

proposed actions, and that the average labor rate is \$80 per work-hour. Reworked ITT ducts to the redesign would cost about \$25,000 per engine. New ITT ducts that are redesigned would cost about \$127,000. We estimate that 30 engines would require new ITT ducts. Based on these figures, we estimate the total cost of the proposed AD to U.S. operators to be \$41,040,000.

Authority for This Rulemaking

Title 49 of the United States Code specifies the FAA's authority to issue rules on aviation safety. Subtitle I, Section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the Agency's authority.

We are issuing this rulemaking under the authority described in Subtitle VII, Part A, Subpart III, Section 44701, "General requirements." Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

Regulatory Findings

We have determined that this proposed AD would not have federalism implications under Executive Order 13132. This proposed AD would not have a substantial direct effect on the States, on the relationship between the national Government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify that the proposed AD:

1. Is not a "significant regulatory action" under Executive Order 12866;
2. Is not a "significant rule" under the DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and
3. Would not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

We prepared a regulatory evaluation of the estimated costs to comply with this proposed AD. You may get a copy of this summary at the address listed under **ADDRESSES**.

The Proposed Amendment

Under the authority delegated to me by the Administrator, the Federal Aviation Administration proposes to amend 14 CFR part 39 as follows:

PART 39—AIRWORTHINESS DIRECTIVES

1. The authority citation for part 39 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40113, 44701.

§ 39.13 [Amended]

2. The FAA amends § 39.13 by adding the following new airworthiness directive:

Honeywell International Inc. (formerly AlliedSignal Inc., formerly Garret Turbine Engine Company): Docket No. FAA-2008-0264; Directorate Identifier 2008-NE-07-AD.

Comments Due Date

(a) The Federal Aviation Administration (FAA) must receive comments on this airworthiness directive (AD) action by June 3, 2008.

Affected ADs

(b) None.

Applicability

(c) This AD applies to Honeywell International Inc. TFE731-4, -4R, -5, -5AR, -5BR, and -5R series turbofan engines, with interstage turbine transition (ITT) duct, part number (P/N) 3075292-1; 3075292-3; 3074766-1; 3077063-1; 3075655-1; 3075655-2; 3075659-1; or 3075659-3, installed. These engines are installed on, but not limited to, Avions Marcel Dassault Mystere-Falcon 50 series, Dassault-Aviation 20, 50, 900, MF900 series, Cessna Model 650, Cessna Citation VII, and Raytheon Corporate Jets (formerly British Aerospace) Hawker 800 and 850XP series airplanes.

Unsafe Condition

(d) This AD results from reports of 49 low pressure turbine (LPT) blade separations. Six of those events resulted in circumferential failure of the LPT2 or LPT3 nozzle assembly, leading to deformation of the ITT duct and uncontainment of the turbine blades and fragments of the LPT nozzle assembly. We are issuing this AD to prevent uncontainment of turbine blades and fragments of the LPT nozzle assembly, which could result in damage to the airplane.

Compliance

(e) You are responsible for having the actions required by this AD performed at the next Major Periodic Inspection of the engine or at next access of the ITT duct, whichever occurs first, but not to exceed 2,600 hours time-in-service after the effective date of this AD, unless the actions have already been done.

Replacement of the ITT Duct

(f) Replace the affected ITT ducts listed by part number in paragraph (c) of this AD, with a serviceable and redesigned ITT duct.

Definitions

(g) For the purpose of this AD, a serviceable and redesigned ITT duct is one not having a part number listed in this AD.

(h) For the purpose of this AD, next access of the ITT duct is when the ITT duct is removed from the engine.

Alternative Methods of Compliance

(i) The Manager, Los Angeles Aircraft Certification Office, has the authority to approve alternative methods of compliance for this AD if requested using the procedures found in 14 CFR 39.19.

Related Information

ACTION: Proposed rule.

This proposal incorporates changes in available space as a result of the renovation of the National Archives Building by identifying the kinds of space available and procedures for requesting use. NARA also proposes to charge fees for the use of public areas in the National Archives Building in accordance with 44 U.S.C. 2903(b). The proposed rule affects the public.

FOR FURTHER INFORMATION CONTACT: Jennifer Davis Heaps at 301-837-1850, or fax at 301-837-0319.

SUPPLEMENTARY INFORMATION: Following is a discussion of substantive changes contained in this proposed rule. Additional nonsubstantive changes have been made and the proposed regulation has been written in plain language in accordance with the Presidential Memorandum of June 1, 1998, Plain Language in Government Writing.

What changes have been made in this proposed rule?

Most of the changes in this proposed rule are to 36 CFR part 1280, subpart D, "What Rules Apply to Use Public Areas in the Washington, DC Area?" We propose to change text in the regulations relating to the availability of public spaces in the National Archives Building for private, non-official use, including meetings and special events. The spaces available for such use have changed since the last revision to subpart D as a result of the building's renovation. The proposed changes to the regulations address some areas that have been relocated, expanded, and renamed. For example, the theater referenced in the current subpart D has been replaced elsewhere in the building by the larger William G. McGowan Theater. The Exhibition Hall has been replaced by renovated and newly constructed exhibit areas including: the renovated Rotunda for the Charters of Freedom (referred to as the Rotunda in these proposed regulations), displaying the Declaration of Independence, Constitution of the United States, and the Bill of Rights; the Rotunda Galleries; the Lawrence F. O'Brien Gallery; and, the Public Vaults. New "Presidential Conference Rooms" also have been built. Of these spaces, the McGowan Theater and the Presidential Conference Rooms may be reserved by groups for meetings and special events in accordance with our rules of use. Groups may also continue to reserve the

Archivist's Reception Room, which is currently addressed in the subpart D regulations. We also propose to add information about fees we may charge under 44 U.S.C. 2903(b), which was enacted as part of the National Archives and Records Administration (NARA) Efficiency Act of 2004 (Public Law 108-383; 118 Stat. 2218-2220, Sec. 4(b)).

