BILLING CODE 7590-01-P

NUCLEAR REGULATORY COMMISSION

[Docket No. 52-017]

Virginia Electric and Power Company, d/b/a Dominion Virginia Power, and Old Dominion Electric Cooperative; Correction to Notice of Hearing and Opportunity To Petition for Leave To Intervene on a Combined License for North Anna Unit 3

AGENCY: Nuclear Regulatory Commission.

ACTION: Correction.

SUMMARY: This document corrects a Notice of Hearing (regarding an application for a combined license) published in the **Federal Register** on March 10, 2008 (73 FR 12760) and a supplement to the Notice of Hearing published in the **Federal Register** on April 18, 2008 (73 FR 21162), which incorrectly identify the applicants. This action is necessary to correctly identify the applicants.

SUPPLEMENTARY INFORMATION: The title of both the Notice of Hearing and the supplement are corrected to replace "Dominion Virginia Power" with "Virginia Electric and Power Company d/b/a Dominion Virginia Power and Old Dominion Electric Cooperative." The text of both the notice and supplemental notice are corrected to replace "Dominion Virginia Power (Dominion)" with "Virginia Electric and Power Company, doing business as Dominion Virginia Power (DVP or Dominion), and Old Dominion Electric Cooperative (ODEC)."

Dated at Rockville, Maryland, this 27th day of May 2008.

For the U.S. Nuclear Regulatory Commission.

Annette L. Vietti-Cook,

Secretary of the Commission.

BILLING CODE 7590-01-P

RAILROAD RETIREMENT BOARD

Privacy Act of 1974, as Amended; Computer Matching Program (Railroad Retirement Board and Social Security Administration Match Number 1007)

AGENCY: Railroad Retirement Board (RRB).

ACTION: Notice of records used in computer matching programs; Notification to individuals who are railroad employees, or applicants and beneficiaries under the Railroad Retirement Act or who are applicants or beneficiaries under the Social Security Act.

SUMMARY: As required by the Privacy Act, as amended, RRB is issuing public notice of its use and intent to use, in ongoing matching programs, information obtained from the Social Security Administration (SSA) of the amount of wages reported to SSA and the amount of benefits paid by that agency. The RRB is also issuing public notice, on behalf of SSA, of SSA's use and intent to use, in ongoing matching programs, information obtained from the RRB of the amount of railroad earnings reported to the RRB.

The purposes of this notice are (1) to advise individuals applying for or receiving benefits under the Railroad Retirement Act of the use made by RRB of this information obtained from SSA by means of a computer match and (2) to advise individuals applying for or receiving benefits under the Social Security Act of the use made by SSA of this information obtained from RRB by means of a computer match.

ADDRESSES: Interested parties may comment on this notice by writing to Beatrice Ezerski, Secretary to the Board, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092.

FOR FURTHER INFORMATION CONTACT: Lynn Harvey, Chief Privacy Officer, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092, telephone 312-751-4869, e-mail lynn.harvey@rrb.gov.

SUPPLEMENTARY INFORMATION: The Computer Matching and Privacy Protection Act of 1988, Public Law (Pub. L.) 100-503, amended the Privacy Act (5 U.S.C. 552a) by describing the conditions under which computer matching involving agencies of the Federal Government could be performed and adding certain protections for individuals applying for and receiving Federal benefits. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such individuals. The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State or local government records. It requires Federal agencies involved in computer matching programs to:

(1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

(2) Obtain the approval of the matching agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;

(3) Publish notice of the computer matching program in the **Federal Register**;

(4) Furnish detailed reports about matching programs to Congress and OMB;

(5) Notify applicants and beneficiaries that their records are subject to matching; and

(6) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments. The last notice for this matching program was published at 70 FR 59378 (October 12, 2005).

Name of Participating Agencies:

Social Security Administration (SSA) and Railroad Retirement Board (RRB).

Purpose of the Match: The RRB will, on a daily basis, obtain from SSA a record of the wages reported to SSA for persons who have applied for benefits under the Railroad Retirement Act and a record of the amount of benefits paid by that agency to persons who are receiving or have applied for benefits under the Railroad Retirement Act. The wage information is needed to compute the amount of the tier I annuity component provided by sections 3(a), 4(a) and 4(f) of the Railroad Retirement Act (45 U.S.C. 231b(a), 45 U.S.C. 231c(a) and 45 U.S.C. 231c(f)). The benefit information is needed to adjust the tier I annuity component for the receipt of the Social Security benefit. This information is available from no other source.

In addition, the RRB will receive from SSA the amount of certain Social Security benefits which the RRB pays on behalf of SSA. Section 7(b)(2) of the Railroad Retirement Act (45 U.S.C. 231f(b)(2)) provides that the RRB shall make the payment of certain Social Security benefits. The RRB also requires this information in order to adjust the amount of any annuity due to the receipt of a Social Security benefit. Section 10(a) of the Railroad Retirement Act (45 U.S.C. 231i(a)) permits the RRB to recover any overpayment from the accrual of Social Security benefits. This information is not available from any other source.

