistant Secretary for Import Administration.
