### Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. For subject merchandise produced and exported by Haewon, we will instruct CBP to liquidate entries at the rate indicated above. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of these final results of this new shipper review.

The Department clarified its "automatic assessment" regulation on May 6, 2003. *See Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003). This clarification will apply to entries of subject merchandise during the period of review produced by the respondent for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, *see Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

### Cash Deposit Rates

The following antidumping duty deposits will be required on all shipments of CORE from Korea entered, or withdrawn from warehouse, for consumption, effective on or after the publication date of this new shipper review, as provided by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): (1) for subject merchandise produced and exported by Haewon, the cash deposit rate will be the rate listed above (except no cash deposit will be required if a company's weighted-average margin is *de minimis*, i.e., less than 0.5 percent); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a previous review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash

deposit rate for all other manufacturers or exporters will continue to be 17.70 percent, the all others rate established in the LTFV investigation.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

### Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these results of review in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: June 13, 2008.

#### Certain Steel Concrete Reinforcing Bars from Turkey; Notice of Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** June 23, 2008.

**FOR FURTHER INFORMATION CONTACT:** Irina Itkin, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-0656.

#### Background

The Department of Commerce (the Department) published an antidumping duty order on certain steel concrete reinforcing bars (rebar) from Turkey on April 17, 1997. *See Antidumping Duty Order: Certain Steel Concrete Reinforcing Bars From Turkey*, 62 FR 18748 (April 17, 1997). On May 30, 2007, the Department published a notice of initiation of an administrative review of the order on rebar from Turkey for the period April 1, 2006, through March 31, 2007. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 29968 (May 30, 2007). The review covers four producers/exporters of the subject merchandise to the United States: Ekinciler Demir ve Celik Sanayi A.S./Ekinciler Dis Ticaret A.S., Habas Sinai ve Tibbi Gazlar Istihsal Endustrisi A.S., Izmir Demir Celik Sanayi A.S., and Nursan Celik Sanayi ve Haddecilik, A.S./Nursan Dis Ticaret A.S.

On May 5, 2008, the Department published the preliminary results of the administrative review of the antidumping duty order on rebar from Turkey. *See Certain Steel Concrete Reinforcing Bars from Turkey; Preliminary Results of Antidumping Duty Administrative Review and Notice of Intent to Revoke in Part*, 73 FR 24535 (May 5, 2008). The final results are currently due no later than September 2, 2008.

### Extension of the Time Limit for Final Results of Administrative Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended, (the Act) requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days after the date on which the preliminary results are published. The Department has determined that completion of the final results of this review within the original time period is not practicable because the Department requires additional time to complete analysis of several complex issues, including certain cost issues for one respondent and a revocation request for another respondent. Therefore, the Department is fully extending the time limit for completion of the final results of the administrative review. The final results are now due no later than November 3, 2008, the next business day after 180 days from publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: June 17, 2008.

### Wooden Bedroom Furniture from the People's Republic of China: Extension of Time Limits for the Final Results of the Antidumping Duty Administrative Review and New Shipper Reviews

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** June 23, 2008.

**FOR FURTHER INFORMATION CONTACT:** Paul Stolz, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4474.

### Background

The Department of Commerce ("the Department") published an

antidumping duty order on wooden bedroom furniture ("WBF") from the People's Republic of China ("PRC") on January 4, 2005. *See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture From the People's Republic of China*, 70 FR 329 (January 4, 2005). On March 7, 2007, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review and new shipper reviews of WBF from the PRC for the period January 1, 2006, through December 31, 2006. *See Initiation of Administrative Review of Antidumping Duty Order on Wooden Bedroom Furniture from the People's Republic of China*, 72 FR 10159 (March 7, 2007) and *Wooden Bedroom Furniture from the People's Republic of China: Initiation of New Shipper Reviews*, 72 FR 10158 (March 7, 2007) ("Initiation of Third Annual New Shipper Reviews"). On February 13, 2008, the Department published in the **Federal Register** the preliminary results of the second administrative review and the new shipper reviews. *See Wooden Bedroom Furniture from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review, Preliminary Results of New Shipper Reviews and Notice of Partial Rescission*, 73 FR 8273 (February 13, 2008). The final results of the administrative and new shipper reviews are currently due no later than June 12, 2008.

### Extension of Time Limit of Final Results.

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of these reviews within the 120-day period is not practicable because the Department conducted verification in the administrative review after publication of the preliminary results, and, therefore, needs additional time to complete verification reports, provide an opportunity for, and analyze, comments by interested parties on the preliminary results and verification reports, and analyze information gathered at verification.

Because it is not practicable to complete these reviews within the time specified under the Act, we are fully

extending the time period for issuing the final results of the administrative and new shipper reviews in accordance with section 751(a)(3)(A) of the Act. Therefore, the final results are due no later than August 11, 2008, which is 180 days from publication of the preliminary results. This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: June 9, 2008.
