Background

The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, 42 U.S.C. 4601-4655 (Uniform Act), established a program, which includes the payment of moving and related expenses, to assist persons who are displaced because of Federal or federally assisted projects. The FHWA is the lead agency for implementing the provisions of the Uniform Act and has issued governmentwide implementing regulations at 49 CFR part 24.

The following 17 Federal departments and agencies have, by cross-reference, adopted the governmentwide regulations: Department of Agriculture; Department of Commerce; Department of Defense; Department of Education; Department of Energy; Department of Homeland Security; Environmental Protection Agency; Federal Emergency Management Agency; General Services Administration; Department of Health and Human Services; Department of Housing and Urban Development; Department of the Interior; Department of Justice; Department of Labor; Department of Veterans Affairs; National Aeronautics and Space Administration; Tennessee Valley Authority.

Section 4622(b) of the Uniform Act provides that, as an alternative to being paid for actual residential moving and related expenses, a displaced individual or family may elect payment for moving expenses on the basis of a moving expense schedule established by the head of the lead agency. The governmentwide regulations at 49 CFR 24.302 provide that the FHWA will develop, approve, maintain, and update this schedule, as appropriate.

The purpose of this notice is to update the schedule published on May

16, 2005 (70 FR 25875). The schedule is being updated to reflect the increased costs associated with moving personal property and was developed from data provided by State highway agencies. This update increases the schedule amounts in the States and Territories of Alabama, Alaska, Arizona, Colorado, Connecticut, Delaware, District of Columbia, Georgia, Idaho, Illinois, Indiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Hampshire, New Jersey, New Mexico, New York, North Dakota, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, South Dakota, Utah, Virgin Islands, Virginia, and Wyoming. The schedule amounts for the States and Territories not listed above remain unchanged. The payments listed in the table below apply on a State-by-State basis. Two exceptions and limitations apply to all States and Territories. Payment is limited to \$100.00 if either of the following conditions applies:

- (a) A person has minimal possessions and occupies a dormitory style room, or
- (b) A person's residential move is performed by an agency at no cost to the person.

The schedule continues to be based on the "number of rooms of furniture" owned by a displaced individual or family. In the interest of fairness and accuracy, and to encourage the use of the schedule (and thereby simplify the computation and payment of moving expenses), an agency should increase the room count for the purpose of applying the schedule if the amount of possessions in a single room or space actually constitutes more than the normal contents of one room of furniture or other personal property. For example, a basement may count as two rooms if the equivalent of two rooms worth of possessions is located in the basement. In addition, an agency may elect to pay for items stored outside the dwelling unit by adding the appropriate number of rooms.

Authority: 42 U.S.C. 4622(b) and 4633(b); 49 CFR 1.48 and 24.302.

Issued on: July 16, 2008.

James D. Ray,

Acting Federal Highway Administrator.
