Overview

1. The *Second Order on Reconsideration of the Second Report and Order* formally denies a Petition for Expedited Reconsideration (Petition) filed by Council Tree Communications, Inc., Bethel Native Corporation, and the Minority Media and Telecommunications Council (collectively, the Joint Petitioners).

2. The Petition sought reconsideration of various Commission decisions made in the *Second Report and Order* released on April 25, 2006, FR 71, 26245 (May 4, 2006), which modified the Commission's part 1 competitive bidding rules governing designated entities, including rules on eligibility for benefits and unjust enrichment. Joint Petitioners filed their Petition on May 5, 2006. On June 2, 2006, prior to the deadline for filing petitions for reconsideration of the *Second Report and Order*, the Commission released, *sua sponte*, an *Order on Reconsideration*, FR 71 34262 (June 14, 2006), which considered and rejected the arguments included in the Petition without formally denying the Petition.

3. In a July 2006 letter to the Commission, Joint Petitioners stated that the Commission had already decided the merits of the Petition and that the Joint Petitioners were no longer

seeking reconsideration. Accordingly, Joint Petitioners asked that the Commission formally dispose of their Petition in order to take the *de jure* action already taken *de facto* by the Commission. The Commission agreed with Joint Petitioners that it had already decided the merits of the Petition in the *Order on Reconsideration* and that the *Order on Reconsideration* had conclusively rejected the Joint Petitioners' legal arguments.

4. Accordingly, *it is ordered* that pursuant to Sections 4(i), 5(b), 5(c)(1), 303(r), and 309(j) of the Communications Act, as amended, 47 U.S.C. 154(i), 155(b), 155(c)(1), 303(r), and 309(j), the Petition is hereby *denied*.

Federal Communications Commission.

Secretary.
