This Notice also lists the following information:

Title of Proposal: Management Review of Public Housing Projects.
OMB Control Number: 2577-Pending.
Description of the need for the information and proposed use: On September 19, 2005 (70 FR 54983), HUD published a final rule amending the regulations of the Public Housing Operating Fund Program at 24 CFR part 990, which was developed through negotiated rulemaking. Part 990 provides a new formula for distributing operating subsidy to public housing agencies (PHAs) and establishes requirements for PHAs to convert to asset management.

Subpart H of the part 990 regulations (§§ 990.255 to 990.290) establishes the requirements regarding asset management. Under § 990.260(a), PHAs that own and operate 250 or more dwelling rental units must operate using an asset management model consistent with the subpart H regulations. However, for the current fiscal year, that regulation is superseded by Section 225 of Title II of Division K of the Consolidated Appropriations Act, 2008, Pub. L. 110-161 (approved December 26, 2007). Under that law, PHAs that own or operate 400 or fewer units may elect to transition to asset management, but they are not required to do so.

To support the transition to asset management and align HUD oversight with asset management, a new management review format is required to review PHAs on a project level, rather than PHA-wide. The forms are modeled after the asset management model consistent with the management norms in the broader multifamily industry.

Agency form numbers: Forms HUD-5834, HUD-5834-A, and HUD-5834-B.
Members of affected public: Public housing agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: For form HUD-5834, Management Review of Public Housing Projects, there are 3,282 respondents annually with one response per respondent. Average time per response is .95 hours and the total burden hours are 3,118 hours. For form HUD-5834-A, Tenant File Review, there are 821 respondents annually with one response per respondent. Average time per response is .50 hours and the total burden hours are 410.50 hours. For form HUD-5834-B, Upfront Income Verification Review, there are 821 respondents annually with one response per respondent. Average time per

response is .50 hours and the total burden hours are 410.50 hours.

Status of the proposed information collection: New collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: June 26, 2008.

Bessy Kong,

Deputy Assistant Secretary for Policy, Programs and Legislative Initiatives.
