**Saint-Gobain Vetrotex America,
Including On-Site Leased Workers
From Industrial Outsourcing, Wichita
Falls, TX; Amended Certification
Regarding Eligibility To Apply for
Worker Adjustment Assistance and
Negative Determination Regarding
Eligibility To Apply for Alternative
Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Negative Determination Regarding Eligibility to Apply for Alternative Trade Adjustment Assistance on April 25, 2008, applicable to workers of Saint-Gobain Vetrotex America, Wichita Falls, Texas. The notice was published in the **Federal Register** on May 13, 2008 (73 FR 27560).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of continuous strand fiberglass products.

New information shows that leased workers of Industrial Outsourcing were employed on-site at the Wichita Falls, Texas location of Saint-Gobain Vetrotex America. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include leased workers of Industrial Outsourcing working on-site at the Wichita Falls, Texas location of the subject firm.

The intent of the Department's certification is to include all workers employed at Saint-Gobain Vetrotex America, Wichita Falls, Texas who were adversely affected by increased imports.

The amended notice applicable to TA-W-63,093 is hereby issued as follows:

"All workers of Saint-Gobain Vetrotex America, including on-site leased workers from Industrial Outsourcing, Wichita Falls, Texas, who became totally or partially separated from employment on or after March 19, 2007, through April 25, 2010, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974." and

I further determine that all workers of Saint-Gobain Vetrotex America, including on-site leased workers from Industrial Outsourcing, Wichita Falls, Texas, are denied eligibility to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC this 21st day of May 2008.

I. Section (a)(2)(A) all of the following must be satisfied:

B. The sales or production, or both, of such firm or subdivision have decreased absolutely; and

II. Section (a)(2)(B) both of the following must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially

(1) Significant number or proportion of the workers in the workers' firm or an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) The workers' firm (or subdivision) is a supplier or downstream producer to a firm (or subdivision) that employed a group of workers who received a certification of eligibility to apply for trade adjustment assistance benefits and such supply or production is related to the article that was the basis for such certification; and

(3) Either—

(A) The workers' firm is a supplier and the component parts it supplied for the firm (or subdivision) described in paragraph (2) accounted for at least 20 percent of the production or sales of the workers' firm; or

In order for the Division of Trade Adjustment Assistance to issue a certification of eligibility to apply for Alternative Trade Adjustment Assistance (ATAA) for older workers, the group eligibility requirements of Section 246(a)(3)(A)(ii) of the Trade Act must be met.
