Background

This form or the electronic equivalent are used by AmeriCorps members to request a postponement, during their term of service, of their obligation to make payment on qualified student loans while they are earning a minimal living allowance in their national service position. The form provides proof that the borrower is serving in an approved national service position, thereby meeting the criteria for the mandatory forbearance based on national service. The form has a "Manual" version generated from the online request when the institution is not registered online, which provides the AmeriCorps member's electronic signature; the non-electronic version provides a space for the member and the authorized program official to sign.

Current Action

The Corporation seeks to renew the current form. The application will be used in the same manner as the existing application. The Corporation also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on July 31, 2008.

Type of Review: Renewal.

Agency: Corporation for National and Community Service.

Title: Forbearance Request for National Service Form.

OMB Number: 3045-0030.

Agency Number: None.

Affected Public: Individuals who have enrolled in a term of national service who wish to postpone loan payments on qualified loans while they serve.

Total Respondents: 11,000 responses annually, using the paper form.

Frequency: Some members do not have any qualified student loans while others have several. Currently, we estimate about half of the forbearance requests are processed electronically. The Corporation expects the use of paper forms to decrease over the next few years.

Average Time per Response: Total of 10 minutes (nine minutes for the AmeriCorps member's section (non-electronic version) and one minute for certification).

Estimated Total Burden Hours: 1,833 hours.

Total Burden Cost (capital/startup): None.

Total Burden Cost (operating/maintenance): None.

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they will also become a matter of public record.
