

Administrators in the States will gather and verify information on applicants who will use MSIX. The application form specifies the MSIX user's identity, title/position, work address, work telephone, e-mail address, and role. These applicants would typically be school counselors, registrars, and Migrant Education Program (MEP) specialists. The MSIX is authorized under Section 1308(b)(1) and (2) of Part C of Title I of the Elementary and Secondary Education Act of 1965, as amended by the No Child Left Behind Act of 2001. A System of Records Notice (SORN) for the Privacy Act System associated with this information collection is underway. Privacy Data will not be retrieved until an approved SORN has been published in the **Federal Register** for 30 days, or is approved by OMB.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before October 6, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires

that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: July 30, 2008.

Angela C. Arrington,

IC Clearance Official, Regulatory Information Management Services, Office of Management.

Office of Special Education and Rehabilitative Services

Type of Review: Extension of a currently approved collection.

Title: Case Service Report.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 80.

Burden Hours: 3,600.

Abstract: As required by sections 13, 101(a)(10), 106 and 626 of the Rehabilitation Act, the data are submitted annually by State Vocational Rehabilitation agencies. Section 13 of the Act requires the Commissioner to

collect and report information specified in section 101(a)(10) to the Congress and the President in the Annual Report. Section 626 requires the same information to be reported for individuals who received supported employment services. Data on persons served are needed, too, to satisfy section 131 calling for an exchange of data between RSA, the Social Security Administration (SSA) and the Department of Labor (DOL).

Section 106 requires RSA to define performance indicators and establish standards, which State Vocational Rehabilitation agencies must achieve to retain program benefits. A subset of data elements from this reporting instrument are abstracted, aggregated, and applied according to prescribed formulae to generate the performance indicators for each State Vocational Rehabilitation agency. The results of such calculations are then compared to the established standards to determine agency performance.
