The board will be convened in accordance with Chapter 18, Manual of the Medical Department (MANMED). The board may include members of the Reserve components on active or inactive duty. When active duty Navy or Marine Corps members are hospitalized in non-Naval medical facilities, the Military Medical Support Office will ensure compliance with Chapter 18, MANMED.

(2) DFAS–CL(CGA) may request the commanding officer of any Naval medical facility, or request the commanding officer of another service medical facility or administrator of a Department of Veterans Affairs medical facility, convene a competency board in accordance with this section to determine the mental capability of a member to manage his financial affairs.

(3) A finding of restoration of competency or capability to manage personal and financial affairs may be accomplished in the same manner specified in Chapter 18, MANMED, except that the board may consist of one or two Medical Department officers or physicians, one of whom must be a Navy psychiatrist or clinical psychologist.

(5) The requirement to convene a competency board under this chapter is in addition to and separate from the medical board procedures. Each board member signs the report of the board and certifies whether the member is or is not mentally capable of managing his financial affairs. After approval by the convening authority, the original board report is forwarded to DFAS–CL(CGA).

(b) *Records.* The convening authority will forward the original of each board report to the Defense Finance and Accounting Service—Cleveland Center, Office of Continuing Government Activity (Code CGA), Post Office Box 998021, Room 2323, Cleveland, OH 44199–80216. If a member is found to be not mentally capable of managing his financial affairs, the forwarding endorsement will set forth the name, relationship, address, and telephone number(s) of the member’s next of kin, and any other information that will assist to identify a prospective trustee.

6. Section 726.5 is revised to read as follows:

In the case of permanently retired members, travel will be at no cost to the Government.

8. Section 726.7 is revised to read as follows:

**§ 726.7 Status of pay account.**

Upon notification by the commanding officer of the medical facility preparing the board report that a member has been declared mentally incapable of managing his financial affairs, DFAS–CL(CGA) will suspend the member’s pay. Thereafter, DFAS–CL(CGA) or his designee will direct payment of monies to:

9. Section 726.8 is revised to read as follows:

**§ 726.8 Emergency funds and health and comfort.**

Until a trustee is appointed, DFAS–CL(CGA) may appoint the member’s designated next of kin to receive emergency funds equal to, but not to exceed the amount of pay due the incompetent member for a period of one month. These funds will be deducted from the member’s pay account and will be used for the benefit of the member and any legal dependents.

10. Section 726.9 is revised to read as follows:

**§ 726.9 Reports and supervision of trustees.**

(a) *Accounting reports.* The trustee designated by DFAS–CL(CGA) will

submit accounting reports annually or at such other times as DFAS-CL(CGA) or his designee directs. DFAS-CL(CGA) will provide forms to be used by trustees for the required accounting report. The report will account for all funds received from the Navy or Marine Corps on behalf of the member. When payments to a trustee are terminated for any reason, the trustee will submit a final accounting report to DFAS-CL(CGA). Upon approval of the final accounting report, the trustee and the surety will be discharged from liability.

(b) *Failure to submit a report and default.* If an accounting report is not received by the date designated by DFAS-CL(CGA) or an accounting is unsatisfactory, DFAS-CL(CGA) will notify the trustee in writing. If a satisfactory accounting is not received by DFAS-CL(CGA) within the time specified, the trustee will be declared in default of the trustee agreement and will be liable for all unaccounted trustee funds. If a trustee is declared in default of the trustee agreement, DFAS-CL(CGA) will terminate payments to the trustee and, if necessary, a successor trustee may be appointed. The trustee and surety will be notified in writing by DFAS-CL(CGA) of the declaration of default. The notification will state the reasons for default, the amount of indebtedness to the Government, and will demand payment for the full amount of indebtedness. If payment in full is not received by DFAS-CL(CGA) within an appropriate period of time from notification of default, the account may be forwarded to the Department of Justice for recovery of funds through appropriate civil action.

