

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57700; File No. SR-NYSEArca-2008-42]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change, as Modified by Amendment No. 1 Thereto, To List and Trade Shares of Three Exchange-Traded Funds of the NETS Trust

April 23, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder, ² notice is hereby given that on April 15, 2008, NYSE Arca, Inc. (“NYSE Arca” or “Exchange”), through its wholly owned subsidiary, NYSE Arca Equities, Inc. (“NYSE Arca Equities”), filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. On April 22, 2008, NYSE Arca submitted Amendment No. 1 to the proposed rule change. NYSE Arca filed the proposal pursuant to Section 19(b)(3)(A) of the Act ³ and Rule 19b-4(f)(6) thereunder, ⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE Arca proposes to list and trade shares (“Shares”) of the following funds of the NETS Trust (“Trust”): NETS BEL 20 Index Fund (Belgium), NETS AEX-index Fund (The Netherlands) and NETS PSI 20 Index Fund (Portugal). The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the

places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade the Shares of the following funds under NYSE Arca Equities Rule 5.2(j)(3), the Exchange's listing standards for Investment Company Units (“ICUs”): ⁵ NETS BEL 20 Index Fund (Belgium), NETS AEX-index Fund (The Netherlands) and NETS PSI 20 Index Fund (Portugal) (each a “Fund,” and collectively, the “Funds”).

Each Fund is an “index fund” that seeks investment results that correspond generally to the price and yield performance, before fees and expenses, of a particular index (its “Underlying Index” or “Index”). The NETS™ BEL 20® Index Fund (Belgium) seeks to provide investment results that correspond generally to the price and yield performance, before fees and expenses, of publicly traded securities listed on Euronext Brussels, as represented by the BEL 20. The NETS™ AEX-index® Fund (The Netherlands) seeks to provide investment results that correspond generally to the price and yield performance, before fees and expenses, of publicly-traded securities in the aggregate in the Dutch market, as represented by the AEX-index. The NETS™ PSI 20® Index Fund (Portugal) seeks to provide investment results that correspond generally to the price and yield performance, before fees and expenses, of publicly-traded securities in the aggregate in the Portuguese market, as represented by the PSI 20®.

The Exchange submits this proposed rule change because the Underlying Index for each Fund does not meet all of the “generic” listing requirements of Commentary .01(a)(B) to NYSE Arca Equities Rule 5.2(j)(3) applicable to listing of ICUs based on international or global indexes or portfolios. The Underlying Indexes meet all such requirements except for those set forth

⁵ An Investment Company Unit is a security that represents an interest in a registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities (or holds securities in another registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities). See NYSE Arca Equities Rule 5.2(j)(3)(A).

in Commentary .01(a)(B)(3).⁶ The Exchange represents that: (1) Except for Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3), the Shares of the Funds currently satisfy all of the generic listing standards under NYSE Arca Equities Rule 5.2(j)(3); (2) the continued listing standards under NYSE Arca Equities Rules 5.2(j)(3) and 5.5(g)(2) applicable to ICUs shall apply to the Shares; and (3) the Trust is required to comply with Rule 10A-3 under the Act ⁷ for the initial and continued listing of the Shares. In addition, the Exchange represents that the Shares will comply with all other requirements applicable to ICUs including, but not limited to, requirements relating to the dissemination of key information such as the Index value and Intraday Indicative Value, the rules governing the trading of equity securities, trading hours, trading halts, surveillance, and the Information Bulletin to ETP Holders, as set forth in prior Commission orders approving the generic listing rules applicable to the listing and trading of ICUs.⁸

Detailed descriptions of the Funds, the Underlying Indexes, procedures for creating and redeeming Shares, transaction fees and expenses, dividends, distributions, taxes, and reports to be distributed to beneficial owners of the Shares can be found in the Trust's Registration Statement ⁹ or on the Web site for the Funds (<http://www.netsetfs.com>), as applicable.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,¹⁰ in general, and furthers the objectives of Section 6(b)(5)

⁶ Specifically, each of the Underlying Indexes fails to meet the requirement that the five most heavily weighted component stocks shall not exceed 60% of the weight of the Index. As of March 7, 2008, the five most heavily weighted component stocks represented 62.1%, 60.4% and 62.9% of the Index weight for each of the BEL 20, AEX-index, and PSI 20, respectively.

of the Act,¹¹ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the proposed rule change will facilitate the listing and trading of an additional type of exchange-traded product that will enhance competition among market participants, to the benefit of investors and the marketplace.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange states that written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The

Exchange requests that the Commission waive the 30-day operative delay so that the Exchange can list and trade the Shares immediately. The Exchange states that the proposed rule change does not significantly affect the protection of investors or the public interest and does not impose any significant burden on competition. The Exchange also believes that the proposal is non-controversial because, although each of the Underlying Indexes fails to meet the requirements set forth in Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) by small amounts (2.1%, 0.4%, and 2.9%), the Shares currently satisfy all of the other applicable generic listing standards under NYSE Arca Equities Rule 5.2(j)(3), and will be subject to all of the continued listing standards under NYSE Arca Equities Rules 5.2(j)(3) and 5.5(g)(2) applicable to ICUs. Additionally, the Exchange represents that the Shares will comply with all other requirements applicable to ICUs.¹⁴

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest.¹⁵ Given that the Shares comply with all of the NYSE Arca Equities generic listing standards for ICUs (except for narrowly missing the requirement relating to the five highest weighted components of the respective Index), the listing and trading of the Shares by NYSE Arca does not appear to present any novel or significant regulatory issues or impose any significant burden on competition. For these reasons, the Commission designates the proposed rule change as operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁶
