SUPPLEMENTARY INFORMATION:

Background

The Codex Alimentarius (Codex) was established in 1963 by two United Nations organizations, the Food and Agriculture Organization and the World Health Organization. Through adoption of food standards, codes of practice, and other guidelines developed by its committees and by promoting their adoption and implementation by governments, Codex seeks to protect the health of consumers and ensure that fair practices are used in trade.

The Codex Committee on Processed Fruits and Vegetables is hosted by the United States. It elaborates new and revised worldwide standards for various processed fruits and vegetables, including certain dried and canned products. This committee does not cover standards for fruit and vegetable juices.

Issues To Be Discussed at the Public Meeting

The following items on the Agenda for the 24th Session of CCPFV will be discussed during the public meeting:

- Matters Referred to the Committee From Other Codex Bodies;
- Proposed Layout for Codex Standards for Processed Fruits and Vegetables;
- Draft Codex Standards for Jams, Jellies and Marmalades;
- Draft Codex Standard for Certain Canned Vegetables (General Provisions);
- Proposed Draft Annexes Specific to Certain Canned Vegetables (Draft Codex

Standard for Certain Canned Vegetables);

- Proposed Draft Guidelines for Packing Media on Canned Vegetables;
- Proposed Draft Sampling Plans, including Methodological Provisions for Controlling Minimum Drained Weight of Canned Fruits and Vegetables in Packing Media;
- Proposals for Amendments to the Priority List for the Standardization of Processed Fruits and Vegetables;
- Methods of Analysis for Processed Fruits and Vegetables; and
- Food Additive Provisions for Processed Fruits and Vegetables.

Each issue listed will be fully described in documents distributed, or to be distributed, by the Secretariat prior to the Meeting. Members of the public may access or request copies of these documents (see **ADDRESSES**).

Public Meeting

At the August 14th, 2008 public meeting, draft U.S. positions on the agenda items will be described and discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to the U.S. Delegate for the 24th Session of CCPFV, Dorian LaFond (see *For Further Information About the 24th Session of the CCPFV Contact*). Written comments should state that they relate to activities of the 24th Session of the CCPFV.

Freshwater Crawfish Tail Meat from the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 29, 2008.

FOR FURTHER INFORMATION CONTACT: Dmitry Vladimirov or Minoo Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0665 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2007, the Department published a notice of initiation of administrative review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China (PRC). *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 72 FR 61621 (October 31, 2007). On June 6, 2008, we extended the time period for issuing the preliminary results of the review by 60 days until July 31, 2008.

See Freshwater Crawfish Tail Meat from the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review, 73 FR 32289 (June 6, 2008). The period of review is September 1, 2006, through August 31, 2007. The preliminary results of the administrative review are currently due no later than July 31, 2008.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of the review within the current time limit because we require additional time to analyze additional factors—of production data submitted by a respondent's affiliated producers in response to our decision to collapse them. Therefore, we are extending the time period for issuing the preliminary results of the review by 60 days until September 29, 2008. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This extension notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act and 19 CFR 351.213(h)(2).

Dated: July 22, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determination

On April 1, 2008, the Department of Commerce (the Department) published in the **Federal Register** the initiation of the antidumping investigation on steel threaded rod from the People's Republic of China (PRC). *See Steel Threaded Rod from the People's Republic of China: Initiation of Antidumping Duty Investigation*, 73 FR 17318 (April 1, 2008) (*Initiation Notice*).

The notice of initiation stated that the Department would issue its preliminary determination for this investigation no later than 140 days after the date of issuance of the initiation, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act).

On July 15, 2008, the petitioner, Vulcan Threaded Products Inc., made a request pursuant to 19 CFR 351.205(b)(2) and (e) for a 50-day postponement of the preliminary determination. The petitioner requested postponement of the preliminary determination in order to allow more time to analyze and comment on the respondents' questionnaire responses.

For the reasons identified by the petitioner and because there are no compelling reasons to deny the request, the Department is postponing the deadline for the preliminary determination under section 733(c)(1)(A) of the Act by 50 days from the current deadline of August 12, 2008, to October 1, 2008.
