Records Unit (CRU), room 1117 in the main Department building. As a result of the corrections of the ministerial errors, the countervailable subsidy rates are as follows:

Producer/exporter	Original net subsidy rate	Amended net subsidy rate

All Others Rate	1.47 percent <i>ad valorem</i>	53.04 percent <i>ad valorem</i> .

The collection of bonds or cash deposits and suspension of liquidation will be revised accordingly and parties will be notified of this determination, in accordance with section 703(d) and (f) of the Act. Specifically, since the amended preliminary determination is negative with respect to the Winner Companies, we are directing U.S. Customs and Border Patrol (CBP) to terminate suspension of liquidation of all entries of CWASPP produced and exported by the Winner Companies entered or withdrawn from warehouse for consumption on or after July 10, 2008, the publication date of the *Preliminary Determination*, and to release any bond or other security, and refund any cash deposit. In accordance with sections 703(d)(1)(B) and (2) of the Act, we are directing CBP to continue to suspend liquidation of all other entries of CWASPP from the PRC that are entered, or withdrawn from warehouse, for consumption on or after July 10, 2008.

With respect to Froch, we are directing CBP to require a cash deposit or bond for such entries of subject merchandise in the amount indicated above that are entered, or withdrawn from warehouse, for consumption on or after July 10, 2008, and to grant a refund for any overcollection on such entries if the importer makes such a request pursuant to 19 U.S.C. 1520(a)(4).

Regarding the rate applied to all other companies not individually investigated, we are directing CBP to require a cash deposit or bond for such entries of subject merchandise in the amount indicated above that are entered, or withdrawn from warehouse, for consumption on or after the publication date of this amended preliminary determination in the **Federal Register**.

our amended preliminary determination. If our final determination is affirmative, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of CWASPP from the PRC, or sales (or the likelihood of sales) for importation, of the subject merchandise within 45 days of our final determination. See Section 705(b)(2)(B) of the Act.

This determination is issued and published in accordance with sections 703(f) and 777(i) of the Act and 19 CFR 351.224(e).

coating on both sides of the fabric consisting of woven polypropylene strip and/or woven polyethylene strip, laminated woven sacks may be classifiable under HTSUS subheadings 3923.21.0080, 3923.21.0095, and 3923.29.0000. Although HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this order is dispositive.

Countervailing Duty Order

In accordance with section 705(d) of the Tariff Act of 1930, as amended (the Act), on June 24, 2008, the Department published its final determination in the countervailing duty investigation of LWS from the PRC. *See Laminated Woven Sacks from the People's Republic of China: Final Affirmative Countervailing Determination and Final Affirmative Determination, in Part, of Critical Circumstances*, 73 FR 35639 (June 24, 2008).

On July 30, 2008, the ITC notified the Department of its final determination, pursuant to section 705(b)(1)(A)(i) of the Act, that an industry in the United States is materially injured as a result of subsidized imports of LWS from the PRC.

The ITC determined that critical circumstances do not exist with respect to subject imports from the PRC. As a result of the ITC's negative critical circumstances determination, U.S. Customs and Border Protection (CBP) will refund all cash deposits and release all bonds collected on LWS from the PRC entered or withdrawn from warehouse, for consumption on or after September 4, 2007, and before December 3, 2007.

Countervailing duties will be assessed on all unliquidated entries of LWS from the PRC entered, or withdrawn from warehouse, for consumption on or after December 3, 2007, the date on which the Department published its preliminary affirmative countervailing duty determination in the **Federal Register**, and before April 1, 2008, the date on which the Department instructed the CBP to discontinue the

suspension of liquidation in accordance with section 703(d) of the Act, and on all entries of subject merchandise made on or after the date of publication of the ITC's final injury determination in the **Federal Register**. Section 703(d) states that the suspension of liquidation pursuant to a preliminary determination may not remain in effect for more than four months. Entries of LWS made on or after April 1, 2008, and prior to the date of publication of the ITC's final determination in the **Federal Register** are not liable for the assessment of countervailing duties due to the Department's discontinuation, effective April 1, 2008, of the suspension of liquidation.

In accordance with section 706 of the Act, the Department will direct CBP to reinstitute the suspension of liquidation for LWS from the PRC, effective the date of publication of the ITC's notice of final determination in the **Federal Register**, and to assess, upon further advice by the Department pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise. On or after the date of publication of the ITC's final injury determination in the **Federal Register**, CBP must require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the rates noted below:

Producer/exporter	Net subsidy rate (percent)
Han Shing Chemical Co., Ltd. (Han Shing Chemical)	223.74
Ningbo Yong Feng packaging Co., Ltd. (Ningbo)	223.74
Shandong Qilu Plastic Fabric Group, Ltd. (Qilu)	304.40
Shandong Shouguang Jianyuan Chun Co., Ltd. (SSJ)/Shandong Longxing Plastic Products Company Ltd. (SLP)	352.82
Zibo Aifudi Plastic Packaging Co., Ltd. (Aifudi)	29.54
All Others	226.85

This notice constitutes the countervailing duty order with respect to LWS from the PRC pursuant to section 706(a) of the Act. Interested parties may contact the Central Records Unit (CRU), Room 1117 of the main Commerce building, for copies of an updated list of countervailing duty orders currently in effect.

This countervailing duty order is issued and published in accordance with sections 705(c)(2) and 705(d) of the Act and 19 CFR 351.211.

Dated: August 4, 2008.