Thirdly, once a year the RRB will receive from SSA a copy of SSA's Master Benefit Record for earmarked RRB annuitants. Section 7(b)(7) of the Railroad Retirement Act (45 U.S.C. 231f(b)(7)) requires that SSA provide the requested information. The RRB needs

this information to make the necessary cost-of-living computation quickly and accurately for those RRB annuitants who are also SSA beneficiaries.

SSA will receive weekly from RRB earnings information for all railroad employees. SSA will match the identifying information of the records furnished by the RRB against the identifying information contained in its Master Benefit Record and its Master Earnings File. If there is a match, SSA will use the RRB earnings to adjust the amount of Social Security benefits in its Annual Earnings Reappraisal Operation (AERO). This information is available from no other source.

SSA will also receive daily from RRB earnings information on selected individuals. The transfer of information may be initiated either by RRB or by SSA. SSA needs this information to determine eligibility to Social Security benefits and, if eligibility is met, to determine the benefit amount payable. Section 18 of the Railroad Retirement Act (45 U.S.C. 231q(2)) requires that earnings considered as compensation under the Railroad Retirement Act be considered as wages under the Social Security Act for the purposes of determining entitlement under the Social Security Act if the person has less than 10 years of railroad service or has 10 or more years of service but does not have a current connection with the railroad industry at the time of his/her death.

Authority for Conducting the Match: Section 7(b)(7) of the Railroad Retirement Act (45 U.S.C. 231f(b)(7)) provides that the Social Security Administration shall supply information necessary to administer the Railroad Retirement Act. Sections 202, 205(o) and 215(f) of the Social Security Act (42 U.S.C. 402, 405(o) and 415(f)) relate to benefit provisions, inclusion of railroad compensation together with wages for payment of benefits under certain circumstances, and the re-computation of benefits.

Categories of Records and Individuals Covered: All applicants for benefits under the Railroad Retirement Act and current beneficiaries will have a record of any Social Security wages and the amount of any Social Security benefits furnished to the RRB by SSA. In addition, all persons who ever worked in the railroad industry after 1936 will have a record of their service and compensation furnished to SSA by RRB. The applicable Privacy Act Systems of Records used in the matching program are as follows: RRB-5, Master File of Railroad Employees' Creditable Compensation; RRB-22, Railroad Retirement, Survivor, Pensioner Benefit

System; SSA/OSR, 09-60-0090, Master Beneficiary Record (MBR); and SSA/OSR, 09-60-0059, Master Earnings File (MEF).

Inclusive Dates of the Matching Program: The consolidated matching program shall become effective no sooner than 40 days after notice of the matching program is sent to Congress and the Office of Management and Budget (OMB), or 30 days after publication of this notice in the **Federal Register**, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.

The notice we are giving here is in addition to any individual notice that may be given.

A copy of this notice will be or has been furnished to the Office of Management and Budget and the designated committees of both houses of Congress.

Dated: May 27, 2008.

By Authority of the Board.

Beatrice Ezerski,

Secretary to the Board.

BILLING CODE 7905-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57874; File No. PCAOB-2008-02]

Public Company Accounting Oversight Board; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Delaying Implementation Schedule of Rule 3523, Tax Services for Persons in Financial Reporting Oversight Roles

May 27, 2008.

Pursuant to Section 107(b) of the Sarbanes-Oxley Act of 2002 (the "Act"), notice is hereby given that on April 22, 2008, the Public Company Accounting Oversight Board (the "Board" or the "PCAOB") filed with the Securities and Exchange Commission (the "SEC" or "Commission") the proposed rule change described in Items I and II below, which items have been prepared by the Board. The PCAOB has designated the proposed rule change as "constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule" under Section 19(b)(3)(A)(i) of the Securities Exchange Act of 1934 (as incorporated, by reference, into Section 107(b)(4) of the Act) and Rule 19b-4(f)(1) thereunder, which renders the proposal

effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Board's Statement of the Terms of Substance of the Proposed Rule Change

The PCAOB is filing with the SEC an adjustment of the implementation schedule for Rule 3523, Tax Services for Persons in Financial Reporting Oversight Roles. Specifically the Board will not apply Rule 3523 to tax services provided on or before December 31, 2008, when those services are provided during the audit period and are completed before the professional engagement period begins. The PCAOB is not proposing any textual changes to the Rules of the PCAOB by this filing.

II. Board's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Board included statements concerning the purpose of, and basis for, the proposed rule and discussed any comments it received on the proposed rule. The text of these statements may be examined at the places specified in Item IV below. The Board has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Board's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

On July 26, 2005, the PCAOB adopted certain rules related to registered public accounting firms' provision of tax services to public company audit clients. As part of this rulemaking, the Board adopted Rule 3523, which provides that a registered firm, subject to certain exceptions, is not independent of an audit client if the firm, or an affiliate of the firm, provides tax services during the audit and professional engagement period to a person in, or an immediate family member of a person in, a financial reporting oversight role at an audit client. This rule was intended to address concerns related to auditor independence when auditors provide personal tax services to individuals who play a direct role in preparing the financial statements of public company audit clients. Rule 3523 was approved by the SEC on April 19, 2006.

Consistent with the SEC's independence rules,¹ the phrase "audit