## ARCHITECTURAL AND TRANSPORTATION BARRIERS COMPLIANCE BOARD

### 36 CFR Part 1195

[Docket No. 2004-1]

RIN 3014-AA11

### Americans With Disabilities Act (ADA) Accessibility Guidelines for Passenger Vessels; Informational Meeting

**AGENCY:** Architectural and  
Transportation Barriers Compliance  
Board.

**ACTION:** Notice of meeting.

**SUMMARY:** The Architectural and Transportation Barriers Compliance Board (Access Board) will hold two informational meetings. The meetings will assist the Access Board in developing accessibility guidelines under the Americans with Disabilities Act for passenger vessels. Specifically, the meetings will focus on possible approaches and methodologies for the regulatory assessment and regulatory flexibility act analysis, the baselines for determining costs, the identification of major and minor cost impacts, estimated unit costs (where feasible), development of aggregate annual industry costs, and benefits generated by the guidelines. The first meeting will focus only on large cruise ships and will be held at the date and location noted below. Other passenger vessels subject to the guidelines will be addressed in a similar meeting that has not yet been scheduled.

**DATES:** The meeting is scheduled for August 11, 2008 from 9 a.m. to 5 p.m. Registration by attendees is requested to be received by July 31, 2008.

**ADDRESSES:** The meeting will be held at the Access Board's offices, 1331 F Street, NW., Suite 1000, Washington, DC.

**FOR FURTHER INFORMATION CONTACT:** Paul Beatty, Office of Technical and Information Services, Architectural and Transportation Barriers Compliance Board, 1331 F Street, NW., Suite 1000, Washington, DC 20004-1111. Telephone number (202) 272-0012 (Voice); (202) 272-0082 (TTY). These are not toll-free numbers. E-mail address: [pvag@access-board.gov](mailto:pvag@access-board.gov).

**SUPPLEMENTARY INFORMATION:** On July 7, 2006, the Architectural and Transportation Barriers Compliance Board (Access Board) made available for public comment a revised draft of the accessibility guidelines for passenger vessels (70 FR 38563; July 7, 2006). In addition to receiving comment, the Board used the provisions in the revised draft to conduct 10 passenger vessel case studies to help determine the cost impacts of the provisions on newly constructed passenger vessels. From comments received on the 2006 draft and draft case study results, changes were made to the 2006 draft (and the case studies were revised to reflect current provisions). To complete development of a notice of proposed rulemaking (NPRM) regarding passenger vessel accessibility guidelines, the Board needs to complete its regulatory assessment and regulatory flexibility act analysis.

Two information meetings are planned to assist the Board in

completing these activities. The meetings will focus on possible approaches and methodologies for the regulatory assessment and regulatory flexibility act analysis, the baselines for determining costs, the identification of major and minor cost impacts, estimated unit costs (where feasible), development of aggregate annual industry costs, and benefits generated by the guidelines.

The meeting on August 11, 2008, will focus on large cruise ships. Other passenger vessels subject to the guidelines will be addressed in a similar meeting that has not yet been scheduled but will be announced in the **Federal Register**. To support the August 11 meeting and future second meeting, the Board has placed in its docket and on its Web site (<http://www.access-board.gov/pvaac/index.htm>) a 2008 draft of the guidelines, current drafts of the 10 vessel case studies, a preliminary agenda for the August 11 meeting, and other related material.

The August 11 meeting is open to the public. Interested persons are requested to register by e-mail at [pvag@access-board.gov](mailto:pvag@access-board.gov) by July 31, 2008, for space planning purposes. The Board is not accepting comment on the content of the 2008 draft, and is only making it available to support the meetings. When the NPRM is published, the Board will then solicit comments on the guidelines at that time. However, comments which identify provisions that trigger major costs and include the applicable costs will be accepted.

The meeting site is accessible to individuals with disabilities. Sign language interpreters, an assistive listening system, and computer assisted real-time transcription (CART) will be provided. Persons attending the meeting are requested to refrain from using perfume, cologne, and other fragrances for the comfort of other participants.