Other related changes in this proposed rule are:

- Removing the list of property under the control of the Archivist of the United States in § 1280.1 and, instead, providing a cross reference to the information in § 1280.2.
- Replacing the title "Assistant Archivist for Administrative Services" with "Assistant Archivist for Administration" in § 1280.34.
- Updating cross-referenced citations to the Code of Federal Regulations in §§ 1280.34(b) and 1280.48(f).
- Updating the address for the NARA Public Affairs Officer in § 1280.48(a).
- Adding the Charters Café as an available cafeteria in § 1280.68.
- Removing references in Subpart D to NA Form 16008, Application for Use of Space, because we receive most requests by telephone or fax. We continue to include the Office of Management and Budget (OMB) control number for the information collection.
- Adding tribal governments to the list of governments that may request to use NARA public spaces for official functions in new §§ 1280.70, 1280.84, and 1280.87.

This proposed rule is not a significant regulatory action for the purposes of Executive Order 12866 and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, I certify that this rule will not have a significant impact on a substantial number of small entities because it affects individuals. This regulation does not have any federalism implications.

Subpart D—What Rules Apply To Use NARA Public Areas in the Washington, DC Area?

General

§ 1280.70 When does NARA allow non-NARA groups to use the public areas of NARA property?

(a) The primary use of NARA property in the Washington, DC, area (the

National Archives Building and the National Archives at College Park), including those areas open to the public, is the conduct of official NARA business, including public programs and other activities conducted in conjunction with government and non-government organizations and the Foundation for the National Archives (“Foundation”). In conducting official business, NARA and its partners use all of the public areas of the Washington, DC, area facilities. There are no public areas in the Washington National Records Center in Suitland, MD.

(b) NARA may permit, under the conditions described in this subpart, the occasional use of certain public areas by other Federal agencies, quasi-Federal agencies, and state, local, and tribal government organizations for official activities. NARA also permits the occasional, non-official use of its public areas by organizations when the activity relates to or furthers NARA’s archival, records, or other programs.

§ 1280.71 What are the general rules for using NARA property in the Washington, DC area?

In addition to the rules listed in Subparts A, B, and C of this part, you must adhere to the following rules when using NARA public spaces:

(a) All use must relate to or further the archival, records, or other activities of NARA. Examples of use that meet this standard include programs that promote research in or the dissemination and use of NARA holdings, including educational programs and materials, the preservation of NARA holdings or the historical records and documentary materials of other institutions, and the use and enjoyment of NARA exhibits.

(b) All use must be consistent with the public perception of NARA as an archival and research institution.

(c) When NARA cohosts an activity with the Foundation or other organizations, NARA must be identified as the cohost in all materials and publicity relating to the activity.

(d) When NARA has authorized your organization to use NARA property, you may not characterize your use of NARA property as an endorsement by NARA of your organization or its activities, or otherwise suggest an official relationship between NARA and your organization.

(e) You are not allowed to charge an admission fee or make any indirect assessment for admission, and you may not otherwise collect money at the event.

(f) You may not use NARA property or permission to use that property to advertise, promote, or sell commercial

enterprises, products, or services, or for partisan political, sectarian, or similar purposes.

(g) You may not use NARA property if you or your organization or group engages in discriminatory practices proscribed by the Civil Rights Act of 1964, as amended.

(h) You must not misrepresent your identity to the public nor conduct any activities in a misleading or fraudulent manner.

(i) You must ensure that no Government property is destroyed, displaced, or damaged during your use of NARA public areas. You must take prompt action to replace, return, restore, repair or repay NARA for any damage caused to Government property during the use of NARA facilities.

§ 1280.72 What additional rules apply for a NARA approved event?

(a) Approved applicants must provide support people as needed to register guests, distribute approved literature, name tags, and other material.

(b) We must approve in advance any item that you plan to distribute or display during your use of NARA property, or any notice or advertisement that refers, directly or indirectly, to NARA, the Foundation for the National Archives, or the National Archives Trust Fund, or incorporates any of the seals described in 36 CFR 1200.2.

(c) We must approve in advance any vendor or caterer who will work in NARA facilities. You must comply with all NARA requirements for the use of food and drink at your event.

(d) No food or drink may be present or consumed in areas where original records or historical materials are displayed.

A NARA staff member must be present at all times when non-NARA groups use NARA spaces.

§ 1280.78 Does NARA charge fees for the use of public areas in the National Archives Building?

(a) NARA is authorized to charge fees for the occasional, non-official use of its public areas, as well as for services related to such use, including additional cleaning, security, and other staff services. NARA will either exercise this authority directly, or, for activities co-sponsored with the Foundation for the National Archives, as part of your group's arrangements with the Foundation.

(c) NARA reserves the right to review, reject, or require changes in any material, activity, or caterer you intend to use for the event.

§ 1280.84 May I ask to use the Rotunda?

The Rotunda is primarily used for the public exhibition of the Charters of Freedom and other documents from NARA's holdings. NARA also uses the Rotunda for activities that further its Strategic Plan. Therefore, the use of the Rotunda for private events is not permitted. NARA may, upon application, permit other Federal agencies, quasi-Federal agencies, and State, local, and tribal governments to use the Rotunda for official functions, with NARA as a co-sponsor. A NARA staff member must be present at all times when the public area is in use. If the space and staff are available, we may approve requests for events held before or after these hours and on Sunday.

§ 1280.87 Does NARA charge fees for the use of public areas in the National Archives at College Park?

NARA may charge a fee under 44 U.S.C. 2903(b) for the use of public areas at the National Archives at College
