

site or, in some cases, more than one site. The scope of activity to be reported in UDS includes all activity at the site(s) to which the Corps member is assigned.

Evaluation and Selection Process

In approving applications for the assignment of Corps members, the Secretary shall give priority to any such application that is made regarding the provision of primary health services to a HPSA with the greatest shortage. For the program year July 1, 2008, through June 30, 2009, HPSAs of greatest shortage for determination of priority for assignment of Corps personnel will be defined as follows: (1) Primary medical care HPSAs with scores of 14 and above are authorized for the assignment of Corps members who are primary care physicians, family nurse practitioners (NPs), physician assistants (PAs), or CNMs participating in the Scholarship Program; (2) mental health HPSAs with scores of 19 and above are authorized for the assignment of Corps members who are psychiatrists participating in the Scholarship Program; (3) dental HPSAs with scores of 17 and above are authorized for the assignment of Corps members who are dentists participating in the Scholarship Program; and (4) HPSAs (appropriate to each discipline) with scores of 17 and above are authorized for priority assignment of Corps members who are participating in the Loan Repayment Program. HPSAs with scores below 17 will be eligible to receive assignment of Corps personnel participating in the Loan Repayment Program only after assignments are made of those Corps members matching to those HPSAs receiving priority for placement of Corps members through the Loan Repayment Program (i.e., HPSAs scoring 17 or above). Placements made through the Loan Repayment Program in HPSAs with scores 16 or below will be made by decreasing HPSA score, and only to the extent that funding remains available. All sites on the list are eligible sites for individuals wishing to serve in an underserved area but who are not contractually obligated under the Scholarship or Loan Repayment Program. Note, that in response to the low number of NPs, PAs and CNMs in this placement cycle of NHSC Scholars, the primary care physician HPSA score has been applied to the entire primary care category. A listing of HPSAs and their scores is posted at <http://hpsafind.hrsa.gov/>.

Sites qualifying for automatic primary medical care and dental HPSA designations have been scored and may be authorized to receive assignment of Corps members if they meet the criteria outlined above and their HPSA scores

are above the stated cutoffs. If there are any sites on the list with an unscored HPSA designation they are authorized for the assignment of Corps personnel participating in the Loan Repayment Program only, after assignments are made of those Corps members matching to scored HPSAs and only to the extent that funding remains available. When these HPSAs receive scores, these sites will then be authorized to receive assignment of Corps members if they meet the criteria outlined above and their newly assigned scores are above the stated cutoffs.

The number of new NHSC placements through the Scholarship and Loan Repayment Programs allowed at any one site are limited to the following:

- (1) Primary Medical Care:
 - (a) Loan Repayment Program—no more than 2 allopathic (MD) or osteopathic (DO) physicians; and no more than a combined total of 2 NPs, PAs, or CNMs;
 - (b) Scholarship Program—no more than 2 physicians (MD or DO); and no more than a combined total of 2 NPs, PAs, or CNMs.
- (2) Dental:
 - (a) Loan Repayment Program—no more than 2 dentists and 2 dental hygienists;
 - (b) Scholarship Program—no more than 1 dentist.
- (3) Mental Health:
 - (a) Loan Repayment Program—no more than 2 psychiatrists (MD or DO); and no more than a combined total of 2 clinical or counseling psychologists, licensed clinical social workers, licensed professional counselors, marriage and family therapists, or psychiatric nurse specialists;
 - (b) Scholarship Program—no more than 1 psychiatrist.
